Deaths in the County.

Mrs. Manie E. Noble. wife of Dr. Jacob L. Noble, died suddenly at their home, in Preston, on Tuesday of last week, of heart trouble. She was apparently in the best of health and her death was very unexpected. She was a daughter of the late Judge and Mrs. Levi D. Travers, of Taylor's Island. Besides her husband, she is survived by ten children, among whom are Judge of the Orphans' Court, Lee D. T. Noble, and Duncan L. Noble, both of Taylor's Island. There are also two other sons, William and John, and six daughters, three of whom are married and three are single. In addition to these she also leaves one brother, Mr. Levi D. Travers, and one sister, Mrs. Daniel B. Prettyman. both of Taylor's Island. Dr. and Mrs. Noble have long been residents of the town of Preston, and the family has the deepest sympathy of the entire community.

Miss Emma Collison, a highly esteemed and well known lady of Tuckahoe Neck, aged sixty-one years, died at the home of her brother-in-law Mr. L. Frank Bloxom on Thursday morning. She had been suffering for some time from the effects of a stroke of paralysis, and her health has steadily failed until the end came. The funeral was at the late home on Saturday Rev. H. A. G. Westerfield and Rev. J. G. Gantt officiating. The deceased was a daughter of the late George W. Collison, and from childhood took an active part in the Sunday school and church work of Harris Chapel. Her loss will be felt by a large circle of devoted friends.

Mr. George Plumer, a farmer residing near Greensboro, died suddenly on Sunday morning of heart trouble. His wife called him when it was time to get up and he started to get out of the bed but fell back and expired almost instantly. Mr. Plumer will be remembered by many of our citizens as the contractor who tore down the old court house just before operations were begun on the new one.

Generations of Wise Men.

One of the most notable christening parties ever held at Dover was that of James Wise, IV, who was baptized by his grandfather, Rev. Alfred Smith, in Dover, recently. The little fellow was brought from New York, where he was born, his parents intending to make a visit of a few days. While in Dover, the idea was conceived to have all four James Wises present at one time and have the youngest given his name by church rites. Accordingly, the baptism was arranged and, standing up with the little New Yorker were "Judge" James Wise, I, of Dover; James Wise, II, also a prominent citizen of Dover and in whose home the baptism took place; James Wise, III, the father, who is a New York druggist, and the little principal of the ceremony, James Wise, IV, son of James Wise, III, and Mary (Smith) Wise. Even the baby seemed to like the novelty of the affair and smiled while a photographer snapped the unusual scene.—Dover News.

The horses became frightened and started to run through a gate which they were facing. Mr. Slacum's head was thrown against the gate post, knocking out three teeth and loosening four others. The prints of seven teeth can still be seen in the post. The clothing which was holding his body then gave way he dropped to the ground and one of the wagon wheels passed over him. His face was badly cut and Dr. Jefferson, of Federalsburg, who was called in took several stitches to close the wounds. He is reported as doing very nicely but will be unable to work for some time.

VOTES FOR WOMEN.

We are requested to publish the following for the cause of Woman's Suffrage:

The cause of "Votes for Women" is growing rapidly. Two very successful Eastern Shore meetings were held last week, one in Chestertown and one in Elkton. In Chestertown a committee headed by Mrs. Herbert E. Perkins, will look after equal suffrage interests. In Elkton the Just Goverment League of Cecil County was formed, with Mrs. Wm. J. Miller president, Miss Mary H. Jamar, vice president, and Miss Ella C. Lewis, secretary and treasurer.

When the National Democratic Convention meets in Baltimore the Maryland Suffragists place a monster parade. Every sympathizer who can go up from the Eastern Shore is urged to do so. This will be Baltimore's big time, and it will pay women and men to be part of it, and it will especially be worth while for suffragists to be on hand. All who can go for the suffrage parade please communicate with Mrs. Nannie Melvin, Denton, Md., without delay. Write on your postal or in your letter "I will march in the big parade," or if you cannot go and march, will you contribute some sum to the expenses of parade and to support the cause of Votes for Women? Then write "I contribute —— to cause of Votes for Women," enclosing check, postal money order, or stamps.

PLAIN QUESTIONS TO DENTON PEOPLE.

Every Denton Reader Will Admit the Soundness of the Logic.

Would Denton people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader.

Mrs. J. R. Tull, Third St., Denton, Md., says:

"I have every reason to hold Doan's Kidney Pills in high esteem. Before beginning their use three years ago, I frequently suffered from atnacks of kidney complaint keeping me in a state of depression. Any over-exertion or a slight cold was all that was necessary to make my back ache, these attacks lasting for days. Doan's Kidney Pills soon cured every symptom of this complaint and since then I have never hesitated to give my name in their praise."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

97 PER CENT. PERFECT.

AN UNUSUAL RECORD FOR A PILE REMEDY.

When Dr. J. S. Leonhardt, of Lincoln, Nebr., located the cause of piles and found a successful inward remedy for piles, he had it put on sale under a strict guaranty of satisfaction. In ten years only 3 per cent. HEM-ROID users have asked for their money back, and it speaks well for this scientific modern remedy. Get a guaranteed $1 package from C. H. Redden or any druggist, or write to Dr. Leonhart Co., Station B. Buffalo, N. Y., for HEM-ROID booklet.

Help A Judge In Bad Fix.

Justice Eli Cherry, of Gills Mills, Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve, and was completely cured." Cures burns, boils, ulcers, cuts, bruises and piles. 25 cents at all druggists.
