American Union

THURSDAY, Nov. 5, 1885.

☞The Orphan's Court for Caroline county, will meet Tuesday, Nov. 10th.

Caroline County.

The agony is over.

Frost.—For several mornings past heavy frosts have been noticed.

Mr. Hall, brother of Rev. S. D. Hall, spent several days in town this week.

What animal falls from the clouds Why don't you know? It's rain dear.

Query.—If a young man does anything his sweetheart asks him to do, is he guided or miss-guided?

Revival Services are now being conducted at various places all over the county.

Never praise your wife's bonnet unless you have enough money in your pocket to buy a dress to match it.

Be Careful.—This is the season most appropriate for a little serious reflection on the subject of overcoats.

Deceased.—We regret to learn of the death of Eli C. Gullett, a worthy citizen of Federalsburg.

Its no use th howl and bark and bray; ye defeated Democrats and pluggugly "Bolters" must go.

Election is over and if the county of Caroline can stand the result, the *Union* will try to do so.

Hard Winter.—Persons, who have studied and can read the signs of the times, predict an early and hard winter. Corn husks are unusually thick.

Change of Time.—The P. W. & B. trains are running under a new schedule. Mail train goes north at 7.22 A. M. from Ridgely.

Sale of Property.—In this issue will be seen the advertisements of a large and valuable stock of personal property by Samuel Griffin in Tuckahoe Neck.

A New Chapel.—A building committee has been appointed and preparations are being made for the erection of a P. E. Chapel at Houston's Branch.

Gipsies. A band of gipsies have located near town, in the woods opposite Miles Green's farm. They have several tents, wagons and some valuable horses.

Where is the Fraud!—The election returns show that 3114 votes were cast. That number is in excess of the total number registered. Obere is the fruad?

Sad Accident.—On Monday last Samuel Lure, of near Smithville, became accidentally caught in some of the machinery in the steam mill at that place and was crushed to death.

Entertainments.—Prof. Henry Adams and Harvey Correll, the blind man, gave interesting entertainments in Masonic Hall, Tuesday and Wednesday evenings.

Hard Times call for greater economy. If you visit Baltimore and desire to combine comfort with economy, stop at the "Maltby House."

Partial Victory.—The chilling winds of November are here and with them came the glorious and well-deserved partial victory of the Republican party.

Rev. T. O. Ayres, preached an interesting sermon, on Sunday last, in the M. E. Church, this town, taking as his text the word "and"

Levi Scott Manship, son of the Rev. Andrew Manship, of Philadelphia, died snddenly last week. Mr. Manship has the sympathy of many friends in this additional bereavement.

Photographs.—It is impossible to find a more lifelike, well finished photograph from an infant up, all sizes, at the lowest figures, than can be had at D. S. Lewis, Dover st., Easton, Md. 12 photographs for $4. [nov5-6mos.

Thanksgiving Entertianment.—The ladies of "Christ Church Guild," will hold their annual Thanksgiving entertainment at the Town Hall in which they will be assisted by the members of "St. Stephen's Guild," Houston's branch. Among the attractions will be the Cafe de la Capalanes, by Don Carlos Leon.

A Welcome Friend. After about five years of uninterrupted seperation, we have the unexpected but gratifying pleasure of again meeting our friend Prof. Jas. A. Congdon, of Washington, D. C. The professor is engaged in town giving instructions in penmanship to an intelligent class. A partial acquaintance with him creates a hungering and thirsting for his wonderful vocabulary and his pleasing manner of using the same.

A Sad Accident.

Harvey Zacharias, 17 years of age, son of Mr. Daniel Zacharias, met with a painful and fatal accident on Tuesday morning last. He was out gunning for squirrels, in company with Henry Porter. They saw a squirrel in a tree and went to opposite sides being seperated by only a few yards. Mr. Zacharias fired at the squirrel, which ran down the tree and Mr. Porter unfortionately discharged his gun at the squirrel when it reached a point in range with Mr. Zacharias, and the load took effect in his breast and abdomen. He was removed to his home and Dr. Betson immediate called, but the wound proved fate' He lingered until 8 o'clock on Wednesday morning and was conscious until a few hours before his death. He was a young man of excellent character, kind disposition and bright intelligence; and a favorite with all who knew him. His father and family have the deepest sympathy of all in thier sad bereavemed.

Funeral at the M. E. Chuch, Greensborough, to-day, (Thursday) at 3 o'clock P. M.

Strong Republican increase is shown by the result of Tuesday's election. HURRAH for Curry, Ernst, Towers, Wright and Whitaker.

Peninsular Items.

.....Centreville court began on Monday last.

.....Thirty states are represented at the Oxford Military school.

