There is also Greensboro town property and lots adjoining the town. Base Ball at Denton.

On Saturday afternoon the Denton Base Ball Club played a picked nine from Greensboro, Burrsville, Hobbs and Hickmantown. The teams were evenly matched and put up a good game; both sides showing no little science during the game. From the start the home team had the advantage until the fifth inning, when the visiting team made some good plays and brough the score one ahead of our boys. All went well untill the last inning when a dispute arose over of counting a man out on third base. Here each side contended for their rights and insisted that nothing else would do. The visiting team had their nine innings at the bat and the home team were having theirs when the dispute arose. At that time the score stood six to seven in favor of the out-of-town boyswith two out and two men on bases. As nothing short of another game will decide the better team of the two, we hope it will be played over again at an early date.

Murder in Cecil County.

The murder of Joshua Miller Wednesday night last while he was asleep in his home, near Elkton, in Cecil county, by some unknown person has created much excitement in the neighborhood. Miller, who was a bachelor, lived alone in a one-story frame dwelling, which he had recently built from his earnings. He was seventy-seven years of age, and worked at chopping wood and coaling for a livelihood. He was a sober and industrious man, who by steady habits had managed to accumulate a a considerable sum of money. Geo. P. Hardgraves was arrested Saturday night by Constable George T. Murry and brought to Elkton jail by Sheriff J. Ross Conoly on suspicion of being implicated in the murder. Hardgraves made no resistance when taken into custody and was apparently unconcerned, as he did not even inquire as to the cause of his arrest. The prisoner's lavish use of money in the town of Northeast on Thursday morning, the day after the murder was supposed to have been committed, was the occasion of considerable talk. He visited several stores and paid bills of two years' standing. He said he had been acquainted with the murdered man and was aware that he possessed money. The prisoner is about 25 years of age.

A Remarkable Colored Man.

Sampson Harmon the original of the leading characters in George Alfred Townsend's novel, "The Entailed Hat," died near Snow Hill Sunday. He claimed to be 119 years old, and the oldest inhabitant of Worchester county agrees that he was over a hundred. Sampson had an iron constitution. He was swift on foot and delighted to run down rabbits until he was fifty years old. He could outrun most dogs, and many years ago led a pack of hounds in a deer chase. His bed was a cot with a wide board for the bottom, and it is said he used it so often as a resting place that his entire figure was worn in it so as to be visible.

Who got the Beer?

The 133 bottles of beer, gin and whisky which was found in a house in Chestertown were stolen Sunday night! A clasp on the door was pried off and the thief or thieves had little trouble in finding the drinkables. The temptation was too great for some lover of ice-cold beer and somebody evidently had a mess.—Kent News.

The glorious rain of Tuesday was hailed with great joy by everybody. It was worth a dollar a drop.—Kent News

When water is worth a dollar a drop our contemporary can't blame the boys for taking something to slake their thirst.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land that is not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarsness and all diseases of the Throat Chest and Lungs are surely cured by it. Call on George & Redden, druggists, and get a trial bottle free. Regular size 50c. and $1. Every bottle guaranteed, or price refunded. 3

Our 50 cent Dollars.

A rather interesting question has arisen in regard to the payment of troops, at Santiago. A telegram has been received from Gen. Shafter, requesting that gold and paper be sent to Santiago, as the tradesman there refused to accept American silver dollars at their par value and rate them at 50 cents on the dollar like Mexican dollars and dollars of South Americans countries. It was Paymaster Gen. Stanton's intention to send as little silver as possible, confining it mostly to subsidiary coin for the purpose of making change, on account of greater convenience to take gold and paper, and he will continue to do so.

Considerable indignation is expressed that American money of any kind is discounted, and a suggestion has been made to the Secretary of War that any tradesman who refuses to accept United States money of any kind at 100 cents on the dollar should be removed from any territory over which the American flag floats.

It is not known that any orders will be sent to Gen. Shafter on the subject, although the suggestion has been made that American money should not be allowed to be questioned by the countries occupied by United States troops. The supposition is that refusal to accept silver dollars is the result of the long use of the silver of Mexico and the South American countries, which have never passed for more than half its face value.

A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try who has a Lame Back and Weak Kidneys, Malaria or Nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulent to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures Constipation, Headache, Fainting Spells, Sleeplessness and Melancholy, It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at George & Redden's Drug Store.
