Woman's Work.

Well, I've got more respect for my wife than I ever had before in all my life. How in the world a woman will live a lifetime with a man and wash dishes three times a day without rebelling I don't know. I never knew what a slave's task washing dishes was until I got to France and had to wash my own mess kit.—Soldier writing to the Stars and Stripes.

All the gold coin in circulation would weigh about 900 tons.

Hard Work Alone Never Kills

Hard work never killed anybody. But hard work, with irregular hours and neglect of rest does weaken the kidneys and keeps one tired, miserable and half sick. If your back aches—if you have headaches, dizziness and urinary disorders—don't wait! Help the weakened kidneys before dropsy, gravel or Bright's disease attacks you. Use Doan's Kidney Pills. They have helped thousands and are used the world over.

A Virginia Case

Mrs. M. A. Eanes, 706 Folk St., Lynchburg, Va., says: "I had been a constant sufferer from kidney complaint and rheumatic trouble for four years. My hands were so swollen and sore I couldn't use them for days at a time. I also had sharp pains through my kidneys. I read about Doan's Kidney Pills and used a box. The swelling and pain left my hands and arms and there was no sign of rheumatism in my system. My kidneys no longer bother me and I am feeling fine."

PISO'S

"BOYS" GOT PRIZED PILLOWS

Bride's Idea That of All True Citizens—Nothing Could Be Too Good for the Soldiers.

They were pillows like your mother's and mine. The little bride had made them and stuffed them to comfortable popping with real goose feathers.

She had raised the geese from fluffy goslings and had picked them. No penitentiary striped ticking was used, but a material of delicate blue, sprinkled with pink rosebuds. Oh, but these pillows were the pride of the home-loving heart of the little bride, whose young husband is "over there." Yet she sent the six pillows last week to the sick soldiers at Fort Harrison.

"If Jim comes back we can buy new pillows," she said—"that is if we have the money. If we haven't we can do without.

"Oh, but those geese were a trouble, but when I think of a soldier's head resting on those pillows, I'm convinced that the last pesky gosling has paid for its raising."—Indianapolis News.

EAT A TABLET! DYSPEPSIA GONE

PAPE'S DIAPEPSIN INSTANTLY RELIEVES SOUR, GASSY OR ACID STOMACHS.

When meals hit back and your stomach is sour, acid, gassy, or you feel full and bloated. When you have heavy lumps of pain or headache from indigestion. Here is instant relief!

Just as soon as you eat a tablet or two of Pape's Diapepsin all the dyspepsia, indigestion and stomach distress ends. These pleasant, harmless tablets of Pape's Diapepsin never fail to make upset stomachs feel fine at once, and they cost very little at drug stores. Adv.

Logical Cause.

"What was the cause of that stage wait?"

"It was on account of the heavy man."

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle

Hun Tactics.

"General, should we call this another strategic retreat?"

"Just keep running. Don't stop to explain."

Your Eyes Granulated Eyelids, Eyes inflamed by exposure to Sun, Dust and Wind quickly relieved by Murine Eye Remedy. No Smarting, just Eye Comfort. At Your Druggists or by mail 60c per Bottle. For Book of the Eye free write to Murine Eye Remedy Co., Chicago.

SEED INDUSTRY IS INCREASING

European War Working Wonders in Production, Particularly on Pacific Coast.

WAR GARDENS ADD STIMULUS

Raising of Vegetable Seeds Chiefly Confined to Few Widely Separated Districts—California Is the Largest Producer.

(Prepared by the United States Department of Agriculture.)

Since the European sources of vegetable seed have been cut off by war conditions, the seed-growing industry in the United States has made rapid developments, particularly in the Pacific coast and Rocky mountain states, according to a report of the bureau of crop estimates, United States department of agriculture.

An added stimulus to this industry has been the increased number of war gardens which have been planted in all parts of the country. The commercial production of vegetable seeds is chiefly confined to a few widely separated but well-defined districts, but in exceptional instances the industry has been introduced into new sections through the efforts of contracting seedmen who have sought to expand the production by entering new areas.

The production of onion seed is carried on in many localities. Most of the Western districts where onions are grown for market also raise for their own use and sell the surplus. The largest section of production for onion seed, however, is known as the "river district" of the San Joaquin and Sacramento valleys in the central part of California.

Carrot Seed in California.

