To The Memory of Mrs. Webster.

The Official Board of the M. E. Church, unanimously adopted the following resolution on Wednesday of last week:

The invincible enemy of fallen humanity, death, has again invaded our town, and wrenched from the community and from our church and from her home and loved ones our dear Sister Webster, wife of our beloved pastor, Rev. Zack. H. Webster, thus putting to rest the form, and quieting the hands, so often seen endeavoring to alleviate and make tolerable the sorrows and infirmities of others, but the rich mellowness of her voice as she supplicated the Throne of Divine Grace, appealed to the unconverted to flee the wrath to come, or told of her abiding faith and hope in God in the public service still lingers in our ears never to be forgotten; the community, the church, the family, have sustained an irreparable loss, and our prayer to the Great Healer of all sorrow is that the seed sown by our lamented sister may yield to the church she loved and to the Kingdom of our God a splendid harvest of immortal souls; we commend our beloved pastor and his children in this their great bereavement to Him Whom he knows so well and to Whom he has so often pointed others in the days of their sore trouble, assuring him of the heartfelt sympathy and prayers of his church that his work and life and the lives of his bereaved children may prosper in the hands of the Lord till the day when they and we and all the redeemed of the Lord shall join our sister in the kingdom of endless bliss in Heaven

Caroline Council, No 175, Jr. O. U. A. M., passed the following resolutions:

WHEREAS, It has pleased the Great Councilor of the universe in His infinite wisdom to send the Angel of Death into the home of our brother, Rev. Z. H. Webster, which has borne away, as its victim, the wife and mother of the home from her place among the living, to the realms of eternal day, be it therefore

Resolved, That we the members of Caroline Council, No. 175, Junior Order United American Mechanics, sadly deplore this great loss to our brother, and extend to him and his family our profoundest sympathy in this their time of mourning.

Resolved further, That a copy of these resolutions be sent to our brother, that they be spread upon the minutes of the Council, and that we cause them to be published in the papers of the town.

Resolutions of Respect.

WHEREAS, we the members of the Board of Commissioners of Ridgely, have heard with profound regret and sorrow of the death of the president of this board, Mr. Sylvester Smith, and, whereas, we his associates desire to express our high appreciation of the valuable services he had rendered as a member and in the capacity of president of the board, as also the integrity and faithfulness which marked his conduct in every sphere of life, and his devotion to and earnest zeal for the interests of Ridgely, which he was ever ready to promote by his energy and wise counsel, therefore, be it

Resolved, That the Board of Commissioners of Ridgely, in the death of Sylvester Smith, its honored president, loses one of its most useful and capable members and our town one of its most esteemed and valuable citizens.

Resolved, That copies of these resolutions be sent to the family of the deceased, they be published in the county papers and inscribed in the minutes of the board.

Steamer "Favorite's" Mishap.

The steamer "Favorite," bound for Baltimore went ashore in New York bay last Friday. The steamer is to be delivered to the Queen Anne's Railroad Company and is to be used between Baltimore and Queenstown, taking the place of the B. S. Ford. The "Favorite" is 129 feet long, 29 feet beam and 9½ feet depth of hold. The steamer has been used in the excursion business and was built in 1894. A tug was sent out and took the steamer off. This boat is a twin screw steamer and is thought to be some faster than the Ford. The lease of the ford expires this week, hence the purchase of this boat, hopping thereby to give the public better accommodations in the future.

To morrow the company will transfer its business from pier 7½ to 9½ Light street. At the same time the general freight office and passenger agent will be removed from Queenstown to their Baltimore pier.

The case of the State against Chas. Veasey and Eugene Jefferson, colored, indicted for the murder of Michael Donovan in Elkton, removed to this county, is now on trial. State's Attorney Evans, of Cecil will be assisted by Fred. T. Haines, of Elkton, and State's Attorney Deweese, of this county. The defense will be conducted by Albert Constable, Jr., and Heister Hess, of Elkton, and ex-Judge Russum, of this county. The case is expected to occupy several days.

Witnesses to the Grand Jury in the case of M. W. Wright were before that body on Tuesday and Wednesday but up to the hour of going to press the result of their investigation is unknown. If an indictment is found the case will probably not be tried until next week.

THE PEACHES KILLED.

The peach crop outlook for this county, and the Peninsula also, is very discouraging to fruit growers. One week ago prospects for a large crop were never better. The trees were loaded with blossoms and had one-half of them escaped the blight, the crop then would have been large. The rain Saturday night, ice and frost Sunday night, and rain and snow Tuesday morning, is said to have almost sealed their doom. Mr. J. W. Kerr, who has made the peach a specialty, thinks there is not the slightest chance for a quarter of a crop. He says he has examined the buds at different times and up to Friday last they were in a healthy condition. Tuesday morning Mr. Kerr made an examination of some trees and said he found 24 buds out 25 killed. He says there may be some buds that have not advanced far enough to be injured, but they are few and far between. It will be several day yet before a definite conclusion can be obtained, but from Mr. Kerr's large experience along this line, and his excellent judgment will be considered a safe prediction to be governed by

Dr. Kelley, of Preston, said on Tuesday, that his father made an examination of his orchard and thought he would get a small crop at least.

Ex-Speaker McMullen, of State Road, said to an Every Evening reporter, as a correspondent of the Agricultural Bureau, he is accustomed to keep informed of crop prospects. He found a pear tree, broke off a small branch containing half a dozen bunches of buds. In each of the little groups of buds was a ball of snow, reminding one of a stone in a setting. Close examination of the buds indicate that they were frozen and in a number of instances he noticed a blight on the stems, and believes the effect will be the same on most of the fruit trees throughout the State. He was asked the result of such a storm on the fruit crop. "My opinion is it will be almost a total loss—almost a total destruction except perhaps the apples. There are certain varieties of the apples not far enough advanced for this storm to injure. If it had not been freezing temperature, the snow itself might not have been so disasterous. The mild weather we had in March is unprecedented. It advanced the fruit. I never remember of the bloom being so far advanced at this time of the year. The money loss will be immense on this Peninsula."

A Briddgeville correspondent says the trees were literally covered with buds. Farmers say they do not remember when there were so many on the trees. The frosts have virtually been a thinning out process, and it is not to be regretted unless the thinning out continues until all the buds are destroyed.

Peach growers in the vicinity of Laurel, Del., say that one-fourth of the peaches were killed by the frost Tuesday morning.

Reassigning of M. E. Ministers.

The refusal of the Laurel Methodists to accept the Rev. D. H. Corkran as its pastor, has made more difficult Bishop Newman's task of readjusting some of the ministerial assignments. The bishop and elders are in communications daily, and peace will be restored as soon as possible. To settle the difficulty at Laurel it may be necessary to transfer Mr. Corkran to the Southern California Conference, in exchange for the Rev. C. C. McLane, in which event Mr. Corkran would probably become pastor at Los Angeles, or make another exchange. Mr. Corkran was offered, two weeks ago, a transfer to the Southern California Conference, but declined it. It is not known at present who would ...y be transferred from this con... in the event of another ex... ...ge having to be made. Whether or not Mr. McLane is acceptable to Pocomoke City, and Mr. Valiant to Federalsburg, has not been stated.
