MARRIED LIFE **DR. BUTTS** No. 12 N. Eighth St. St. Louis, Mo.

Who has had greater experience in the treatment of the sexual troubles of both male and female than any physician in the West, gives the results of his long and successful practice in his two new works, just published, entitled

The PHYSIOLOGY of MARRIAGE
The PRIVATE MEDICAL ADVISER

Books that are really Guides and Self-Instructors in all matters pertaining to Manhood and Womanhood, and supply a want long felt. They are beautifully illustrated, and in plain language, easily understood. The two books embrace 565 pages, and contain valuable information for both married and single, with all the recent improvements in medical treatment

Read what our home papers say: "The knowledge imparted in Dr. Butts' new works is in no way of questionable character, but is something that every one should know. The youth, the victim of early indiscretion; the Man, otherwise perfectly healthy maybe, but with waning vigor in the prime of life, and the Woman, in misery from the many ills her sex is heir to."—St. Louis Journal.