California is the largest producer of carrot seed. Sacramento and Yolo counties rank first, with San Joaquin, Contra Costa, Santa Clara, and San Benito counties ranking as minor producers. In the production of radish seed the situation is reversed, the coast counties of California producing the bulk of the crop, and the river district being unimportant as a producer. It is also grown in the Pacific Northwest. Beet seed is grown in both the river and coast districts of California, but is probably grown more extensively around Sacramento than in any other portion of the state. Lettuce seed is grown almost exclusively near the coast section of California,

Most of Western Onion Districts Raise Their Seed Supplies and Sell Any Surplus.

particularly in Santa Clara and San Benito counties and also in San Luis Obispo county.

The pea-seed growing districts are widely scattered but are somewhat restricted by the pea weevil. The two largest districts are in eastern Washington and eastern Idaho.

Other Vegetable Seed.

The production of seed of the garden varieties of beans is concentrated in portions of Colorado, California, Washington, and Idaho. The Greeley district of Colorado is the leading district. Lima-bean seed-growing is confined to the coast counties of southern California. Cantaloupe and cucumber seed is produced extensively in Colorado, particularly in the Rocky Ford district or the Arkansas valley. Tomato seed is most extensively produced in Orange county, California, south of Santa Ana. Other seed crops produced in this district are peppers and various vine crops. The principal cabbage-seed growing district is in the Puget sound country, but the growing of cabbage seed is being tried out in other localities and new districts of importance may be developed. This statement also applies to turnip seed.

Spinach seed is produced in California and in the Northwest. During the past season the industry has developed, particularly in Yolo and Sacramento counties of California, but is not confined to that region. Other misc not confined to that region. Other miscellaneous seeds of minor importance, such as parsnips, salsify and endive, are grown most extensively in San Benito county, California. Cauliflower and broccoli seed is grown in the market growing districts, but have become commercial products only in the Pacific Northwest. Onion sets are grown in the Willamette valley of Oregon, near Woodburn, and also in eastern Colorado.

WATCH FOR DISEASE OF COMMON POTATO

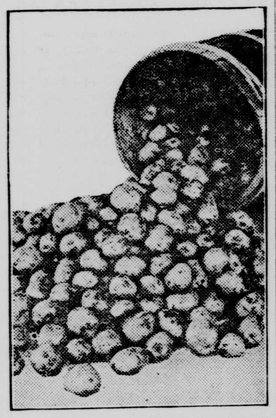

Outbreak in East Indicates Introduction of Ailment.

Trouble May Be Recognized by Irregular, Warty Outgrowth—All Suspicious Cases Should Be Reported to Washington.

(Prepared by the United States Department of Agriculture.)

Gardeners in all parts of the country are asked by the United States department of agriculture to watch for instances of potato wart, a disease that has been discovered in gardens in ten small mining towns in Luzerne county, eastern Pennsylvania, and that it is feared has been carried by European shipments to other districts. The disease may be recognized by irregular, warty outgrowths, beginning in the tender tissues near the eyes and enlarging until the entire potato may be changed into a black and worthless mass.

All suspicious cases should be reported to the Department of Agriculture, Washington, D. C., or to the State

Every Gardener Is Urged to Protect Potato Supply Against Disease by Reporting All Cases to United States Department of Agriculture.

College of Agriculture. All diseased potatoes should be burned and the infested ground staked off.

Several well-established cases of the disease have been discovered in gardens in ten small mining towns in Luzerne county, in eastern Pennsylvania. The extent of the infestation has not yet been determined, but an active survey of this and other districts is now under way. In most of these gardens it has been observed by the owners during the last two seasons. In many gardens it has been severe for three years, while in a few instances it has done considerable damage for four years.

From European Source.

The source of the disease appears to be a shipment of several carloads of European potatoes of inferior quality, distributed in 1912, before the passage of the Plant Quarantine Act. Since that date the importation of potatoes from countries where potato wart is known to exist has been prohibited by the federal horticultural board, but the disease has evidently become established in some localities.

The wart is a disease attacking the tubers and also the stems, causing irregular, warty outgrowths, beginning in the tender tissues near the eyes and enlarging until the entire potato may be changed into a black and worthless mass. The young galls are whitish or greenish, suggesting a cauliflower head. In the present outbreak the disease manifests itself in a very severe form, though in a limited area, practically destroying the whole crop in many of the gardens affected.

There is little danger that the disease will spread rapidly to neighboring states, as the Pennsylvania state authorities, under the leadership of Economic Zoologist J. G. Sanders, are co-operating in the survey and will take the necessary restrictive measures to prevent infective material from moving out of the district.

