We Want the Public to Know

That the UNION has now a circulation larger than that of any other newspaper published in this county, and its list of subscribers is steadily increasing. If this statement is questioned we are prepared to prove it.

The Orphans' Court of Caroline county will meet on Tuesday, 6th of April.

The Editor's Hash.

—What keeps lent the longest and best?—Money.

—No part of a man will stand so many blows as his nose.

—A good deal of the courage of this world is carried around in jugs.

—The cold weather of this week will cause the peach growers to tremble.

—The colored schools of Caroline county will close on Friday, 2nd of April. [mar25 2w

—If a man dreams the devil is after him, it is a sign he had better settle his subscription bill.

—The man who was "going home Dinah Moore" ought not to sing about in prayer meeting.

—The Masonic Lodge at Easton, has purchased ground and will erect thereon a handsome Masonic hall.

—The man who lets his wife or child suffer, from coughs or colds without getting "Sellers' Cough Syrup" is lost to common reason.

—Shad are selling in the Easton market at from 50 to 80 cents a pair. Herring 15 cents a bunch, 12 to the bunch.

—Don't you forget it. "Sellers' Liver Pills" were the first pills so called in the United States, and never fail to do their work.

—The colored voters of Centreville have been holding meetings in Centreville preparatory for the fall campaign.

—The communication from our valued correspondent, "Pargetter," was crowded out this week, but will appear in our next issue.

—Mr. Thos. Mallalieu proposed to give the Millington Church $8,000 if the Church extension Socity would give $590 without conditions.

—A man died suddenly in church, in the State of Ohio, a few days ago just before the collection was taken up. Another way to save money.

—We call attention to the advertisement of Geo. F. Sloan & Bro., 132 Light St. This is the place to buy your lumber cheap. Give them a call.

—The most beautiful church in Cambridge is the one erected last year by the colored Bethel congregation. It is in modern style and handsomely finished on the outside.

—Mr. John Gootee is putting up a new building for Mr. J. W. Bryant on Lowe Street, which is nearly completed and adds much to the appearance of that part of the town.

—See advertisement of J. Hopkins, carriage builder and repairer, Greensborough, Md.—This is the place to get your work done cheap and in the best manner. Give him a trial.

—The "Whitaker property" advertised by J. W. Bryant, Trustee, was not sold on Saturday last, on account of the rain storm, but the sale was postponed until Saturday next, April 3rd. See advertisement.

—The entertainment held at the Court House on Tuesday night last, was a complete success. The audience was very highly entertained. The proceeds, clear of expenses, were about twenty dollars.

—Polly Hopkins, a colored damsel of St. Michaels, Talbot county, was asked her age a few days ago. Her reply was "Deed I dunno 'zactly, but my age is on de tombstone down in Mr. Gus Skinner's grave yard.

—Rev. Robt. D. Bradley will lecture in Liberty M. P. Church, at Federalsburg, on Tuesday evening next, 30th inst. Subject, "Four years between the Mountains." Proceeds for the benefit of the church. Lecture commences at 7.30 o'clock.

—Our fishermen say so far, they are doing a better business than they have for several seasons past. Mr. Wm. Stevens, just below Denton bridge, caught three thousand herrings on Monday last. Shad are not very plentiful—the weather being too stormy for them.

—On Wednesday night of next week our citizens will have an opportunity to hear the Rev. J. S. Willis, deliver his lecture, entitled "True Friendship or the character of Jonathan." Mr. Willis's oratorical powers and pleasing address are well known and highly appreciated by our people, and we predict for him a full house.

—Geo. A Millington, who hat kept the Jefferson House at New Castle for several years past, left there this week to take possession of the "Wakeman House," at Bombay Hook, Mr. Millington's new hotel is a very pleasant summer resort, and many of his numerous friends can avail themselves of the opportunity of paying him a visit during the coming season.

—The symptoms of Liver Complaint are a bitter or bad taste in the mouth; pain in the back, sides, or joints; sour stomach; loss of appetite, Headache, loss of memory, debility, low spirits, and a thick, yellowish appearance of the skin and eyes. A remedy, which gives permanent relief, is Laroque's Anti-Bilious Bitters, sold everywhere. 25c a package, or $1 a bottle. W. E. Thornton, Prop'r., Baltimore, Md.

