☞ The Orphans' Court for Caroline county will meet on Tuesday, Nov. 14th.

The Editor's Hash.

—Don't forget the election next Tuesday.

—The M. P. Parsonage at Burrsville is progressing.

—Jack Frost paid us another visit on Monday night last.

—Our farmers are busy housing their corn crop. The yield is good.

—Let every Republican go to the polls on Tuesday next and vote the ticket.

—Our Citizens are being supplied with their winter's coal by Capt. T. D. Case.

—The wheat crop seeded last month presents a green and prosperous appearance.

—Mr. Thos. A. Smith is having his new dwelling, at the upper end of town, neatly painted.

—Those wanting cheap lumber, have only to call on Fountain & Field, at Denton Bridge.

—The Republican party is united in this county, this fall, and will vote solid the Republican ticket.

—The Democrats of this county have held public meetings at all the public places in this county, during the campaign.

—Two of our Merchants, Mr. H. Blackiston and Mr. R. H. Loockerman, have just received their winter stock of goods.

—The Schooner, Ocean Bird, from Philadelphia, is lying at our wharf with one hundred and fifty tons of Gelatine Fertilizer.

—The members of the M. P. Church, in the same vicinity, are building a new Church in the rear of the old one, in which they now hold service.

—The Steamer Isaac P. Smith, which has been running on the Choptank, to Medford's, was sold in Baltimore last week, and has been withdrawn from the route.

—The Baptists of West Mispillion hundred, about 5 miles from the Md. & Del. line, have built a new Chappel for religious worship and finished it in a neat a tasteful manner.

—A large sized tent for the accommodation of the citizens of the neighborhood, has been put up by the members of the M. E. Church, near the residence of Mr. Gootee Stevens, on the road to Smithville.

TO THE PEOPLE.—Call at Fountain & Fields Lumber yard and buy your Lumber, Shingles, Laths, &c., at city prices, They will certainly give satisfaction to all purchasers.

NEW GOODS.—Mr. H. Blackiston has just returned from the city with a new stock of Winter goods which are cheap, pretty and of the latest styles. Call and see them.

Grand Exposition—of Gent's Fall Wear at Oak Hall.

DEATH OF A PROMINENT CITIZEN.—Mr. Robert Thawley, a prominent citizen of this county, residing near Hillsborough, died at his residence on Friday evening last. Mr. Thawley was an old citizen of this county, born and raised in the second election district, and at the time of his death, being about 66 years of age. He was a thrifty and prosperous farmer and had accumulated much of this world's goods. He was a good citizen, noble hearted and generous—a man of character and high standing, and his death will be lamented by his neighbors and friends.

SABBATH SCHOOL COMMITTEE.—We stated last week, that the S. S. Committee would address the Sabbath School at Laurel Hill, in the 4th district, on Sunday last, 26th inst., but when the announcement was made, those authorized to give the notice, were not aware, or had forgotten, that the Quarterly meeting at Harris' Chappel came on at the same time. For this cause none of the committee were present. We are now authorized to announce that the committee will certainly address the School at Laurel Hill next Sabbath, 5th of November, at 2 o'clock P. M.

Fun—to see how eager people are to buy W. & B.'s Clothing.

CORRECTION.—We were in error last week in saying that Mr. Hamilton, at the Democratic meeting, held in this town, did not denounce the New York Tammany thieves in their wholesale raids upon the city treasury. He did denounce these Democratic swindles, not only in New York, but elsewhere—we have since been told, even in Maryland. We have no desire to misrepresent any one and will not do so if we know it. Mr. Hamilton advised his hearers to kick out of office every man in Maryland, who has pilfered or squandered the public moneys. We agree with him and go for kicking out of office the Democrats in this State, who have expended in the last four years four millions of the public funds. We hope to see a general kicking out next Tuesday.

OUR TAXES.—We invite the attention of every unprejudiced mind to an exhibit of our State finances, to be found on our first page. If you wish to see what has caused your taxes to more than double, and to find out the leak in the public treasury, read the extravagance of the Democratic party since it has been in power in this State.—Four years of Democratic rule has cost the people of Maryland four million dollars more than six years of Republican rule.—Think of it—it costs the Democratic party one million of dollars annually to run our ate government in time of peace. The publicans during the war, with all the vy drafts upon the treasury for boun- &c., carried on the whole machinery ut $700,000. Down with the taxes, g unfaithful public servants out of

PHOTOGRAPHS.—All persons in want of a good picture have now an opportunity of securing "the shadow ere the substance fade," by applying at the Photograph gallery of Mr. Lewis at the Brick Hotel. Call and see his pictures—they are life-like and and taken in the highest style of art.

IT IS SAID that if a puff of air were to be blown into a vein of an animal, death would instantaneously follow, because circulation is stopped. The blood makes the entire circuit of the human body every seven minutes, and whenever this circulation is impeded or if any of its channels are clogged by impurities which ought to be carried off, disease follows—fever or a disorder of liver or kidneys, or scrofula, or dyspepsia. To get at and remove the source of the difficulty use the old and infallible blood purifier, DR. WALKER'S CALIFORNIA VINEGAR BITTERS. 4w

"Little Men"—neatly and cheaply clad at Wanamaker & Brown's.

Peninsular Jottings.

