NEW MILLINERY.—Mrs. A. P. Hutson has just arrived with a new stock of fall and winter millinery. The Ladies are invited to call and purchase supplies.

Good as a feast—a glance at Wanamaker & Brown's Fall Stock.

THE article from our correspondent "Sockum," giving an account of the Greensborough meeting last Saturday, was received too late for publication.—It will have lost its interest before the appearance of our next issue.

ACCIDENT.—On Monday last a mule team attached to a wagon, belonging to Mr. Wm. Sorden, backed off the abutment on the west end of Denton Bridge. With the exception of slight damage to the wagon no other injury was sustained.

SUPPLIED.—The vacancy in the Levy Court ticket caused by the declension of Mr. Jarman, was filled last week, by the Democratic nominating Convention, by substituting the name of Mr. R. B. Culbreth, of the second election district.

YOU'VE GOT THE SADDLE ON THE WRONG HORSE.—The Cambridge *Chronicle* copies an article from the Denton *Journal*, advising harmony in the Democratic household, which he credits to the Denton *Union*.—It's a wide mistake neighbor. We don't use such language. You've attempted to saddle the wrong horse this time.

$2,000,000—worth of Clothing sold annually by Wanamaker.

THANKS.—Our acknowledgements are due to M. Hall Stanton, Esq., President of the Board of Public Education, of Philadelphia, for his report on education, and also for a more enduring token of respect accompanying said Report. Mr. Stanton, being a native of this county, we can point to his career with pride, and bid the rising youth adopt as their motto, "*Excelcior.*"

LAND SALES IN QUEEN ANN'S COUNTY.—A correspondent sends us the following sales of real estate in Queens Ann's county. The home farm of the late Judge Ruth, lying on Corsica creek, containing 502 acres, has been sold to Mr. Geo. W. Taylor, of Centreville, for $12,000.

The Island farm of Edward Bryan, on Pica's or Wye Island, containing 305 acres, to Wm. J. Price, of Piney Neck, for $7,300.

Lower than ever—Oak Hall prices this Fall.

OPENING OF THE COLORED SCHOOL.—The colored school in this place after a suspension of several months will open on Monday next, 23d inst. The services of Anna S. Webb has been secured as teacher, and the prospect of good attendance, on the part of the scholars, is flattering. The colored people here manifest a praise worthy spirit in the success of their school, and with proper effort cannot fail of success.

DENTON SABBATH SCHOOL.—It has been determined to hold two sessions of the Denton Sabbath School at the M. E. Church. Morning sessions will be held hereafter, commencing at 9 o'clock, and an afternoon session commencing at half past one o'clock. Parents are requested to send their children, and if possible, accompany them to the Sabbath School. The officers of the School are expected to be punctual in their attendance.

ANOTHER DEMOCRATIC MEETING.—If the nominations of the Republican party do nothing more, they have certainly produced a great scare in the Democratic ranks, if we are to judge from the activity and bustle displayed on the part of those who pull the wires and manipulate party machinery. A general meeting of all the faithful is called at this place on Tuesday next; speakers from a distance announced, and great preparations are on foot to bring in all the crippled, weak and faltering of the fold. We may expect some rich scenes—a great deal of blarney and a large amount of abuse of the Republican party, a heavy amount of Democratic stock invested in negro equality—negro jurors—mixed schools—negro officeholders, &c.

ORPHANS' COURT.—J. W. Bryant, administer D. B. N. of Jas. H. Fountain, deceased, past 1st and final administrators account.

Wm. P. Richardson, guardian to Wm. R. Griffith, minor, pased 1st guardian account.

Mary Wright, executrix of John Wright, deceased, passed account of sales.

Thos. F. Johnson, executor, of Hewett Ross (colored,) deceased, passed Inventory and appraisement and order granted for the sale of the personal estate of said deceased.

Letters of administration upon the personal estate of Francis F. Roe, deceased, granted to C. E. Roe.

Letters of administration upon the personal estate of Jesse Lewis, deceased, granted to Wm. H. Deweese.

Eliza Nicholson, executrix of Nehemiah Fountain, deceased, passed receipt and final release from Tate F. Saulsbury, A. G. Gullett and wife, Nehemiah Fountain and Margaret A. Nicholson.

Final order of ratification passed on the sale of the real estate of Thos. T. Moore, deceased, sold by David S. and G. H. Moore, executor of said deceased.

A sight worth seeing—Wanamaker & Brown's Oak Hall.

HIS ELECTION CERTAIN.—The election of Mr. Eli W. Gordy, the candidate for county Surveyor, is an assured fact. He is the nominee of both the Republican and Democratic parties and certainly cannot fail of an election. We have heard it intimated that the Democrats talk of dropping him because he is not a Democrat. We hope such is not the fact, for they cannot select a better man for the position in their own ranks. Mr. Gordy is a man above reproach and worthy of the support and confidence of both parties.

PRINTED OUTSIDES.—We exchange with several country newspapers whose outside forms are printed either in Philadelphia, New York or Boston. Now, we give all these exchanges fair notice that any one of them will do for this office as all their outsides are alike. The selections of no single one of them, or all combined, are not worth a sixpense, and we get heartily tired of looking at the same article so often. They are no use to us and we shall be compelled to cut their acquaintance.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralyzes, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.

THE NOVELTY CLOTHES WRINGER.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer.—But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when wrung in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent.*

THE NOVELTY WRINGER.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty evidently possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family, we are prepared to indorse the Novelty as unsurpassed (the laundress says unequaled,) by any of the several wringers previously tried. —*Moore's Rural New-Yorker.*