.....A three pound cannon ball was last week plowed up on Kent Island.

.....Wilmington is soon to be lighted with Edison's system of Electricity.

.....A ticket has at last been put in the field in Queen Anne's by the Republicans.

.....The new academy at Cambridge which cost nearly $5,000, caught fire last week and came near being destroyed.

.....A powerful protracted meeting is going on at Frankford, Rev. A. D. Davis pastor. About 40 or 50 persons have been converted.

.....Seaford, at last, is without a paper, Roop having retired from the field in disgust. It does not appear to be a healthy place for papers.

.....A few days ago the carriage broke down which was conveying the two ponderous persons of Revs. Charles Hill and J. Dare, but neither was seriously harmed.

.....The Denton UNION under editor Todd is manifesting a piquancy and force that may place it in the front ranks of Eastern Shore journalism.—*Smyrna Times.*

.....Samuel Reynolds, a well-known citizen of Smyrna, while working near his coal bins on Wednesday, suddenly dropped dead from heart disease. He was about 70 years of age.

.....Capt. Jno. Sipple and Thos. D. Burton who a few weeks ago cowhided Paris T. Carlisle, a prominent and wealthy citizen of Frederica, have each been indicted by the grand jury at Dover.

.....Kate Powell of Snow Hill, a young woman of respectable appearance and of good family connection, was lodged in jail at that place last week, being charged with committing a number of acts of larceny.

.....The report of the Cecil grand jury declares, that "after the examination of a large number of witnesses, at a heavy expense to the county, the jury finds it impossible to enforce the local option law as it now stands".

.....Mrs. Williamson, wife of ex-Sheriff Chas. Williamson, of Adamsville, has read the Old Testament scriptures through four times, and the New Testament scriptures through *forty-four* times to date. September 1st, 1885.

.....Miss Clara Waples, daughter of Gideon B. Waples, deceased, and niece of ex-Governor Ponder, of Milton, was married at the Protestant Episcopal church in that place, on Wednesday, the 21st inst., to Theodore Carey, of the city of Philadelphia.

.....Mr. John B. McNeal of Talbot county, has, by his counsel Chas. H. Gibson, sued Mr. E. T. Benson for libel. The foundation of the action is the assertion by Mr. Benson that the Democrats had bought Mr. McNeal for $400 to work for Democracy.

.....The Smyrna *Times* says that Chas. Robinson, colored, who is accused of attempting an outrage on the person of Mrs. Orson Gardner, of Blackbird hundred, has been arrested by a man named Bradley, near Centreville, Md. The prisoner is in jail here.

.....Wednesday morning Wm. Tatnall president of the New Castle County Mutual Insurance company entered the office and took a seat, and in a few minutes the clerk heard him gasping, and took hold of him and laid him down, and physicians were summoned, but life was extinct. Death from heart disease.

.....The Methodist parsonage at Gumborough was destroyed by fire on Tuesday night, of last week, about 12 o'clock. Nearly all the furniture was destroyed. The pastor, Rev. W F. Corkran, lost his whole library, inclu includdg his sermons. It is thought the fire originated in the cook house from a box of ashes.—*Gazette.*

.....One of the Short brothers, who disappeared from Kenton October 21, returned just one week after his absence in a deplorable condition. The other was found near Cox's station in Maryland, so weak from want of food that he could not proceed further. They were weakmunded and dumb. Hence their strange disappearance.

.....Wm. T. Warbutton, an old and very prominent citizen of the ninth district of Cecil county, died on Wednesday of typhoid fever at his residence near Bayview. He was in his 77th year, and had always been a hardy and active man, never having had a days sickness during twenty years. He was a son of the late Rev. Thomas Warbutton, a well known local preacher of the Methodist church.

.....Wm. Hunt, of Greenwich, England courted Nellie Shrudwick of the same country, for seven years. Three years ago he came to this country to better himself, and found employment in Middletown. Two weeks ago his sweetheart "came over" and soon joined her old lover at Middletown. On Tuesday afternoon, after a courtship mostly by letter for ten years, they were made one in St. Anne's P. E. Church of the town.

.....An exchange has the following, and it hits the nail square an the head: "Reporters and newspaper writers are often blamed for saying too much, whereas what they do say is but a 'drop in the bucket' of what they are told but do not repeat. Everybody with an 'axe to grind,' an enemy to disparage, or an animosity to gratify, pours his tale into the reporter's ear with the hope that the same will be published. If every information that leaks into a newspaper office should be published you would see very lively times—in fact a sheol of a time."

