If a substitute is offered you for Foley Kidney Pills, it means a cheaper medicine is pressed upon you for the dealer's profit, not for yours. Foley Kidney Pills may cost the dealer more than a cheap substitute, but they give better results than any other kidney and bladder medicine. Ask for Foley Kidney Pills. For sale by C. H. Redden, Denton Md., and A. L. Duffey, Hillsboro Md.

Commodore Doerr, of Williston, Commodore of the Farragut Yacht Club, of Camden, N. J., with a company of friends from Denton, on board the Commodore's Yacht Senica, is attending the regatta at Oxford and Cambridge. The Commodore is quite a yachtsman and will no doubt enjoy the sport exceedingly.

With the transfer of the stock of our telephone company to the C. & P. Co., the Farmers' & Merchants is no more. The big company is a part of the great American Telephone and Telegraph Company which owns a majority of all the lines in the country. The stock issue of this great company is said to be $318,000,000.

Rushing into a field where her 5-year-old son was being attacked by an infuriated bull, Mrs. David Banning, living near Seaford, was gored nearly to death by the animal and her recovery is doubtful. The bull made its attack as Mrs. Banning and her child were crossing the pasture. The mother jumped between the two and a terrible battle ensued, the woman finally saved her child, but at grave risk of her own life. The enraged animal gored her in the right side, tearing a gash 10 inches long and breaking one of her ribs.

At a meeting of the stockholders of the Peninsular Light & Power Company on Monday, Mr. T. Pliny Fisher was made President and Manager for the ensuing year. Mr. G. C. Skirven is retained as Secretary and Treasurer and their offices will be in the office building occupied by Mr. Fisher. The company has lately taken over the lighting of the town of Hillsboro, and almost every new residence built in the four towns supplied by the company, is being equipped with electric lights. The duties are not altogether unfamiliar to Mr. Fisher as he has acted as President of the company before and with marked success, hence his re-election.

This is Your Town and it is What You Make it.

What makes a town? People and business. You are one of the people What you buy helps make the business. The more you buy the better the business; the more business the better the town.

You want the town to grow and improve, don't you? Then you should help it to grow by increasing its business as much as you can. Every time you send elsewhere for goods you give your town a blow. Enough of these blows will ultimately kill the town.

The mail order houses do nothing for your town except try to kill it. Are you helping them? You are if you send your money to them for goods that you could buy at home. If you are more interested in the growth of Chicago or New York than you are in the prosperity of your own town, your own neighbors then continue to send to mail order houses for goods. If you want your own town to thrive spend your money where you make it.—Holland.

Prisoner Escapes.

Richard Kirby, colored, aged about 25 years, who was serving a sentence of 10 years in the New Castle county work house, having been convicted about two years ago on the charge of manslaughter, escaped from that institution late on Tuesday afternoon, of last week, and has not been recaptured, although the workhouse authorities and the police have made a thorough search for him. He made his escape while working in the workhouse quarry. He and 21 other convicts, all short term prisoners, except Kirby, were working in the quarry with two guards over them, when Kirby, in some unknown manner, managed to elude the guards. Just how far he was away when the guards missed him is not known, but he was not seen by the guards after they found that he had escaped.

Kirby's father lives in Denton and before getting into this trouble young Kirby made his home here working for farmers near town. He left Denton with a number of other young colored men for Smyrna some time before he got into the scrap in Delaware.

Rheumatism And The Heart.

Don't overlook the grave fact that rheumatism easily "settles in the heart," and disturbs the valvular action. The cure consists in removing the cause. Foley Kidney Pills so tone up and strengthen the kidneys that they keep the blood free of poisons and nric acid crystals, that cause rheumatism, swollen joints, backache, urinary irregularties and disturbed heart action. Try them. Sold by A. L. Duffey, Hillsboro Md., and C. H. Redden, Denton Md.

Horticultural Summer Meeting.

A joint summer meeting of the Maryland State Horticultural Society and The Peninsula Horticultural Society will be held at Berlin, Md., July 31, 1913. The members of the societies will be the guests of the firm of J. G. Harrison & Sons of that place. These societies join with the firm in extending an invitation to all fruit growers or farmers who are interested in fruit growing to attend this meeting. The object of summer meetings is to enable the members to observe practical operations in horticulture.

The firm of J. G. Harrison & Sons conduct one of the largest nurseries in this country, as their plantings extend over 2500 acres of land, located around Berlin. In addition, the firm is planting out large orchards in this vicinity, covering more than 10,000 peach trees in bearing, some varieties of which will be ripe at the time of this meeting. The Brown Rot has been very serious in this orchard this season, and it is only by persistent effort that the fruit has been saved. The spraying has been in charge of an expert from the School of Horticuiture, Maryland Agricultural College, with a view of demonstrating how a crop can be saved by employing proper method control and watching the orchard carefully. The School of Horticulture is conducting some fertilizer tests in this orchard, and expects to give a fruit packing demonstration there for the benefit of visitors who attend meetings.

A fruit grower or farmer can then well afford to attend this meeting, as there will be much of interest and education that he can observe during the day.

Obey that impulse to-day and give them a chance to help you. Sold by A. L. Duffey, Hillsboro Md., and C. H. Redden Denton Md.

Concrete the Coming Road.

The State Road Commission, through Chairman Weller, has been investigating concrete roads, and the commission is experimenting extensively with this type, to take the place of macadam road. Engineer Shirley has been an advocate of concrete roads for some time, and has built considerable of it through soft and wet land in Baltimore county. They are said to stand the travel much better than macadam and cost less, two most important things to be considered. Those that have been built show very little signs of wear, shed the water easily and there being no dust, require no oiling. It is said they can be built for $10,000 a mile, while macadam roads cost over $13,000. The commission has awarded several contracts for concrete, and 39 miles have been awarded, averaging $11,000 a mile.

The Difference Between "The Summer Girl" and "The Summer Girl"

While the former is having a "good time" the latter is too often dragging around nervous, run down, tired out, with aching back and weary limbs, sleepless and wretched. Often it is kidney trouble not female female trouble and Foley Kidney Pills are a direct and positive help for the condition. Sold by A. L. Duffey, Hillsboro Md., and C. H. Redden, Denton Md.