—The new spring and summer arrangement of the Maryland Steamboat Company will commence on the Choptank route on Tuesday, the 30th inst. The steamer Enoch Pratt will leave Baltimore every Tuesday, Thursday and Saturday at 9 P. M., and the steamer Highland Light leaves every Monday, Wednesday and Friday nights at the same hour, both for Easton and intermediate landings; the steamer Highland Light extending her trips to Denton. See advertisement in another column.

—Four oyster dredgers made their escape from Chestertown jail about four o'clock last Sunday afternoon, during the temporary absence of deputy sheriff Silcox. The door, which is secured by a padlock, was found to be open, but whether through neglect or otherwise, is not positively known. One of them was captured late in the afternoon by the deputy sheriff and Wm. Brice, near the mouth of Morgan's creek; and it is believed the others made for Buck neck and took passage for Baltimore on the Trumpeter next morning.

—John Sauerlander and wife were burned by the explosion of a coll oil lamp in Wilmington, on Tuesday. They were about retiring when the explosion took place, and in endeavoring to suppress the flames they received most serious burns. Mrs. Sauerlander jumped from a second story window, with her child in her arms, and ran into the street, with her clothing blazing. The child was uninjured. No hopes are entertained of the recovery of the man. The situation of the women is less critical. The oil used was Atlantic Oil, sold in defiance of a law requiring that all burning oils shall be subjected to a test that shall prove them non-explosive.—*Gazette.*

—Mrs. Lizzie Conway, wife of Robert A. Conway, of Preston, while trimming a coal oil lamp on Thursday last threw a piece of the burning wick down, which ignited her under clothing. She did not discover that her clothing was on fire until she was unable to smother them. Her little ten year old son ran to the pump and seizing a bucket of water, dashed a part of it on his screaming mother, but he had thrown the third bucketful before the flames were extinguished. Mrs. C. was terribly burned from her hips to her ankles, and the shock to the system was such that she had not rallied at 9 o'clock on the following morning. She will probably die.

—Wm. and James Callahan, merchants at Willoughby's Shops, who were arrested sometime ago for selling whiskey without a license, were again arrested by Constable Jump last Wednesday on similar charges. James Callahan was released, and William held to bail on two charges, one for selling in quantities less than a pint, and one for selling in quantities of a pint. His bondsmen on the former charges against him, having surrendered him into the hands of the law, it became necessary for him to furnish additional bail in those cases also. The whole amount of bail was fixed at $1,660. His father, Jas. Callahan, and his brother Thos. H. Callahan entered his security and he was released. The mode of selling, it will be remembered, is to charge a certain sum for a key which fits the spigots of the liquor barrel and the customer draws his own liquor, the price for the use of the key being regulated by the quantity of liquor desired.

For the Union.

Corrupted People.

There is a certain class of persons who talk and act as if their way was the only right one, and all others were wrong. This class does not belong to any particular church. It is not confined to any one society. They are found connected with all denominations, and interested in all moral reform societies. They rebel great hatred to tyranny and oppression; to vice and crime, as well as a greater disgust for the fanatical radicals who would turn the world into chaos with their revolutionary notions.—They are never satisfied with what others do, unless they have either directed the movements, or showed them how the work should be done. No reform should be undertaken until they are ready. It is never the right time for any movement until they are ready. The meanest, lowest souls of this class always are ready to attribute the worst motives to those who persist in undertaking any work before this class are ready to unite in it. Words cannot express our hatred for such people, but as sure as eternal justice reigns they will receive their reward which will sink them lower than (Tophet). That man must possess either the heart of a knave or a fool who charges others with mercenary motives, because they undertake to work out reform by a course requiring great sacrifices, and himself not ready to unite in the work, because he is not ready to make the sacrifices required. In our experience, the most bigoted, intolerant, meanest and most malicious of the people, are some that belong to the tail-end of the Democratic party, who are mere noisy brawlers; they have never done anything but make a show of principle without really accomplishing much work.

Boonsboro', March 30th, 1880.

From A Distinguished Physician.

Prof. Green, a distinguished allopathic physician, wrote to the Medical Record to the effect that after all other means had failed, he sent for the Kidney Cure (Safe Kidney and Liver Cure,) and to his astonishment cured a serious case of Bright's Disease by administering it, and afterwards found it equally beneficial in other cases. [mar25-3m.