.....The season for mince pie is approaching. Do you like the fermented or unfermented kind?—*Smyrna Times.* Those without fermented juice are like the play of Hamlet with the Prince omitted.—*Milford News and Advertiser.* We have pondered as to which kind we will take and have decided to take that kind which has in it a little "oil of joy." And while we are in theory and practice a good-templar, we offer in justification, their excuse: that we simply pledged ourselves not to drink intoxicants; nothing was said about eating it.

.....George M. Ball, a young man of eighteen years, has been accustomed to drink, while milking night and morning, a quantity of warm milk. A few mornings since he failed to take the accustomed draught, something came up in his throat choking him and he fell over senseless. A son of Mr. Perry was surprised to see a snake's head protruding from Mr. Ball's mouth but on attempting to seize it, the serpent retreated down his throat. A powerful emetic was administered and in a short time the young man vomited up a "nooked adder," two feet eight inches long, and about as thick as two fingers of a man's hand.

B. F. Ferguson, Esq., King's Bridge, Pa., says he had been using Powell's Fertilizers for the past six years, and they have given entire satisfaction. He has used more of the Prepared Chemicals then any other brand because they pay better, and never fail to give a good crop of clover. Tested with high priced fertilizers they have yielded as much grain and given a much better set of grass to follow. Brown Chemical Co. manufacturers, Baltimore, Md.

OBITUARY.

Jane M., beloved wife of Purnell Fleetwood passed peacefully away, on the morning of the 15th of October, 1885, aged 63 years, after a long and painful illness, which she bore with true christian fortitude constantly praying for patience to be reconciled to the will of the Lord. Although she was demonstrative, she showed forth in her daily life, the true christian graces; being always ready and willing to relieve the sich and needy, and preferring the comfort and happiness of others, to that of herself. She was a true, devoted wife, a patient, loving, kind and sympathetic friend; and we know she is safe in the arms of Jesus, on whom she called in her last moments. Yes, dear wife, dear mother, dear grandmother, although we were disappointed in our reunion here, we will endeavor by the grace of God, to be reunited in Heaven.

WHAT'S the USE!

What's the use of croaking about "hard times" and scarcity of money? Money is as plentiful as ever, and it only needs some incentive to cause its circulation.

Like the blood, if allowed to congeal, it must necessarily cease to circulate. Business has been allowed to congeal on account of general inactivity; and the country feels the depression the same as the human system.

All that is needed, is a remedy to promote the circulation of the life sustaining fluid, which is alike applicable to the business as well as human life; and returning health will soon manifest itself and the patient grow strong and vigorous. What's the use of palid check? Aching head, and dishevelled hair, pondering over pages of disaster produced by the imaginations of a mind ill at ease; it is simply "bosh" and of no effect, and should not be entertained and fostered by any business man, in the country; but while the remedy is at hand, it should always be applied and that speedily, ere the disease assumes malignant form. We have used the remedy, and can speak knowingly of its great efficacy; and we now use it as a preventive to future attack, and whenever we experience a feeling of business despondency, we immediately resort to the great remedy "Push" and at once banish its evil effects, by placing before the public Calicoes at 3, Ginghams 5c, Flannels 12½ c, Ladies Jersey's 50, and a beautiful line of ladies Dress Goods from 12½c to $3.00 per yd; Embracing all the latest novelties to the present date.

New and beautiful designs in Dress Trimming, "Feather Trimming" and "Moss Trimming" also the different shades in Worsted Laces.

Carpets, a splendid article for 25c per yd., better grades 40, 50, 75, 85, $1.00 beautiful patterns in Brussels 75c.

Ladies wraps of every fabric perfectly astounding in prices.

Ready-made Clothing for Men, Boys Youths, 25 per cent less than ever offered before in this market.

What's the use "of grumbling about hardtimes" when our house is always crowded with customers, purchasing goods at the above low figures.

We have inaugurated better times within the scope of our business, and we do not intend to harbor for a moment, an idea as dull times. Come see us, and be convinced. Public's obedient servant.

AUTUMN!

We are admonished of the approach of this season by the appearance of all Nature. The beautiful groves which a few months ago were adorned with a lovely folinge of green, now have assumed a different garb, and present an aspect pleasant to behold, but full of warning. Mother earth with carpet of velvet, shows a care-worn appearance, and is slowly laying aside her summer covering, preparing for the chilly blasts of winter. Man is also admonished by the approach of winter to prepare himself to combat with the icy monster and must necessarily lay off his summer apparel, and cover himself with clothing necessary to preserve the required warmth of body and while doing this he is also admonished that Charles H. Leonard, two doors south of Dover Street, Easton, Md., has all the requisites for the comfort of man in this particular, and would most respectfully invite the citizens of Caroline when visiting Easton to call and see him. Clothing in all its branches and prices guaranteed to suit in every particular.
