County and Peninsula.

.....Straw hats are in order.

.....The time for excursions is drawing near.

.....Memorial day falls on Saturday, 30th of May.

.....Amdursky has the only picture gallery in town.

.....Mr. B. G. Stevens we are glad to learn is able to be out again.

.....For a nice and cheap hanging and reflector lamp call at George & Redden.

.....Delicious bread, biscuits and cakes can be made by using Drew's Yeast Powder. [A16-4w.

.....To-morrow is the first day of May and all who are required to take out license will act wisely by doing so at once.

.....The warm weather will soon start the asparagus. Growers will be cutting in a week if this mild weather continues.

.....By the use of Buckingham's Dye, the whiskers may be easily made a permanent, natural brown, or black, as desired.

.....Eastford Hall, at Oxford, Md., will be sold at public sale on the 19th of May, Geo. M. Russum attorney for mortgagee.

.....The peach trees, under the last few days of hot sun and warm air, are showing their colors. It is said there will be a good crop.

.....The references given in the commission card of A. J. W. Stevens & Co., is sufficient evidence that it is a reliable enterprising firm. See adver.

.....After the next issue of the *Union* we will be able to give our readers more reading matter. For several weeks past we have been crowded with advertisements.

.....At the town election on Monday the same old board of commissioners were re-elected. Surely they must suit the people or they would have some opposition.

.....Mr. T. L. Chaffinch while fishing with a drift net near Potter's Landing on Thursday last caught a rock fish weighing 66 pounds. The catch of such large fish in the waters of the upper Choptank is a very rare occurrence.

.....Quantity in medicine is no indication of value. Ayer's Sarsaparilla is concentrated and powerful; requires a smaller dose, and is more effective, dose for dose, than any other Sarsaparilla. It is the best of all blood medicines.

.....They have a literal "house-top preacher" in Annapolis. He has a pulpit on top of his house from which he discourses every Sabbath morning. But he has the little contribution box low down at the door, all the same.

.....Mr. R. J. W. Garey requests us to state that he is not the author and had nothing to do with writing the communication in the last issue suggesting the name of Hon. Geo. M. Russum as the Republican nominee for Clerk of this county.

.....The warm sun for several days past has caused a number of persons to take the "spring fever," judging from the looks of some persons we see around the corners, hanging on boxes, or anything else on which they can get a lean.

.....There was another jail delivery at Georgetown last Friday night, it is said. The jails of Delaware do not amount to much in the way of punishment for prisoners. They only use them as stopping places until they get ready to run off on a picnic.

.....Samuel Amdursky's jewelry store is the centre of attraction at this time, as it is beautifully decorated with handsome silverware, chromos, albums, etc., together with a fine lot of watches and jewelry, which he is offering at rock-bottom prices. Drap in.

.....The *Kent News* says of Caroline politics: "Hon, P. W. Downes is named as a candidate for the democratic nomination for the Senate. For clerk Mr. Clinton Cook is named among others. For the republican nomination for clerk the latest name mentioned is that of Geo. M. Russum, Fsq."

.....We call the attention of our readers to the large double column advertisement of Mabley & Carew, Baltimore and Light Streets, Baltimore, Md. They are offering for the Spring season an immense stock of Men's Boy's and Children's Clothing, and Gent's Furnishing Goods at the very lowest prices, and any of our readers visiting the city will find it to their advantage to give them a call.

He Declines.

Hon. Geo. M. Russum requests us to state that he does not wish to be considered a candidate for Clerk of the Circuit Court. While entertaining the best of feelings for those who have so kindly mentioned his name with one of the most important offices in the county, he believes it to be his duty, as he has been before the people on several occasions, to decline a nomination at the approaching election.

Religious Services.

The first relgious public service ever held at the new Masonic Hall, recently built in this town were conducted on Sunday morning last, Rev. T. O. Ayers of the M. E. Church officiating. The members of his congregation believing the church to be in an unsafe condition have rented the Masonic Hall, and will hereafter hold all their services at this place until the repairs of the church are completed. We note this fact that in the future, coming generations may know when the first religious services were held in this Hall and who was the officiating clergyman.

Farmers Encouraged.

The warm weather of the present week has greatly improved the wheat prospect in Caroline, and though a full crop cannot now be expected in any event, farmers are in better spirits and hope to get enough out of the wheat crop to pay for fertilizers and tillage at least. Grass also is now making rapid growth, greatly to the relief of those who long since fed the last of their store of stock-feed. Fruit trees are blooming and the prospect for a good crop encouraging; corn ground is being rapidly prepared and some farmers are already planting, so that the farming outlook is vastly better than it was ten days ago.

Repairing the M. E. Church.

