THE

NOVELTY CLOTHES WRINGER.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer.—But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when wrung in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. * * The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent.*

THE NOVELTY WRINGER.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty evidently possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family, we are prepared to indorse the Novelty as unsurpassed (the laundress says unequaled,) by any of the several wingers previously tried. —*Moore's Rural New-Yorker.*

NOTICE.

The unexampled satisfaction that NATTAN'S CRYSTAL DISCOVERY has given in this city, as evidenced by the repeated orders of some of the first Druggists, induce us to direct especial and particular attention to the great fact that by its use you gain all the advantages claimed for the many poisonous compounds in use, to wit: the restoration of the color and growth of the hair and the speedy removal of dandruff, without the least possible injury—as Crystal Discovery is positively warranted to contain no poisonous substance, neither Lead, Sulphur or Silver.

Its perfect cleanliness is a reason not lightly to be overlooked; it will neither stain the skin or clothes—in one sentence, it is exactly what has been wanted for a long while, a Restorer of the Hair that may be used without the fear that you are going to have Neuralgia, Paralysys, Lead Colic and various other complaints, the result of the use of lead preparations.

As simply a Dressing for the Hair, it has also been found to be unexcelled.

Letters in our possession might be published by the score, all recommending it in the highest terms, of which we promise to give you some in future.

By all means try it, as we are satisfied it will give you entire satifaction. Price $1 per bottle. For sale by druggists generally.