It is feared that other shipments of European potatoes, made prior to the quarantine, have carried the disease to other districts. It should be sought for, especially in the gardens of industrial and mining villages, which were the principal markets for cheap, foreign potatoes. In such places garbage is thrown into the garden and potatoes are grown continuously, thus favoring the spread of wart diseases.

European experience with wart disease, particularly in England, indicates it to be a very serious trouble. The saving feature is the discovery that certain varieties of potatoes are immune, and only these are now allowed to be planted on infested land.

No American varieties have yet been found resistant. The English sorts will be tried, though experience to date is that European potatoes as a class do not give good results in this country.

GRAIN FOR HOGS ON PASTURE

Raisers Differ Widely on Amount That Should Be Fed—Some Give All They Want.

Hog raisers differ widely regarding the quantity of grain that should be fed to hogs while on pasture. Some feeders give the hogs all the grain they will consume. Others feed a daily ration equal to about 2 or 3 per cent of the live weight of the hog. Still others allow pigs to run on pasture, feeding a 1 per cent grain ration.

INSECTS KILLED BY PLOWING

When Soil Is Put Into Shape for Next Season's Crops Numerous Bugs Are Destroyed.

Plowing which puts the ground into the best condition for crop growing during the coming season will also kill numerous insects that winter in the ground, such as wireworms, cutworms, white grubs and corn ear worms.

DANDRUFF MAKES HAIR FALL OUT

A small bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls! Try this! Doubles beauty of your hair in a few moments.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine for a few cents at any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Adv.

Speeding.

Jimpsonberry and Harkaway had been hauled up before the court for speeding.

"Fifty dollars a piece," said the judge. "All the evidence before this here bench goes to prove that you fellers was racin' along at 50 miles an hour."

"But, judge," protested Jimpsonberry, "my car can't possibly go more than 30 miles an hour."

"And the limit of mine is thirty-five," pleaded Harkaway.

"Wa-al—s'posin' it is?" demanded the judge. "Thirty and thirty-five comes to sixty-five, don't it? By gorry, I'll add a dollar a mile onto the fines of both of ye."—Mrs. Abbie Wayland, Georgia.

PROVEN SWAMP-ROOT AIDS WEAK KIDNEYS

The symptoms of kidney and bladder troubles are often very distressing and leave the system in a run-down condition. The kidneys seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to more dangerous kidney troubles.

Dr. Kilmer's Swamp-Root which, so many people say, soon heals and strengthens the kidneys, is a splendid kidney, liver and bladder medicine, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who use it.

A trial will convince anyone who may be in need of it. Better get a bottle from your nearest drug store, and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

Musician Has Traveled Far.

Sydney Nicholson, recently appointed organist at Westminster abbey, is a confirmed wanderer. This explains why he holds the record for playing in more churches and cathedrals in England and abroad than any other living organist. He started at Frankfort, Germany, and from there he drifted to Barnet, Eton and Manchester.

At the latter city he founded the popular midday organ recitals for working people. These proved so successful that the scheme has now been extended to the whole of the northern counties.

It is not only in the interpretation of sacred music, however, that Mr. Nicholson has proved himself. He is an organist, composer and conductor rolled into one, and has written an exquisite setting to some of Rupert Brooke's poetry. The two were fast friends at Oxford, and the organist's music is an eloquent tribute to the dead poet's genius.

Catarrh Cannot Be Cured

by LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE will cure catarrh. It is taken internally and acts through the Blood on the Mucous Surfaces of the System. HALL'S CATARRH MEDICINE is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in HALL'S CATARRH MEDICINE is what produces such wonderful results in catarrhal conditions.

F. J. Cheney & Co., Props., Toledo, O.

His Excuse.

One Camp Custer rookie claimed he should have a deferred classification and to substantiate his allegation referred to Deuteronomy 24-5:

"When a man hath taken a new wife he shall not go to war, neither shall he be charged with any business, but he shall be free at home for one year and shall cheer up his wife which he has taken."

"Well," said one of the army clerks after sizing up the bird making the claim, "I guess she would need cheering up if she picked off that lemon."

Cautious.

"Was your wife's peach and apple preserving successful?"

"I may state with truth that it was fruitful in results."

Many people imagine that Worms or Tapeworm cannot be gotten rid of entirely. Those who have used "Dead Shot"—Dr. Peery's Vermifuge, know that they can. Adv.

