☞The Orphan's Court for Caroline county, will meet Tuesday, April 28th.

County and Peninsula.

.....Peach buds are swelling.

.....Eggs are down to 14 cents per dozen.

.....The colored schools for this county will close on the 30th.

.....The Circuit Court for this county adjourned on Tuesday night last.

.....All persons indebted to George & Redden will please call and settle.

.....Shad fishermen around Cambridge are said to be doing a good business.

.....What is the oldest piece of furniture in the world? The multiplication table.

.....Industrious housewives and energetic hens are already at work in the garden.

.....The shad-fishing season opened at Salisbury on Saturday. Three hundred shad were caught at one haul.

.....Delicious bread, biscuits and cakes can be made by using Drew's Yeast Powder. [A16-4w.

.....This is the season of the year when peach-growers go about examining the buds, thereby diminishing the crop.

.....Owing to the rush of new advertisements this week our usual amount of reading matter has been crowded out.

.....The Sheriff at Dover, Del., has offered a reward of $50 for Allen, $50 for Raisin, $50 for Reynolds, $25 for Bryant, and $25 for Stepney.

.....The *Every Evening*, of Wilmington, a well made and creditable newspaper in every respect, has appeared in a handsome new suit of type.

.....The number of plants raised by man does not exceed three thousand. An industrious hen will raise more than that every hour in the day.

.....The painters, McElhenie & Watts, are brushing up the residence of Col. J. W. Bryant, and when completed will be the neatest residence in town.

.....An ordinary woman's waist is thirty inches around. An ordinary man's arm is about thirty inches long. How admirable are thy works, O Nature.

.....The poor prospect of a wheat crop this year has had a tendency to decrease the number of machine agents in our midst during the court week just passed.

.....The stock market and roller skating are very much alike. It's all ups and downs with both: but a fall in the latter never fails to floor a man the first time.

.....A man named Whipp while engaged in painting the residence of Col. Bryant, missed his hold and fell from a ladder on Friday last, and sustained considerable injury.

.....Counterfeit ten dollar bills are said to be in circulation. We make this statement for the benefit of our subscribers, as we do not expect to encounter such a large amount.

.....Mr. Samuel Amdursky will return from New York city in a few days with a complete stock of musical instruments, picture frames, albums, etc., which he will sell at very low prices.

.....There are $20 gold pieces, counterfeits in circulation. One of the date of 1880 was found one day last week. It is made almost entirely of lead from a cast of the genuine coin, and is battery gilded.

.....Young ladies who are accustomed to read the newspapers are always observed to possess winning ways, most amiable dispositions, invariably make good wives, and always select good husbands.

.....The country is full of swindlers and imposters. Some of them dress well, live on the "fat of the land," all at the expense of persons who earn their living by hard labor. Shame on the lazy sharks.

.....Seventeen democrats of Queen Anne's county want to go to the legislature, and there are a dozen democratic candidates for sheriff in the county. The democrats have a large majority in that county.

.....The Crisfield *Leader* says: "We notice that the people of Denton are well pleased with their new pastor—Rev. T. O. Ayers. The longer he remains with them the better will they like him." Said a word, brother.

.....J. E. Tylor, Esq., formerly of this town, but for nearly a year past principal of Greensborough public school, after having passed a most satisfactory examination, was admitted to the bar in this place on Thursday last.

.....Many persons are too previous in discarding underclothing. Better hold on a while and see if Spring has come to stay, or whether old Winter may not be holding on. It is said that when locust blossoms appear, then is the time to change.

.....Hon. Chas. H. Gibson, member of Congress elect from this district, was in town last week. He had numerous calls from his political friends and those seeking office flocked around him, reminding lookers on, of flies on a summer day buzzing around a sugar barrel.

.....The fountain of inspiration at Jacktown, Dorchester county, will cease to flow after the first of May, and the daily pilgrimage of the faithful and thirsty who go thither to taste its exhilarating waters will be abandoned. Another victory for the Army of Temperance.

.....Perfect soundness of body and mind is possible only with pure blood. Leading medical authorities of all civilized countries endorse Ayer's Sarsaparilla as the best blood-purifying medicine in existence. It vastly increases the working and productive powers of both hand and brain.

.....Mr. Wm. S. Ridgely offers in this issue some very valuable lots located in the town of Ridgely, and any one wishing to procure bargains will do well to attend the sale which comes off in this place on Tuesday, 28th inst. Ridgely is a live little village, and is growing in importance every day.

.....Ayer's Cathartic Pills are suited to every age. Being sugar-coated they are easy to take, and though mild and pleasant in action, are thorough and searching in effect. Their efficacy in all disorders of the stomach and bowels is certified to by eminent physicians prominent clergymen, and many of our best citizens.

.....On Tuesday of last week while Wesley Rash, the warden was giving the prisoners in Dover jail their dinner he was struck with a bar and knocked down and six prisoners escaped, among them Bob Allen and Henry Raisin, the noted burglars. Sheriff Robinson summoned a posse to pursue them but had not caught them at last accounts.

