Our Eastern Shore exchanges talk of nothing but politics. They seem to know nothing else.

—Monday and Tuesday 23d and 24th of October, instant, are the two last days for Registering voters. The Queen Anne's registers are in error in stating the 22d and 23rd as the 22d is Sunday.

Make Money—by patronizing Oak Hall this Fall.

—The falling leaves and fading flowers remind us of heavy frosts and winter's chilling blasts.

LAST DAYS OF REGISTRATION.—Those who failed to Register and become voters under the recent sittings of the Registers, in the several districts of this county, have one more chance to place their names on the registration list. The Registers will sit again on Monday and Tuesday, the 23d and 24th days of the present month. We hope every voter, no matter whether Democrat or Republican, will have his name placed on the Register. Remember no man can vote, unless his name is on the books of Registration.

SELECT SCHOOL.—A long felt want in this community, amongst those having daughters to educate, is now about to be supplied through the efficient aid of one of our most energetic and thorough going citizens. Mr. E. W. Williamson having secured the services of Mrs. E. B. Clark, of Philadelphia, a lady teacher of large experience and in every respect fitted for the position of instructress, has opened a select school for young ladies, near Potter's Landing. The building is large and commodious and well adapted to the purpose of a select school. The location is an admirable one and we can see no cause to prevent its success, especially when we consider the liberality of Mr. Williamson toward the school. The Principal of the School is employed and paid by Mr. W., and those having daughters, wishing to secure a thorough education, can do so if they feel themselves able by paying a small consideration, but if their means are limited, they can send them free of charge for tuition. Mrs. Clark gives lessons in music and teaches all the higher branches. We hope to see this School liberally sustained and an interest felt in it by our citizens which will give it great success.

FALSE REPORT.—A report has been put in circulation that at the late primary meetings, held by the Republicans in the several districts of this county, that the meeting places were kept secret from the colored people and that in the 2d district, while the meeting was in session, colored men applied for admission and were refused. These reports are false in every particular. In the 2d district no colored man sought or asked admission to the meeting. In this district none applied, or cared to participate in the meeting. The meeting was public and no one refused to participate, and the only reason that we heard urged to holding it in the Court House was, that two years ago the Republicans were refused the Court room for the same purpose, and they were now too independent to again ask a similar favor with but little better prospects of their request being granted. Some reasoned thus:—if they could not obtain the Court room two years ago during the prevalence of a rain storm, in which to hold a political meeting, the prospects were not very flattering just now, with a clear sky and a balmy atmosphere, in securing it for a like purpose. They showed a manly and independent spirit and we believe they did right in obtaining some other place in which to hold their meeting.

BALTIMORE VIA QUEENSTOWN.—The time was when the Queenstown route for Baltimore was considered uncertain, from the fact that at unusual low tides, the steamer could not get into Queenstown Creek.—This difficulty is now removed. An appropriation by Congress and the employment of a steam mud machine has removed all obstructions, and the steamers of the Chester River line, now steam in and out of the Creek without let or hindrance. No one need now be deterred from making the trip to Baltimore, by way of Queenstown fearing the non-arrival of the boats at the wharf. This is now the most certain and quickest route to the city. The steamer Geo. Law, a fast boat, is now on the route. See advertisement in another column.

SHOT HIMSELF.—A colored boy named Holmes, living with Mr. Samuel M. Carter, about three miles from town, while carelessly handling a pistol on Saturday morning last, shot himself in the hand causing a painful, though not dangerous wound.

WE have been compelled to omit editorials, locals, &c., this week on account of the sickness of a portion of our force engaged in our office. We have been compelled to draw our own coat and take our place as a regular compositor at the case.

LAND SALES.—Messrs. Jump & Ridgeley, Trustee's, sold the real estate of Jas Friend, consisting of two farms, on Tuesday last.

No. 1—Containing 167 acres, with tolerable improvements sold for $610. J. W. Bryant and Jas. E. Douglass purchasers.

No. 2—Containing 125 acres with ordinary improvements was sold for $350.—P. W. Downes and Henry Mobray purchasers.

Tract No. 1 brought a fraction over $3 per acre, while tract No. 2 brought less than $3 per acre. This land is unusually cheap, and if left to grow up in pines, in fifteen years will pay $25 per acre in cord wood. Scarcity of money in these parts is the cause of these lands selling so low.

COUNTY COURT.—State vs Jacob Johnson, colored. Record from the Circuit Court for Talbot county. Indictment for larceny trial before Jury. Jury out all night discharged next day, being unable to agree. Tried before the Court and Judgment of not guilty. Martin for prisoner.

State vs Geo. W. Smith, colored. Removed case from Talbot County. Indictment for larceny. Submitted by State without evidence and judgment of not guilty. Martin for prisoner.

State vs Francis M. Booker. Indictment for Bastardy. Removed to Dorchester County. Russum for traverser.

