## WHO ARE THE MURDERERS ?

WHO knows any better than the writer of this article what rum will do for you ? I've been through it all. But so help my God, NEVER NO MORE !

I have been asked a hundred times or more since I became a resident of your city, Denton, "Teddy, what caused you to quit fighting John Barleycorn ?" The answer has been the same first, last and all the time: "The best part of our proposition, THE GOOD WOMEN of Milford, Georgetown, Lewes, Harrington, Dover and Middletown, Delaware, caused me to to call a halt." What a GOOD WOMAN can't do isn't worth doing.

Read the clipping below, and then draw your own conclusions :

I want to answer part of Mr. Tom Bennett's letter. Mr. Bennett says the Anti-Saloon League is guilty of the murder of all the people who poisoned themselves with wood alcohol. I have never heard of the A. S. L. selling any wood alchol for beverage purposes. The people who sell wood alchol to be used as a beverage are guilty of murder, because they know it is not right to use it as a beverage.

Mr. Bennett says men with a craving appetite for rum will pay $10 to $15 a quart, and even risk their lives for it. Any man that has such a craving appetite for strong drink that he will pay $10 a quart and risk his life for it, needs a guardian; and the best guardian he can have is to prohibit him from having any alcoholic drink as a beverage, Mr. Bennett says one educated, skilled man is worth 20 uneducated men. Any man who spends $10 to $15 a quart for liquor to use as a beverage won't be able to educate his children unless he is a very rich man. There are millions of children and young people living in this country today that have a very poor education because their parents were liquor drinkers, and liquor causes more murders, homicides, sorry-cides and burnt-out insides than anything else on earth.

Read the above, and profit thereby. Now, my friends, I have fought Old John Barleycorn in every old way, and he has always bested me—gave me underholts and threw me backwards and broke my nose, and he'll serve you the same old way if you tackle him. Old John Barleycorn is a mighty man,

Did you ever see a drunken man get sober ? That's me !

Did you ever see a fool that had any sense ? That's you if you are fighting Old John Barleycorn !

WHY does not the Maryland General Assembly members read the Eleventh Commandment, and be sure to practice its precepts ? If they would do this they wouldn't have time to invade West Virginia and appeal to the West Virginia Legislature to vote agafnst Suffrage for women in that State. Shame on you, gentlemen ! Let the women have a chance to help elect the next President.

NOW President Wilson will be able to write a book entitled "Cabinet Officers I Have Met."

**There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.**