CECIL COUNTY.

Capt. Hughes, formerly of Elkton was last week elected a member of the First Branch of the Baltimore city Council. Capt. H. is a Republican.

The barn of John Briley was burned on Tuesday night. Two horses, five hogs, and hay and other provender was burned.

McClanahan, the horse thief has been handed over to the Chester county authorities.

Albert Heitzig, a boy 10 or 12 years of age was killed in a saw mill near Elkton last week by being caught in the belt while running at full speed.

The North East Building Association sold $2,000 last week at 14 per-cent premium.

A heavy rain storm passed over a portion of Cecil county on Thursday night, accompanied by vivid lightning and heavy thunder.

Some thief broke into the new jail at Elkton before it was completed. He was experimenting so as to become familliar with the new structure.

DORCHESTER COUNTY.

The corn crop is said to be much larger this season than usual.

Chas. Johnson, Republican, announces himself an independant candidate for County Commissioner.

Four car loads of grain and one of dried fruit passed over the Dorchester & Del. R. R. last week, and were shipped from Cambridge to Baltimore.

They have a man io Dorchester whose egotism and self conceit stands out as prominent characteristics. He says "few men in our county are better acquainted with the political record of men in our county than I am." He had better let some one else *marshall* the forces and blow *that* horn.

The editor of the *Democrat* has negrophobia on the brain. If the election did not come off very soon we should become alarmed for his mental calibre, and advise his friends to seek a place for him in an insane asaylum.

The Cambridge *Democrat* has flying at the head of his paper "*a herald for all.*" We can't see it. It blows the *Democratic horn.* There are some Republicans yet, in old Dorset.

KENT COUNTY, MD.

The only trial of importance at the late term of Kent County Court was that of Geo. H. Walls indicted for the murder of Robt. Hackett. Walls was convicted of manslaughter and sentenced to the State's Prison for five years.

The Dwelling of C. W. Warren at Kennedyville was damaged to the amount of $200 by fire last week. Fully insured.

A Frame tenant building occupied by Thos. Hodges, together with all the furniture, clothes, and $50 in money, was destroyed by fire on Monday of last week.

QUEEN ANNE'S COUNTY.

Chas. E. Skinner, a Republican candidate for Judge of the Orphan's Court has declined.

The Messrs. Mallalieu sent, last week, $250 worth of their celebrated kerseys to Chicago.

An unusually vigorous campaign is progressing in Queen Anne's.

WICOMICO COUNTY.

The Eastern *Shoreman* asks triumphantly "where is our opposition?" Wait awhile, the cloud is brewing. The withering indignation of an outraged people will not always slumber.

Wm. Cannon, charged with committing an assault on Wm Elliot, has been lodged in jail.

The corn crop is good.

Some of the citizens of Salisbury are busy planting out strawberry plants.

The new Steam Kindling Wood mill is nearly completed.

The Salisbury Lyceum is reorganized.

Chesnuts are selling at three dollars per bushel.

SOMERSET COUNTY.

A little son of Geo. Moore, was badly burned, last week, by his clothes taking fire, and died in a short time.

A Young lady laboring under a hallucination of mind, was arrested recently for disturbing a religious meeting.

THERE is a "Mother in Israel" living in Niles, Michigan, who is one hundred and nine years old. In a recent love-feast she declared that she had enjoyed religion one hundred years, and for that same period had been a member of the Methodist Church. It is probable that she is the oldest church member of any denomination in the world.

THE TEXAS ELECTION.—The New Orleans Picayune says:

"The four gentlemen just elected to Congress from Texas were all, we are informed, recently of the republican party, and were supported as conservatives, and elected by the opponents of Grant and Davis. They were not regarded or ever styled democrats in their several districts. Judge Hancock was opposed in the New Braunfells district by a German, who made speeches through the German colony in German, in favor of Grant and the radicals. Yet the Judge managed to divide the German vote with his adversary. Had he been able to obtain copies of Carl Schurz's speech in German, and circulated them through the district, he would have received a large majority of the German votes.

"Of the other members elect, Mr. Connor served in the federal army through the war; Mr. Giddings has settled in the State from one of the Northern States since the war.

SMALL-POX IN PHILADELPHIA.—The official figures showing the progress of small-pox in Philadelphia since the first of July are given as follows: Total number of cases in the city July, 15; August, 58; September, 110; October, (three weeks,) 952. The number reported during the week ending the 21st inst. was 356. The number of deaths reported in September were from 1 to 7 per week; during the three weeks of October the figures have been as follows: first week, 23 deaths; second, 54, and third 74. The total number of deaths from small-pox thus far this year is 198, nearly all, as above shown, within the past three weeks.

THE Gentile movement in Utah is bringing forth its fruits. Hawkins has been sentenced by Chief-Justice McKean to three years' imprisonment in the Penitentiary, and to a fine of $500. The sentence was as light as could be legally given, and the judgment of the Court was delivered with singular and almost apologetic courtesy. In the mean time a large number of prominent saints, including Brigham Young himself, have been indicted for the murder of Richard Yates several years ago, the indictment being founded on the affidavit of a notorious "Danite," who claims to have assisted at the murder under the orders of the Mormon hierarchy.

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satisfaction. Price $1 per bottle. For sale by druggists generally.