Worthless stuff!

Not so fast my friend; if you could see the strong, healthy, blooming men, women and children that have been raised from beds of sickness, suffering and almost death, by the use of Hop Bitters, you would say "Glorious and invaluable remedy." See another column.

From the Quaker City.

E. J. Campbell, of Philadelphia, under date of Oct. 4, 1879, certified to the wounderful efficacy of Warner's Safe Pills and Safe Kidney and Liver Cure, in removing a liver disease accompanied by chronic constipation oand yellow skin. [mar25-3m.

Marriages.

JAMES—HOOPER.—On Tuesday evening, March 25, 1880, at the residence of the bride's uncle's, near Seaford, Del., by Rev. T. A. Moore, MR. E. H. S. JAMES, of Greensboro', and Miss LOU. D. HOOPER.

GOOTEE—MARINE.—In Bethlehem, March 24th, 1880, by Rev. D. R. Wright, Mr. JOHN W. GOOTEE and Miss AMANDA MARINE, both of Dorchester county.

HOSTETTER'S CELEBRATED

STOMACH BITTERS

The Bitters invariably remedy yellowness of the complexion and whites of the eyes, pains in the right side and under the right shoulder-blade, furred tongue, high colored urine, nausea, vertigo, dyspepsia, constipation, heaviness of the head, mental despondency, and every other manifestation or accompaniment of a disordered condition of the liver. The stomach, bowels and kidneys also experience their regulating and tonic influence.

THE FENCE QUESTION
SOLVED AT LAST!

THE undersigned beg leave to inform land owners and the public generally that they have bought the right to manufacture and sell the

"EMPIRE BARB WIRE FENCE,"

on this Peninsula, and they are now prepared to take orders for and put up the same in any part of the Peninsula. This fence is very extensively used in the West and Southwest by railroads, farmers and stock-growers, and always gives universal satisfaction, because it is the

Cheapest Fence

that can be made—the first cost being no more than white pine board, and it is good for 60 or 75 years. It is in no danger from fire—being composed entirely of

Iron and Steel.

Storms nor floods cannot affect it, as it presents so little surface to their force. It affords no shelter for noxious weeds and briars, and will save its cost in

TEN YEARS

in the extra amount of produce grown on the ground that would be taken up by a worm fence or osage hedge. It is a SAFE fence, there being no danger of

STOCK BEING IMPALED,

as they frequently are by sharp-ended rails, broken boards, leaning stakes, &c., and the barbs being so short that should they come in contact with our wire it will prick the skin and turn them back without injury. It is reliable, preachy ing stock turned in a field enclosed with it will always be found there.

This fence is made of

Wrought Iron Posts,

with a spiral screw, (coated with a preparation to prevent rust,) by which they are screwed in the ground where they are anchored by 20 inch anchors; to the posts we attach steel barb wire, making an indestructible fence.

Orders for fence for fields, yards, gardens, cemeteries, private grave yards, or for other purposes, promptly attended to. We are prepared to put up or sell any wire barbed or plain fence in the market.

THE KENT COUNTY
MUTUAL INSURANCE CO.,

Dover, Del.

Furnishes Indemnity Against Loss by Fire

by its policies insuring Buildings, Furniture, Merchandise Grain and other contents, Live Stock, and other insurable property, also covering Buildings during erection.

ANNUAL PAYMENTS OF PREMIUMS

are made in advance to pay the losses and expenses of each year, but such payments do not indicate the actual cost of insurance, as the large dividends paid attest, amounting to over $105,000 00, and yet leaving to the credit of its members over $96,000 00.

The Strictest Mutuality

is observed throughout, every member while having the advantages arising from a large Mutual Association is still dealt with in an individual capacity, and at the close of each year the balance due each is shown on our books.

THE LOSSES AND EXPENSES

are borne alike by each member, as in proportion to their payment of interest or premium they are charged with their respective share of the Losses and expenses, and the premium unused is strictly regarded as that of the member and is held to his credit, out of which has arisen the enormous dividends paid by the Company.

At Close of Membership

or at any time within one year therefrom, the member has only to make application for a settlement and whatever remains is paid back to him, without in any way affecting the interest of the remaining members, as he simply takes out that which is his.

Statements or any further information will be furnished on application to the Company or to the following agents:
