Town and County News

THURSDAY, JULY 31st 1913.

Campmeeting time.

Have you been to Rehoboth.

Canners will begin to work on corn in a short time.

Tenters at the Holiness Camp moved out on Friday.

Work on the Willow Pond road is progressing quite rapidly.

Tenters at Concord will move out to-day and to-morrow.

White potatoes have been selling at the Ridgely exchange at 70 cents per bushel.

The M. P. Sabbath School will go on its excursion to Rehoboth on Friday August 8th.

The speaking of the Womans' Suffragists on Friday night did not create much interest.

Painters are brightening up the residences of Messrs John L. George and Harry Richardson.

The Saulsbury Brothers, of Ridgely, threshed over 8000 bushels of wheat from their farms this year.

The Ridgely Heptasophs accompanied by the Ridgely band, went on an excursion to Rehoboth yesterday.

The Ladies' Aid of the M. E. Church will serve cream at the old parsonage next Saturday evening.

A serious drouth has prevailed for several weeks. Tuesday afternoon a refreshing shower fell around Denton but did not reach Greensboro.

While unloading gravel at the wharf Howard Porter had a finger severely mashed with one of the unloading tubs.

Prof A. C. Brower, H. C. Fisher and Thos. W. Jones, County Auditors are at work on the accounts of the various officials.

The attendance at the Holiness camp was quite large on Sunday, a constant stream of teams seemed to be passing through town all the morning.

The proposed amendments to the Constitution of Maryland, to be voted on at the fall election, are published in this issue by authority of the Governor.

The Greensboro M. E. Sunday School will enjoy its annual excursion to Rehoboth on Friday August 1st. The members of the school will take the train at Denton.

Dr. Theodore Saulsbury, for many years a prominent physician of the county living in Burrsville, and an ex-member of the Legislature died at Farnhurst, Del., on last Thursday morning.

The store-house and dwelling of Mr. Wm. Hughes at Hollandsville, Del., were burned recently. The fire is supposed to have originated from a spark from a passing thresher engine.

The tomato season will be late in many sections as the vines are not more than half grown up to this time. A few farmers in this vicinity have early patches which promise good crops.

About 25 of the ladies of town enjoyed a picnic in the grove along the river shore near the home of Mr. F. C. Brown, on Thursday of last week. Lunch baskets were taken along and an enjoyable day was spent.

Advertised letters at Denton postoffice, week ending July 26th 1913: Mrs. Cora Henry, W. C. Redding, Miss Neta Rhinard, Mrs. Fred Schnidt, William A. Banning, Adeline Cephas, Miss Elsie Lee Lewis, Mr James Spromers, Joseph Gordon.

John T. Carter, P. M.

Mrs. Lena Kelley, wife of Mr. G. K. Kelley, died at their home on the farm near Grove on Wednesday the 23rd, of typhoid fever. She was a daughter of Peter J. Patchett, of Easton, and about 42 years of age. She leaves three children, one daughter and two sons.

If a substitute is offered you for Foley Kidney Pills, it means a cheaper medicine is pressed upon you for the dealer's profit, not for yours. Foley Kidney Pills may cost the dealer more than a cheap substitute, but they give better results than any other kidney and bladder medicine. Ask for Foley Kidney Pills. For sale by C. H. Redden, Denton Md., and A. L. Duffey, Hillsboro Md.

The Denton and Bridgeville Sunday Schools spent Friday at Rehoboth. The day was an ideal one and everybody enjoyed a good time. Quite a number of Dentonians are spending the summer at the seashore. The air was most too cool for pleasant bathing but this did not deter many from indulging in the sport.

It is easy to intoxicate a mosquito and then slay him. Pyrethrum, a harmless unpatented insecticide, if placed in a saucer or basin with a spoonful of other combustible fluid, will fill a room full of harmless vapors that will bring down the mosquitoes from ceilings and under furniture. They can then be swept up promptly before they recover consciousness. The windows should be down and doors closed while a room is being fumigated.

Early Apples in Large Quantities.

Wyoming apparently leads the entire state in the production and shipment of early apples, it being the principal shipping station for the apple belt. The shipments of early apples up to date have reached 12,171 baskets over the Delaware Railroad. The season is much earlier than 1912 as during the corresponding week of last year there had been shipped, up to date, but 3,425 baskets. In view of the fear that the apple crop was seriously damaged, this is regarded as most encouraging There is no doubt, however, that late apples are hurt because of the severe and wet weather around pollenization in the Spring. Potato shipments, too, are ahead of last year, from the Delaware shipping stations, thus far, 4,692 barrels of new potatoes in comparison to 3,027 barrels shipped last year.

