.....Mr. J. E. Tylor, formerly of this place, but now principal of the Greensborough public school, will apply for admission to the bar at the April term of Court.

.....A medical journal says, "Cruel croup comes climbing through a night of cold, foggy air, and clutches your little one's larynx." It is such things as these that discourage matrimony.

.....Rumor says Hon. Daniel M. Henry, ex-member of Congress from this Congressional District, and a prominent lawyer of Cambridge bar, has failed, his liabilities amounting to $30,000.

.....We call the attention of any of our readers who are in want of a situation, to the advertisement in another column of R. G. Chase & Co., headed "Salesmen Wanted." Write to them for particulars.

.....The Preston Dramatic Company visited this town on Thursday evening last. The performances were excellent, and all present spent an enjoyable evening. The attendance was small, owing to the protracted services now in progress at the M. E. Church.

.....An exchange gives the following and says his readers will all join in with sweet accord, while they (the bed bug) surround the peaceful home:

“The June-bug has a gaudy wing,
The lightning-bug has fame:
The bed-bug has no wings at all,
But he gets there all the same.”

.....The business carried on for the last two years in the name of Thompson, Kersey & Co., Easton, Md., ceased February 28th. The successor is the firm of Walter H. Thompson & Co., and consists of the same partners as heretofore with the exception of Mr. John F. Kersey, deceased.

Previous to the accident she was hearty and hale, and moved about very actively.

.....The darkness in our town for some time past would seem to indicate that the financial condition of Denton is on the wane. Lamps are of no use without oil. By the way, would not a statement from the treasurer, showing what amount of taxes have been paid and how expended be of interest to the people of the town?

.....Mrs. Annie McQuay, wife of Rev. N. McQuay, of Marydel circuit, was called from labor to reward February 25th. In her death the church has lost an earnest worker, the husband a faithful wife and the little boy (three years old) a loving mother. Her illness was of a lingering nature, but through all she suffered with a patience known only to the Christian. She was formerly of Kent county.

.....The Dover *Sentinel* says, that one of the visitors to Washington from that place went into the National Hotel, and after registering his name in a bold hand called for the best room there was in the house. “Can't have it sir,” said the clerk. “Don't know who I am, I guess, young man. I am from Bayard's State and the home of the Family. That ought to be a passport to Europe, let alone a room in Washington.” He was given the soft side of a rafter in the attic.

The American Farmer

for March 1st is at hand, filled with very interesting, useful and practical material, prominent among it being a complete report of the proceedings of the recent convention of the Maryland Farmers, the addresses, resolutions, &c., which are published in full, making the only authentic and correct report which has appeared—the editor of The Farmer being the secretary of the meeting. $1.00 a year, by Samuel Sands & Son, Baltimore, Md.

Revival Services.

Revival services at the M. E. Church, which has been going on for the past six weeks, still continues with increased interest. This is the greatest revival for years past, and has been conducted by Rev. A. D. Davis and the revivalist, Mr. Galloway, of Wilmington, Del. To the present time 38 have professed a change of heart and the altar is still crowded with penitents. On Sunday and Monday evenings 28 persons were admitted to membership on probation. Noon-day meetings were held last week and were well attended. On Sunday evening the Church was crowded to its utmost capacity and the very best of order maintained. On Monday night Rev. A. D. Davis bade adieu to his congregation and left early on Tuesday morning for Snow Hill to attend conference. He left his congregation in tears and carries with him the prayers and heart-felt sympathy of his congregation and those who have attended on his ministry. He has been a faithful minister and receives the plaudit of “well done good and faithful servant.” He has not left an enemy in this community. The meeting will still be conducted under the management of Rev. Mr. Galloway and if the interest is kept up will continue for some time to come.

Death of the Big Woman.

The Centreville *Observer* of Tuesday last says: “Charlotte Stansberry, perhaps the heaviest woman in this State, died in this place last Thursday. Her weight was 535 ponnds. She was about 50 years old, and when young was quite spare and tall. She was a little over six feet in height, and fleshy. She always objected to being weighed, and would not go upon the scales. Two or three years ago she got into a wagon to go to a camp meeting, and the driver, pretending to have business at the coal yard, drove his wagon on the scales and the weight of the load was taken. After Charlotte got out the wagon was again driven on the scales and the difference in weight was ascertained. She was very much provoked at the trick, and quarreled about it for some time.

Changeable Climate.

In this changeable climate hardly a week passes without catching cold. Wet feet, wet clothing, and exposure to draughts of cool, moist air, abstracts heat from the body, chills the blood, and lays the foundation for many chronic lung diseases. In view of the above it is well to have within reach a medicine that can be depended upon—DuLac's “Swiss Balsam.” Price 25 and 75 cts. Sold by George & Redden, Denton, Md., Hugh Duffey, Hillsborough, Md.

The Cost of Producing Corn.

