☞The Orphan's Court for Caroline county, will meet Tuesday, April 28th.

County and Peninsula.

.....The prospect for a good peach crop is bright.

.....The April term of Dorchester court begins next Monday.

.....Wanted—A correspondent in every district in the county.

.....Wheat continues to improve and a fair crop may yet be harvested.

.....Spring flowers are now blooming, but they are a month late this year.

.....This is a remarkable year—the peach buds have not been killed several times.

.....Note the sale of Carpenter's Tools in another column on Saturday next, 25th inst.

.....Delicious bread, biscuits and cakes can be made by using Drew's Yeast Powder. [A16-4w.

.....The aspirant for the post-office are looking a little pale, notwithstanding their efforts to keep up a cheerful countenance.

.....See the large sale of valuable real estate in another column of the late Thos. Beachamp to take place on Tuesday, May 19th, 1885.

.....Presiding elder, John Cox, will preach in the A. M. E. Church in this town on Friday evening next, 24th inst. The public are cordially invited.

.....On Sabbath afternoon last a number of larger boys of this place were engaged in sailing on the Choptank, thus showing their disregard for the Sabbath.

.....This promises to be another unprofitable season to Choptank fishermen. The catch of herring has been an improvement upon the last season, but shad have so far, been taken in smaller quantities.

.....Almost every Saturday night our town is full of half-grown, and full-grown white and colored people who are drunk, swearing and using indecent language on our streets to the disgust of all good, and refined citizens. Where are our authorities they do not take the matter in hand?

.....As a superb hair dressing and renovator Ayer's Hair Vigor is universally commended. It eradicates scurf and dandruff, cures all eruptions and itchings of the scalp, promotes the renewed growth of the hair, and surely prevents its fading or turning gray.

.....The festival held by the pupils in Davis' Hall, Federalsburg, on Friday and Saturday evenings netted the organ fund $28. A dramatic entertainment will be held at the end of the close of the schools, when it is expected the remainder will be raised to purchase an organ that will cost $100.

.....As spring opens there will be more or less items of interest happening in every neighborhood, if our readers in such locality will gather up the facts and send them to us we will put them into shape. Such items of news make a paper interesting, and persons in other localities are thus brought to know more of each other. Friends, send along the news.

.....We refer our readers to the large and attractive advertisement in to-day's issue of Wanamaker & Brown, Sixth & Marker Streets, Philadelphia. The reputation of this firm is world-wide, and comment is useless, but when any of our citizens visit Philadelphia they will do well to give them a call, as they are sure to go away well pleased with their investment.

.....The Trustees of the M. E. Church for this place met on Monday afternoon and an examination of the wall at the south end of the church, decided to ascertain the cost of tearing out and rebuilding the wall, as the first step to be taken toward repairs. The wall is regarded as unsafe and already measures are about to take shape to secure the town hall for Sabbath services, prayer and class meetings.

.....Rev. A. D. Davis, the new pastor on Frankford circuit, is conducting a successful revival at Houston, a county appointment. He is proving to the brethren that they can have a revival as well during corn planting as in fodder saving. This is characteristic of brother Davis, whose indefatigable efforts are well-known to the people here, where he labored so successfully for the past three years.

.....The Dorchester board of commissioners have entered suit against the bondsmen of Thos. F. Cox, of this county, who contracted to rebuild the bridge over Cambridge creek, and procured an advance payment of $500, and then failed to put in an appearance. Dorchester counsel has entered suit for $1,000 and the case has been removed to Talbot court, and will come up for trial at the May term.

.....Rev. T. O. Ayers filled his pulpit at the M. E. Church in this place on Sabbath morning and evening. He is becoming quite a favorite with his congregation, who are much pleased with his manner and style of delivery and his deportment in our midst. His sermons are clear and forcible and his thoughts presented in a matter of fact manner so that every listener is taught things of a spiritual nature from illustrations drawn from nature and visible objects.

.....In another column will be found a communication suggesting the name of Hon. Geo. M. Russum as the Republican nominee for Clerk of the Circuit Court for this county. Mr. Russum is an able lawyer and is well acquainted with the duties of this office, and we believe he would fill the position with credit to himself and to the people of Caroline county; and we also believe that the nomination of Mr. Russum to head the Republican ticket would be a strong one. We would be glad to have the views of others upon this subject.

.....Choptank, a village that has grown up around Medford's wharf, is growing in importance as a shipping point for fish, both in the spring and fall. There are more fish shipped from this place, it is thought, than from any other wharf on the river above Secretary.

.....The enervation and lassitude of spring time are but indications of the sluggish action of the blood, over-loaded with carbonates accumulated by the use of heating food in winter. This condition may be remedied by the use of Ayer's Sarsaparilla, the best blood purifier known.

