Mr. Jonathan Evitts Dead.

A telegram to Mr. L. B. Towers yesterday announced the death of Mr. Jonathan Evitts, of this place, at the home of his daughter, Mrs. Charles G. Griffin, in New York, at 8 o'clock a. m. The remains will be shipped to his home here and the funeral will probably take place tomorrow. Mr. Evitts was born in this county and lived in and near Denton most of his life. He was seventy-seven years of age and had been in poor health for several months. He was a life-long Republican and was twice sheriff of the county, and was also notary public at one time. He was a man of excellent mechanical ideas and judgment, and superintended much of the street and road improvements in and around Denton. For a number of years he was in the hardware business, and has continued to handle farm machinery since retiring as a hardware dealer. He leaves a large circle of friends and acquaintances in the town and county by whom he was highly esteemed.

Mrs. Mary F. Jarman, wife of Thomas H. Jarman, of Greensboro, died at her home in that town on May 20th. Mrs. Jarman was in her usual health on Sunday, attending church, and on Monday evening the meeting of the Ladies Aid Society, was held at her home and she participated in and enjoyed the exercises of the evening. Upon retiring she complained of indigestion but thought her trouble was not serious enough to call a physician. After being unable to sleep for several hours the doctor was called, but did not find any alarming symptoms. He proceeded to prepare a prescription but before he had administered any of the medicine she suddenly grew worse and expired.

Mrs. Jarman was a most excellent christian woman, who for a lifetime has labored zealously in all departments of church work. For years with her esteemed husband they were familiar attendants at all the camp meetings, assisting with the singing and whatever their hands found to do. From a well spent life she has gone to her reward and her loss will be felt by an unusually large circle of friends.

Best Medicine for Colds.

When a druggist recommends a remedy for colds, throat and lung troubles, you can feel sure that he knows what he is talking about. C. Lower, Druggist, of Marion, Ohio, writes of Dr. King's New Discovery: "I know Dr. Kings King's New Discovery is the best throat and lung medicine I sell. It cured my wife of a severe bronchial cold after all other remedies failed." It will do the same for you if you are suffering with a cold or any bronchial, throat or lung cough. Keep a bottle on hand all the time for every one in the family to use. It is a home doctor. Price 50c and $1.00. Guaranteed by All Druggists.

Why Chautauqua Should Be Attended.

Because in no other way can we obtain so much pleasure, entertainment and information at so little cost.

Because our citizens want the best, need the best, deserve the best of all good things.

Because it gives us the means of keeping in touch with the progress of the age and the trend of human thought.

Because, working hand-in-hand with church and school, it is today one of the most helpful and inspiring educational movements of the age.

Because in no other way is it possible for most of us to see, hear and know the wits, poets, humorists, entertainers, interpreters, philosophers statesmen and orators of the day.

Because it inspires men to a greater and better manhood, women to a nobler and sweeter womanhood, and young people to grander effort.

Because it is better to bring the good things of the world to your own door, where your neighbor may also enjoy than to selfishly seek them elsewhere.

Will be in Denton one week, from June 1 to June 8.

A story entitled "American Girls Who Are Near Famous Thrones" is one of the several interesting features to be found in this issue. It is well worth reading.

High School Notes.

As the people of Denton and vicinity have been very kind in patronizing the school affairs during the year, we feel they should know just what money has been received and for what it has been expended since a statement was rendered in the UNION of April, 1912.

It may seem that the school makes many calls for money. It really does do this. Yet, the call is made to get those things for the school that we think will be of advantage to the pupils for whom the school exists.

We heartily thank the patrons for their active co-operation.