More Parcel Post Changes.

Reduction in parcel post rates within the first and second zones, an increase in the maximum rates of parcels and substitution of a new rate chart for the complicated present map has been ordered by Postmaster-General Burleson to take effect August 15. The maximum weight of parcel post packages is increased from eleven to twenty pounds, but only in the first and second zones for the present. If this works out all right, then the maximum will be made twenty pounds everywhere. In addition the insurance rate, originally ten cents, will be reduced to five cents on parcels up to the value of $25. In announcing the proposed changes, it was stated that the post-master-general expects the parcel post system to show how substantial surplus earnings at the close of the present year.

Dover Doctor Dies Martyr.

Dr. Hugh Baker, of Connellsville, Pa., died from blood poisoning, contracted while treating a charity patient. Dr. Baker had a large practice among the wealthy residents of his city, but it was his custom to give the poorest of the community his services free of charge. It was while operating upon a charity patient that he became infected, and though they took him to the Mercy Hospital, in Pittsburg, and did all that they could for him, they could not save him. Dr. Baker is only one of the thousands of physicians who become martyrs to their science and to their benevolence. The general pulic does not know how much charity work our physicians do, and it often seems as if those who have the best practice and the most imperative demands on their time are most generous-hearted in their treatment of those who are not able to pay them. Dr. Baker and other martyr physicians like him copy the spirit and service of the Great Physician.—Christian Herald.

Sussex Sees Snakes.

Although this county is supposed to be strictly "dry," more snakes have been seen in this section this year than ever before. Reptiles, varying in size from a small "garter" snake of six inches to a full-sized black snake measuring over six feet in length, and as large around as a man's wrist, are to be seen in every direction in the country, while it is no uncommon sight to see dead snakes, run over by automobiles, lying along all the country roads. Hundreds of snakes have been killed while cutting wheat and yet the supply seems undiminished.

Farmers frequently find single ones, or nests, in the fields, but as a rule do not disturb them, because the reptiles feed upon worms and insects and thus are a benefit to the farmer. The snakes infesting this region are comparatively harmless, but at times they become quite a nuisance, robbing hens' nests, milking cows in the fields and occasionally when the farmer's wife goes to the "dairy" she will find one curled up on the shelf, having partaken its fill of good, rich cream, which she had been saving for butter-making purposes —Ex.

Unsightly Face Spots

Are cured by Dr. Hobson's Eczema Ointment, which heals all skin eruptions. No matter how long you have been troubled by itching, burning, or scyly skin humors, just put a little of that soothing antiseptic, Dr. Hobson's Eczema Ointment, on the sores and the suffering stops instantly. Healing begins that very minute. Doctors use it in their practice and recommend it. Mr. Alleman, of Littletown, Pa., says: "Had eczema on forehead, Dr. Hobson's Eczema Ointment cured it in two weeks." Guaranteed to relieve or money refunded. All druggists, or by mail. Price 50c Pfeiffer Chemi-Co., Philadelphia and St. Louis.

Rheumatism And The Heart.

Don't overlook the grave fact that rheumatism easily "settles in the heart," and disturbs the valvular action. The cure consists in removing the cause. Foley Kidney Pills so tone up and strengthen the kidneys that they keep the blood free of poisons and nric acid crystals, that cause rheumatism, swollen joints, backache, urinary irregularties and disturbed heart action. Try them. Sold by A. L. Duffey, Hillsboro Md., and C. H. Redden, Denton Md.

Mrs. Rebacca Davis, one of Federalsburg's oldest and most beloved citizens, met with a very painful and serious accident Tuesday. Mrs. Davis makes her home with her son, Mr. Fernandes Davis, and was in the act of stepping out of a door when she fell to the ground sustaining a broken hip. Workmen had removed the step preparatory to putting up a new one and the aged lady, forgetting the step had been taken away, fell heavily. Owing to her advanced years it was deemed advisable not to attempt to set the broken limb. While Mrs. Davis suffers severe pains at times she is bearing up bravely and her many friends hope for her speedy recovery. —Federalsburg Courier.