Dr. Bristor in His New Church.

The Rev. Dr. George R. Bristor preached for the first time on Sunday in the Spring Valley, N. Y., Methodist Church, to which he was appointed. He made no reference to the trouble he had gone through, but told his hearers how to attain to a high standard of Christian graces. He preached without notes, and after the sermon the most of the members, of whom there are sixty-six in all, remained to shake hands with him. "The church," said one of the leading members, "is unanimous now in abiding by the act of the conference. We, in this little church, have not always been used to such preaching as he gave us today." The salary is $600 a year.

On the War Path.

Quite an excitement was created at Lewes, Del., on Wednesday last by the elopement of the wife of Robert Parsons with his nephew, Edward Parsons. As the flying couple were getting aboard the north bound train the infuriated husband came up with them and a desperate struggle ensued between him and his nephew, the wife having in the meantime made her way into the car. The young man succeeded after a while in falling his uncle to the ground and jumped on the train just as it moved away. The husband is a farm laborer about 30 and has one child left behind by his wife. The eloping couple are quite good looking and both about 21 years of age. They are said to have bought tickets for Philadelphia. —*Delaware Democrat.*

Launch of the New Steamer.

The Maryland Steamboat Company's new side-wheel steamer Joppa was successfully launched at Wilmington, Del., last week. The Joppa's lines of shape are very pretty and graceful. She has indications of being a fast-running boat. Her hull is made of iron, and draws only two and a half feet. She is of a light draught and when completed will probably not draw more than four and a half feet of water. Her length between the perpendiculars is 190 feet, and her whole length is 200 feet. She has a 31 feet moulded beam, a 5½ feet beam over guards and 10 feet depth of hold. She will have a vertical surface condensing walking-beam engine, the cylinder 40 inches in diameter and a 10-foot stroke. The gallows will be iron-framed. The saloon will be finished in combination of hard wood, and for attractiveness will excel that of any of the present river steamers. She will have fifty-six state-rooms —fifty on the promenade deck and three each on the main and hurricane decks. She will have 219 berths, of which sixty-five will be in the after and forty-eight in the forward cabins. It was supposed until Thursday last that she would be named after Mr. Ensign, but as in naming the Ida and the Avalon, he decided to withdraw his name and substitute the present one. The Joppa will be completed and delivered to the company May 10th. She will take the place of the Enoch Pratt, on the Choptank route, running alternate days with the Ida. She shows great promise of speed, and it is thought that she will be able to run with any of the bay steamers. The Enoch Pratt will take the Wicomico route.

For the Union.

A Crying Shame.

MR. EDITOR:—It is with feelings of almost absolute indignation that I claim a small space in your paper to express my feelings of contempt for those persons, who in the face of the law and against good government and good morals, with impunity violate the local option law of this county. Some of our own citizens, not having the terrors of the law before their eyes "put the bottle to their neighbor's lips and make them drunken." But frequently these parties are overtaken by the law and are made to suffer. But when a corporate company, with a floating bar-room on board, turn upon this community a stream of whiskey, as is done by the Maryland Steamboat Company every Sabbath day from the arrival of the steamer until Monday noon, it is time some action was taken upon the part of our law and order citizens to abate this nuisance. On Sunday afternoon and night last drunken men were seen realing around the steamer's wharf and in close proximity thereto, to the annoyance of peaceable citizens. At 10 o'clock on Sunday night a poor unfortunate who had imbibed too freely of intoxicants, was carried through the streets of Denton, uttering profane language and disturbing the quiet homes of peaceful citizens. There is a remedy for these things, and if this company have no regard for the morals of our people and will continue to afflict this community with their floating bar-room and the law itself fails to give the desired relief, the only alternative left will be that of the God-given right of every man to protect himself by uniting their efforts with others, and as one man, persistently refuse to patronize this company in any manner, either by freight or travel, and do all in their power either to break up this sale of whiskey in violation of law, or break down the company at this point by encouraging another boat, the officers and owners of which, will do what they can to promote order and sobriety in our midst. SIXTH DISTRICT.

The Season of the Shad.

Now comes the season of the shad,
When fishermen are jolly glad
And sheckels to their treasury add;
When boarders get them awful mad,
And utter words unlike "egad,"
At fraud with pins and needles clad,
The housewife looks her saddest sad
At eloquence of household "dad"
Wrestling with the o'ergrown scad,
He stabs his thorax awful bad;
And when she sees her little lad
All pierced as with a deadly brad
She wishes that for meal she'd had
Instead of that confounded shad
A bland but boneless liver-pad.