.....The Cambridge *Era* says: "A west Cambridge young man asked the lady of his affections the other evening how she liked the looks of his new style standing collar. After critically surveying him and the collar she replied: "Very nice, indeed. It looks like a whitewashed fence around a lunatic asylum." The young man has not been seen in the west end since.

.....The improvement in the wheat fields during the past week has been very marked, the fields turning from a brown to a lively green. Reports from numerous points show that abandoned wheat fields, which were about to be ploughed up for other crops, have come out so finely since the warm weather as to change entirely the crop prospect reported earlier in the season.

Meeting of the Trustees.

The trustees of the M. E. Church at their meeting on Monday afternoon last decided to procure the services of an experienced builder to examine the rear wall of the Methodist church, and to determine the practicability of tearing away and rebuilding it, or whether it would be safe to let it remain in its present condition.

The New Steamer.

The new steamer, "Howard B. Ensign," is nearly completed, and will be put on the Choptank route about the 10th of May, and will run alternate days with the Ida. During the last few years the Maryland Steamboat Company has spent an immense sight of money in building first-class steamers, so as to guarantee safety and comfort to the public. In this the Company has admirably succeeded, and new steamers and wharves are constantly being added, so as to accommodate the patrons on the various routes.

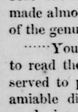

The Situation in Caroline.

As an evidence of how the hungry politicians in Caroline are putting in their little pleas for mercy, we give the following for the benefit of our readers:

All Republicans who want to be Clerk of the Circuit Court will please hold up their hands:

Now, all you Democrat fellows who want the same position will please hold up your hands:

If we have overlooked any of you send in your application at once.

The Wheat Prospect.

The prospect for a fair crop of wheat in this locality has been greatly increased by the recent rains and warm sunshine. There is every evidence that wheat has not been winter killed to the extent supposed some weeks previous. Fields which looked almost bare a month ago, are now green and give every evidence of producing a fair crop. An intelligent farmer, residing on Kent Island, reports that the wheat prospect on the Island is about an average crop. He cited several fallow-fields which looked as promising this season as fields in the same locality did last season. The effects of the drought last fall were not as severely felt on the Island as they were inland.

A Timely Suggestion.

Rev. T. O. Ayers suggests a plan which we think will meet the hearty approval of all our citizens in the way of remodeling the M. E. Church so as to make another room in which to hold class and prayer meetings. The plan alluded to is this: To remove the partition now standing between the vestibule and the audience room of the church and place sliding doors to come directly on a line with the outer edge of the gallery, and also tear away the stairway on the left entering the church, which plan he says will give sufficient room to hold the meetings above mentioned. It is not proposed to commence this work at once, as there are other expenses which will have to be met at this time, but the proposition is believed to be a good one, and and would be less expensive than any other plan that could be devised, and we think our citizens will favor the movement in the near future.

The Best Blood Purifier.

Perfect health depends upon a perfect condition of the blood. For impure blood use Holdstein's Aromanna, a remedy that can be relied upon as being thorough and effectual in its work. Every family should use Aromanna in the spring-time, for the impure secretions of the blood incident to that season of the year. Sold by George & Redden, Denton, Hugh Duffey, Hillsborough, Md.

Aromanna cures your dyspepsia; stimulates your liver; purifies your blood; cleanses your stomach, and keeps you cured.

Death of an Aged Citizen.

Hon. Curtis Davis, at the ripe age of seventy-five years, died suddenly of appoplexy at his residence in Federalsburg on Sunday night last. He had been an exemplary member of the M. E. Church for about 50 years. He was a man of decided convictions, earnest in his efforts to do right and did accomplish good for the community in which he lived. He was elected a State Senator for this county in 1863 and by an honorable upright course done honor to his native county. For years he held a position in the Baltimore Custom House and discharged his duties faithfully, but refused to be put on the working force on the Sabbath, thus evincing his regard for the Lord's day. Some years ago, before local option was obtained in this county, he exerted his influence to remove the sale of spirituous liquors from the town of Federalsburg and was successful. Since that time no spirituous liquors have been sold in that place. He leaves numerous friends and acquaintances to mourn his loss. Thus, one by one, our aged citizens are passing away.

A Good Answer.

Bob Ingersoll has been asking the question; "What shall we do to be saved?" Now this is a very peculiar question and cannot well be answered, without, first inquiring: "What's the matter?" Have you had bad luck? or what are you suffering with? Probably he refers to the remarkable winter we have experienced and he is suffering with a severe cold. If the latter should be the case, we would refer him to the Rev. Mr. N. B. Grubb, of Schwenksville, Pa., who wrote us the following a few days ago: "It is now nearly two years since I commenced to use Dr. Bull's Cough Syrup in my family and I feel frank to say that it saved me many dollars for doctor bills. Our big and little children take it and it never failed to give relief and effect a cure. For Croup it cannot be over-valued. I have never been backward in recommending it to my friends and neighbors.

AYER'S
Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.
HORACE FAIRBROTHER."
Rockingham, VT., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GEDNEY."
159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Eyralia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.

DR. JOHN BULL'S
Smith's Tonic Syrup
FOR THE CURE OF
FEVER and AGUE
Or CHILLS and FEVER,
AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PERMANENT cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

BULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections.