LAND SALES.—Messrs. Jump & Ridgely, as Trustees, offer for sale in our columns this morning a valuable farm near Marydel, on the Del. & Md. railroad—also property in the town of Greensborough.—Those desiring bargains in real estate would do well to attend these sales. Real estate is selling very low. Now is the time for bargains.

CHANGE IN ROUTE.—The Steamer Highland Light has changed her routes to this place. She makes but one trip a week.—Leaves Baltimore every Saturday night and Denton every Monday at noon. The Champion leaves Baltimore every Wednesday morning returning leaves Denton every Thursday morning, at 6 o'clock, A. M.

DO NOT FORGET—the public sale at Wm. Connolly's Senior, which takes place on Wednesday 18th, of October, at 9 o'clock, A. M., if fair, if not, the next fair day. A large lot of stock, farming utensils, household and kitchen furniture. No by bidders. All the candidates and others invited. Loockerman auctioneer.

CAUGHT FIRE.—The steamer Highland Light while on her trip to this place last week, caught fire somewhere below, near the furnace. The fire was extinguished without damage.

Deaths.

CARPENTER.—Near Long Woods, Oct. 3d, 1871, Samuel W. Carpenter, in the 11th year of his age, beloved son of Samuel J. and Sarah J. Carpenter.

THE NEW

PICTORIAL

FAMILY BIBLE

WITH OVER

1000 ILLUSTRATIONS,

50,000 REFERENCES,

A FAMILY RECORD,

AND

FAMILY ALBUM.

THE PICTORIAL FAMILY BIBLE contains a storehouse of information that can only reach the mind through the eye. Its illustrations carry one back to the most important era of the world, and are of themselves a comprehensive review of the Scriptures, representing the most interesting Views, Characters, Symbols, Historical Events, Landscape Scenes, Antiquities, Costumes, Beasts, Birds, Insects, Plants, Minerals, Coins, Medals, Inscriptions, and Incidents referred to throughout the Sacred Text. They attract the eye, correct erroneous impressions, awaken new thoughts, and furnish clearer views of Divine Truth. As a help to Parents, Ministers, and Sabbath-School Teachers in fulfilling the duties of their separate and high vocations—and to all others to whom immortal souls are intrusted—this splendid volume cannot be overestimated. It is the Edition

Most Suitable for the Family,
Most Valuable for the Student,
Most Instructive for the Teacher,
Most Appropriate for the Child,
Most Useful for the Minister,
Most Interesting for the Farmer,
Most Elegant for the Parlor,
Most Profitable for the Study.

THE PICTORIAL FAMILY BIBLE, in addition to the features already alluded to, contains the Apocrypha, Concordance, Psalms in Metre, a Summary of the Sacred Truths as taught in the Inspired Book, together with numerous and comprehensive Tables and other Historical and Explanatory Matter, embodying the labors of many of the most eminent Biblical scholars. It is printed on the finest calendered paper, from clear and open type, in one large and handsome quarto volume, and is bound in the most durable and attractive manner, while the prices are sufficiently low to place it within everybody's reach.

EXPERIENCED AGENTS are wanted throughout the country for its sale, with whom liberal arrangements will be made.—An opportunity of equal promise is rarely or never presented. Its sale will not be limited to any period, but will continue for a lifetime, constantly increasing with the growth and intelligence of the country. It is therefore desirable that those who engage with us, do so with a view to making the business a permanent one.

MINISTERS, TEACHERS, STUDENTS, FARMERS, YOUNG MEN AND WOMEN—Those who would meet with the most profitable of all employments—are invited to correspond with us with a view to an agency. Not a few such are now averaging from $5000 to $7000 annual profit in its sale. There is a great want for the book and a rich field offered, while it will elevate the spiritual condition of the agent by constant contact with and conversation upon its beautiful and eternal truths.

AGENTS ON THE INSTALMENT PLAN will be furnished the work in fine bindings. This plan is quite popular and profitable in cities and large towns. We have an edition of the book, superbly bound, with massive pannelled sides, which has been everywhere received with marked favor. Subscriptions for the Pictorial Bible, in this style and in this way, can be obtained to an almost unlimited extent, as there is no outlay of money that the Bible reader can make, which will yield him so rich a return.

We are also the publishers of POTTER'S STANDARD EDITIONS of Family, Pulpit, Pocket and Photograph, Bibles and Testaments—over 300 different styles—so well known everywhere for their accuracy of text, beauty of finish and durability of binding.—Always ask for "Potter's Standard Editions," and get the best. Catalogues containing styles and prices furnished on application.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.

THE NOVELTY CLOTHES WRINGER.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer.—But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when wrung in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. * * The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent.*

THE NOVELTY WRINGER.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty evidently possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family, we are prepared to indorse the Novelty as unsurpassed (the laundress says unequaled,) by any of the several wingers previously tried.—*Moore's Rural New-Yorker.*