The rear wall of the M. E. Church being considered in an unsafe condition, arrangements were effected on Monday afternoon by the appointment of a committee of three persons, consisting of J. H. Emerson, Jas. Swann and Mrs. Warren, to solicit contributions sufficient to cover the expenses of tearing down the south wall of the church and rebuilding the same with a recess pulpit. The committee immediately set about the work entrusted to them and in less than twenty-four hours had raised between $200 and $300. The cost of repairs, after a careful estimate by competent builders is put down at $490. It is believed the whole sum will be raised before the close of the present week.

Great Injustice.

The communication which appeared in our last issue under the head of "A Crying Shame," has created no little excitement not only in our midst, but all along the Choptank, and has reached as far as Baltimore city. Now we do not want to be misunderstood in this matter, for we are as much opposed to the sale of intoxicating liquors as any citizen in this community, but at the same time we feel that the writer of this article has done the Maryland Steamboat Company great injustice in holding them responsible for the sale of intoxicating liquors in our midst. We know there is a great deal of whiskey dispensed in this local option community, and we also know that it does not all come from this company's steamers, and any one visiting the boats upon their arrival at our wharves can readily see for themselves the jugs and demijohns that are put ashore all the way up our river. We think our correspondent is a little too severe on this company, as they are not the ones to be held responsible for the sale of the deadly poison. The bars of each steamer rent at $1,000 annually, and the men who deal out the liquor should be responsible and not the company. We think from what we have learned this article will have a tendency to lessen the drunkenness in our midst, and that the Hon. Howard B. Ensign, the president of the company, will take the matter in hand, and if he cannot prevent the sale of rum in our midst, he will abandon the bars on all of his steamers. Our columns are open and free to any and all who wish to give their opinions on either side of this question.

HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: *the entire fulfilment of its promises.*

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

ORDER OF PUBLICATION.

Isaiah N. Eaton, Isaac H. Eaton, Curtis V. Eaton, James Mitchell and Milah A., his wife, Hollie Sargent, Annie V., his wife, Litha Jane Eaton, Venie Foote by Isaiah N. Eaton, her next friend, plaintiffs,

vs.

Kesiah F. Riley, John Lare, and Samuel Gourley, defendants.

THE OBJECT OF THIS SUIT is to procure a decree to set aside and cancel a certain alleged deed and bill of sale from Ezekiel Eaton to the said Kesiah F. Riley, dated each on the 17th day of May, 1884, conveying certain real estate and personal property of which the said Ezekiel Eaton was seized, and possessed described in the bill of complaint filed in this cause, and also a certain alleged deed from Kesiah F. Riley to the said Samuel Gourley, dated 23d day of August, 1884, for the same real estate, and that an account may be taken of the rents, issues and profits arising from said land described in said deeds, received by the said Kesiah F. Riley and the said Samuel Gourley respectively since the death of said Ezekiel Eaton, and that they may be decreed to pay the same unto the plaintiff.

The bill states that a certain Ezekiel Eaton was in his lifetime possessed of a certain real estate situate in the 5th Election District of Caroline county, Maryland, containing one hundred and thirty-seven acres of land, more or less, and of a large and valuable personal property; that being so thereof seized and possessed and sick in body and weak and feeble in mind and intellect, on the 17th day of May, 1884, was induced by the artful persuasion, management and undue influence of Kesiah F. Riley to execute a deed of all his said real estate and a bill of sale of all his said personal property to the said Kesiah F. Riley upon false, fraudulent and fictitious considerations and the sum of ten dollars.

That said deed and bill of sale never were delivered to the said Kesiah F. Riley; that Ezekiel Eaton departed this life on or about January 25th, 1884, leaving Isaiah N. Eaton, Isaac H. Eaton, Curtis V. Eaton, Milah A. Mitchell, wife of James Mitchell, Anna V. Sargent, wife of Hollie Sargent, Litha Jane Eaton, his children, and Venie Foote, a child of Mary E. Foote, a deceased daughter of said Ezekiel Eaton, his heirs at law. That since the death of said Ezekiel Eaton, the said Kesiah F. Riley undertook to convey said real estate to one Samuel Gourley upon a pretended, false and fictitious consideration.

That the plaintiff are informed and believe that the said John Lare claims to have purchased the said personal property from said Kesiah F. Riley, which claim is false and is asserted for the purpose of aiding and abetting said Kesiah F. Riley in cheating and defrauding the plaintiff.

The bill prays that the said deed and bill of sale aforesaid may be set aside and cancelled and for further and other relief.

It is therefore ordered that the plaintiff by causing a copy of this order to be inserted in some newspaper published in Caroline county, Maryland, once a week for four successive weeks, three months before the 15th day of August, 1885, give notice to the said absent defendant, Samuel Gourley, of the substance and object of this bill, and warn him to appear in this Honorable Court in person or by solicitor on or before the 25th day of August, 1885, to answer the premises and show cause, if any he has, why a decree ought not to pass as prayed.