Mrs. William K. Vanderbilt of New York, is the official "godmother" of the Italian Alpine soldiers.

SPANISH INFLUENZA

Do Not Fear When Fighting a German or a Germ!

By DR. M. COOK.

The cool fighter always wins and so there is no need to become panic-stricken. Avoid fear and crowds. Exercise in the fresh air and practice the three C's: A Clean Mouth, a Clean Skin and Clean Bowels To carry off the poisons that accumulate within the body and to ward off an attack of the influenza bacillus, take a good liver regulator to move the bowels. Such a one is made up of May-apple, leaves of aloe, root of jalap, and is to be had at any drug store, and called "Pleasant Purgative Pellets."

If a bad cold develops, go to bed, wrap up well, drink freely of hot lemonade and take a hot mustard foot-bath. Have the bedroom warm but well ventilated. Obtain at the nearest drug store "Anuric Tablets" to flush the kidneys and control the pains and aches. Take an "Anuric" tablet every two hours, together with copious drinks of lemonade. If a true case of influenza, the food should be simple, such as broths, milk, buttermilk and ice-cream; but it is important that food be given regularly in order to keep up patient's strength and vitality. After the acute attack has passed, which is generally from three to seven days, the system should be built up by the use of a good iron tonic, such as "Irontic" tablets, to be obtained at some drug stores, or that well known blood-maker and herbal tonic made from roots and barks of forest trees—sold everywhere as Dr. Pierce's Golden Medical Discovery.

You can't afford to risk Influenza.

Keep always at hand a box of

HILL'S CASCARA BROMIDE QUININE

Standard cold remedy for 20 years—in tablet form—safe, sure, no opiates—breaks up a cold in 24 hours—relieves grip in 3 days. Money back if it fails. The genuine box has a Red top with Mr. Hill's picture. At All Drug Stores.

W. N. U., BALTIMORE, NO. 48—1918.

WEAK KIDNEYS MEAN A WEAK BODY

When you're fifty, your body begins to creak a little at the hinges. Motion is more slow and deliberate. "Not so young as I used to be" is a frequent and unwelcome thought. Certain bodily functions upon which good health and good spirits so much depend, are impaired. The weak spot is generally the bladder. Unpleasant symptoms show themselves. Painful and annoying complications in other organs arise. This is particularly true with elderly people. If you only know how, this trouble can be obviated.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the inconvenience and pain due to advancing years. It is a standard, old-time home remedy, and needs no introduction. It is now put up in odorless, tasteless capsules. These are easier and more pleasant to take than the oil in bottles.

Each capsule contains about one dose of five drops. Take them just like you would any pill, with a small swallow of water. They soak into the system and throw off the poisons which are making you old before your time. They will quickly relieve those stiffened joints, that backache, rheumatism, lumbago, sciatica, gall stones, gravel, "brick dust," etc. They are an effective remedy for all diseases of the bladder, kidney, liver, stomach and allied organs.

GOLD MEDAL Haarlem Oil Capsules cleanse the kidneys and purify the blood. They frequently ward off attacks of the dangerous and fatal diseases of the kidneys. They have a beneficial effect, and often completely cure the diseases of the bodily organs, allied with the bladder and kidneys.

If you are troubled with soreness across the loins or with "simple" aches and pains in the back take warning, it may be the preliminary indications of some dreadful malady which can be warded off or cured if taken in time.

Go to your druggist today and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. GOLD MEDAL are the pure, original imported Haarlem Oil Capsules. Accept No Substitutes.—Adv.

COLT DISTEMPER

You can prevent this loathsome disease from running through your stable and cure all the colts suffering with it when you begin the treatment. No matter how young, SPOHN'S is safe to use on any colt. It is wonderful how it prevents all distempers, no matter how colts or horses at any age are "exposed." All good druggists and turf goods houses and manufacturers sell SPOHN'S at 60 cents and $1.15 a bottle, $5.50 and $11.00 a dozen.

SPOHN MEDICAL CO., Goshen, Ind., U. S. A.

CHRONIC CONSTIPATION IS A CRIME AGAINST NATURE

Stop it or you never can keep well. If you wake with a bad taste in the mouth, coated tongue, perhaps headache, your liver is torpid. A torpid liver deranges the whole system, produces dyspepsia, costiveness and piles. There is no better remedy for these disorders than DR. TUTT'S LIVER PILLS. Try them just once and be eternally convinced. For sale by all druggists.

Dr. Tutt's Liver Pills