For the Union.

The Clerkship.

MR. EDITOR:—I see by the last *Union* that a vote is proposed of those who wish to obtain the nomination for Clerk of the Circuit Court that the uplifted hands of the Democrats are in the ascendency, and applicants are numerous enough to fill every office in the county, while the Republicans apparently seem to take no interest in the matter. It is now about time that the Republicans were showing their hand and looking around them for a suitable candidate. As a Republican voter, desiring the election of good and competent men to every county office, I would suggest the name of Hon. Geo. M. Russum to fill the office of Clerk of the Circuit Court. His ability and qualification for the place, no one acquainted with the man, can entertain a doubt. Familiar with the law; his legal attainments; his business habits; his popularity with people and his urbanity of manner, would make him potent and powerful with a majority of the voters of the county, and if elected, he would not favor any particular member of the bar with special favors to the prejudice of others of equal merit and of superior talent and ability. These reflections are presented for the consideration of others, so that after due thought, the Republicans may compare views, talk the matter over and unite upon a ticket that will lead them to victory.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including **Constipation, Indigestion, Dyspepsia, Headache, Dysentery,** and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.

W. L. PAGE, of W. L. Page & Bro."

Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable.

J. T. HAYES."

Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from *Atlanta, Ga.*, says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.

ORDER OF PUBLICATION.

Isaiah N. Eaton, Isaac H. Eaton, Curtis V. Eaton, James Mitchell and Milah A., his wife, Hollie Sargent, Annie V., his wife, Litha Jane Eaton, Venie Foote by Isaiah N. Eaton, her next friend, plaintiffs,

vs.

Kesiah F. Riley, John Lare, and Samuel Gourley, defendants.

THE OBJECT OF THIS SUIT is to procure a decree to set aside and cancel a certain alleged deed and bill of sale from Ezekiel Eaton to the said Kesiah F. Riley, dated each on the 17th day of May, 1884, conveying certain real estate and personal property of which the said Ezekiel Eaton was seized, and possessed described in the bill of complaint filed in this cause, and also a certain alleged deed from Kesiah F. Riley to the said Samuel Gourley, dated 23d day of August, 1884, for the same real estate, and that an account may be taken of the rents, issues and profits arising from said land described in said deeds, received by the said Kesiah F. Riley and the said Samuel Gourley respectively since the death of said Ezekiel Eaton, and that they may be decreed to pay the same unto the plaintiff.

The bill states that a certain Ezekiel Eaton was in his lifetime possessed of a certain real estate situate in the 5th Election District of Caroline county, Maryland, containing one hundred and thirty-seven acres of land, more or less, and of a large and valuable personal property; that being so thereof seized and possessed and sick in body and weak and feeble in mind and intellect, on the 17th day of May, 1884, was induced by the artful persuasion, management and undue influence of Kesiah F. Riley to execute a deed of all his said real estate and a bill of sale of all his said personal property to the said Kesiah F. Riley upon false, fraudulent and fictitious considerations and the sum of ten dollars.

That said deed and bill of sale never were delivered to the said Kesiah F. Riley; that Ezekiel Eaton departed this life on or about January 25th, 1884, leaving Isaiah N. Eaton, Isaac H. Eaton, Curtis V. Eaton, Milah A. Mitchell, wife of James Mitchell, Anna V. Sargent, wife of Hollie Sargent, Litha Jane Eaton, his children, and Venie Foote, a child of Mary E. Foote, a deceased daughter of said Ezekiel Eaton, his heirs at law. That since the death of said Ezekiel Eaton, the said Kesiah F. Riley undertook to convey said real estate to one Samuel Gourley upon a pretended, false and fictitious consideration.

That the plaintiff are informed and believe that the said John Lare claims to have purchased the said personal property from said Kesiah F. Riley, which claim is false and is asserted for the purpose of aiding and abetting said Kesiah F. Riley in cheating and defrauding the plaintiff.

The bill prays that the said deed and bill of sale aforesaid may be set aside and cancelled and for further and other relief.

It is therefore ordered that the plaintiff by causing a copy of this order to be inserted in some newspaper published in Caroline county, Maryland, once a week for four successive weeks, three months before the 19th day of August, 1885, give notice to the said absent defendant, Samuel Gourley, of the substance and object of this bill, and warn him to appear in this Honorable Court in person or by solicitor on or before the 25th day of August, 1885, to answer the premises and show cause, if any he has, why a decree ought not to pass as prayed.

DR. JOHN BULL'S

Smith's Tonic Syrup

FOR THE CURE OF

FEVER and AGUE

Or CHILLS and FEVER,

AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PERMANENT cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

BULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections.