The Michigan Crop Report, of January 1st, 1885, prepared and published by the Secretary of State, says the cost of producing and marketing one acre of corn in the southern counties of that State was $18.37, in the northern counties $19.29, and in the State $18.39. Deduct the value of stalks, and divide by the average yield per acre, and we have 21 and 4-tenth cents as the cost of producing and marketing one bushel of ears of corn in the southern counties; 20 and 6-tenths cents, the cost in the northern counties, 20 and 9-tenths cents, the average cost in the State. The average price of corn in the State, January 1st, was 24 and 8-hundredths cents per bushel of ears.

A team will plow, in the southern counties, an average of 1 and ¾ acre, and in the northern counties 1 and ½ acres per day.

The cost, including value of board of man and keep of team, of a man, team, and plow one day, in the southern counties is $2.87; in the northern counties $2.-94. The cost, exclusive of board, in the southern counties is $2.14, and in the northern counties $2.12.

She Wobbled.

The girl stood on the roller skates,
But then she could not go;
She was afraid to tempt the fates,
Because she wobbled so.

She called aloud: “Say! Chawley say!
Do come help me along!”
But “Chawley” went the other way,
Because his legs went wrong.

There came a crash—a thunder sound;
The maiden—where was she?
Ask of the giddy youths around,
Who viewed her hosiery.

Delays are Dangerous.

Don't trifle with a cold. Use Dulac's “Swiss Balsam” and be cured. It will do you good and that very quickly. Sold by George & Redden, Denton, Hugh Duffey, Hillsborough, Md.

.....Call at George & Redden's for Garden Seeds in packages or loose. [2w.

Deaths.

FINN.—At Denton Bridge, on Thursday last, Charles Edward, infant son of Michael and Zenie Finn.

NEAL.—At Potter's Landing, on Sunday night, Mr. Thomas Neal, son of Wingate Neal, aged about 45 years.

CALLOWAY.—At Potter's Landing, on Monday morning last, Mrs. ——— Calloway, wife of Capt. James B. Calloway, aged about 65 years.

HUBBARD.—At the residence of Chas. E. Jarrell, near Hillsborough, Feb. 21, Miss Fannie Hubbard, aged 34 years.

Safe in the arms of Jesus,
Safe from corroding care—
Safe from the world's temptation,
Sin cannot harm her there.

Yes, Fannie is safe, safe in the loving arms of the Saviour, her terrible suffering is all over and the poor weary heart is at rest forever. But ah! the hard, hard struggle; the bitter tears and the heart-burnings e're we could give her up to even His loving care, none but God himself knew. We loved her more and more. Just one year ago—one little short year, we were called upon to give up our mother, and now God has called Fannie, and both are gone. What a world of meaning is sometimes contained in that one word, *gone*—never again to answer or come at our call. Never again will the ever-ready and willing hands take up their loving work for us. But even in the midst of our affliction we must not forget that we have God's blessed promise and loving assurance that if we live earnestly and bear patiently our every trial and crosses without murmuring or repining that sometime in God's own good time He will lift the latch of Heaven's door, and we will enter in with our loved ones. All the bitter partings and heartaches will be over; then we will rest and enjoy it all the more, knowing what we have passed through. Ah! what a happy, happy meeting that will be in the beautiful home God has prepared for us. Ear hath not heard, nor eye hath not seen its beauties. So I will not say again poor Fannie, but rich Fannie, and happy Fannie, and will try to say with all my heart: “What God sends is good, and though He slay me, yet will I trust in Him.”

SISTER BELLE.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including **Constipation, Indigestion, Dyspepsia, Headache, Dysentery,** and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

“AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.

W. L. PAGE, of W. L. Page & Bro.”
Franklin St., Richmond, Va., June 3, 1882.

“I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable.

J. T. HAYES.”
Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from *Atlanta, Ga.*, says: “For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health.”

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.

The Balto. Morning Herald

FOR 1885.

The growth of The Morning Herald in circulation and influence during the year just closed has been as remarkable as it is gratifying. To-day it is recognized as the sprightliest, newsiest and most enterprising paper in the state in its news columns, and the ablest, most honest and most fearless in its editorial utterances. The Morning Herald has this reputation because it has earned it. Whenever any event of importance happens The Morning Herald has an account of it, and generally a better account than any of its rivals. This is costly, but we find that it pays to spend money lavishly to get news and print it in the best form. Whatever The Morning Herald has to say editorially it says plainly, neither party affiliations nor personal feelings avail to secure its endorsement of anything evil, or prevent it speaking well of men, measures or things that deserve to be well spoken of. The Morning Herald, although believing in the Republican party, never allows its allegiance to party to interfere with its duty as a newspaper. The Morning Herald gives all the news in the most compact form, but every item gets the space it deserves, whether it be a complete page or a couple of lines. Its market reports are full and accurate. The Morning Herald is the handsomest paper in Maryland, and has no superior in the United States in that respect. It is published daily and will be sent by mail to any address 12 months for $3.00, 6 months for $1.65, 1 month, 30 cts.

The Baltimore Sunday Herald.

The Sunday Herald is an eight-page paper, brimful of good reading matter. It is the most interesting Sunday paper printed in the city. By mail, $1.50 per year; 75 cents for six months.
