The Emblem of
LIBERTY AND HUMANITY

THE ELECTION.

The ticket we favored, that we believed stood for the best interests of the United States, has won at the polls by a majority that is a most convincing proof that the voters of America do not approve the policy and administration of the party of Wilson, Cox and their associates.

However, it is not ours to boast. While the evidence is plain that the Democratic leaders were conducting a dishonest campaign and using the League of Nations to befog and bewilder the voters, it is none the less plain that the host of individual voters who supported the Democratic nominees were honest and conscientious in their belief and now view their defeat as a national calamity. A just consideration of these worthy fellow citizens of ours who have so shamelessly been misled and betrayed by their party managers makes it incumbent on us to accept the victory with quiet dignity, content in the knowledge that the orgy of incompetence and waste is about to cease and that there will be no further attempts to swap away our national birthright for personal aggrandizment or ambition.

Brass bands, bonfires and oratory are empty and meaningless. Let us accept our victory as an opportunity to open a campaign of industry, productiveness and thrift that will put our country in line for the march of progress and prosperity that is to start under the direction of our new leaders on March 4th, next.

All together now! Let America redeemed become America militant for greater industrial progress.

VOX POPULI VOX DEI.

And the voice of the people has again declared that "government of the people, by the people, for the people, shall not perish from the earth.."

WARREN G. HARDING. CALVIN COOLIDGE.

WARREN G. HARDING AND CALVIN COOLIDGE ELECTED BY A GREAT MAJORITY

Record-breaking Pluralities in Many States Show That the Republicans Have Received the Greatest Popular Vote

G. O. P. RETAINS CONTROL OF BOTH SENATE AND HOUSE BY INCREASED MAJORITIES, WINNING NEARLY ALL OF THE STATES IN WHICH REAL CONTESTS WERE MADE.

New York.—In the largest vote ever polled in a Presidential contest in this country, the Republican party achieved an unprecedented victory.

Warren G. Harding and Calvin Coolidge, the Republican nominees for President and Vice-President were elected by the largest popular plurality ever recorded. They carried all the Northern States east of the Rocky Mountains and California west of them, with the prospects favoring further acquisitions that will give the Republican candidates in excess of 320 votes in the Electoral College.

Harding carried the electoral vote from the following States: California, Connecticut, Colorado, Delaware, Idaho, Indiana, Illinois, Iowa, Kansas, Maine, Maryland, Massachusetts, Michigan, Nebraska, New Hampshire, New Jersey, New York, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, South Dakota, Vermont, Washington, West Virginia, Wisconsin and Wyoming.

Because of the participation of women voters, which increased the electorate to probably 28,000,000, the pluralities given all candidates were without precedent in the political annals of America. In the State of New York, for instance, the Harding-Coolidge ticket received a plurality over the Cox-Roosevelt ticket exceeding 1,100,000.

The Republican landslide in the Empire State did not, however, extend to the Gubernatorial contest the latest figures available showing that Miller received pluralities totaling 370,575 in districts north of the Bronx, while Smith, his Democratic opponent, carried the city by an indicated plurality of 314,000. The Republican Presidential ticket has achieved for the second time in the political history of the State, the feat of carrying every borough in this city, Brooklyn alone giving it between 150,000 and 180,000.

The same story was told in returns from every other State north of the Potomac river. Pennsylvania gave the Harding ticket more than 600,000. California provided an unprecedented majority. Massachusetts contributed 400,000; Nebraska from 75,000 to 100,000; Indiana by 75,000; Michigan by 150,000; Illinois by 500,000, of which Chicago contributed 350,000.

The States from which returns were too meagre to justify actually placing them in either the Harding or Cox columns were: Arizona, 3; Minnesota, 12; Missouri, 18; Montana, 4; Nevada, 3; New Mexico, 3; Oklahoma, Tennessee and Utah, 4.

The States which were certain for Cox were Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Texas and Virginia, a total of 127 votes in the Electoral College.

Returns leave little room to doubt that the Republicans elected the majority of their Senate candidates in all of the contested States, the individual plurality for Wadsworth exceeding 400,000 in New York. Moses in New Hampshire, Brandegee in Connecticut, Willis in Ohio, Watson in Indiana, Lenroot in Wisconsin, Cummins in Iowa, Shortridge in California and Ladd in North Dakota won easily.

The Republicans will control the House of Representatives. Substantial gains were made by them in New Jersey, Ohio, Indiana, Michigan, West Virginia, Massachusetts, Missouri and one or two other Western States.

The Democrats apparently carried Kentucky for both their Presidential and Senatorial candidates. With one-tenth of the vote of Missouri tabulated, Harding had a lead over Cox of 1,500.

The New York State Legislature will be overwhelmingly Republican.

In addition to carrying the city of New York, Harding carried 22 up-State New York cities.

The vote for the Socialist candidates fell below the estimated number.

HARDING PRAYS FOR STRENGTH.

President-Elect Says He Does Not Regard Victory As Personal.

Marion, Ohio—Convinced of his election to the Presidency, Warren G. Harding issued a statement saying that instead of being exultant over the result he was "more given to prayer to God to make me capable of playing my part."

Receiving the election returns at his home here, Mr. Harding declined during the early evening to make any comment and issued his statement only after the figures had piled up majorities for him which his advisers declared made his election certain.

At the same time it became known that the Senator and Mrs. Harding had made plans for a vacation trip, to be carried out regardless of the election, taking them for a rest next week in Texas, and after that for an ocean voyage to the Panama Canal Zone. They will return to Marion during early December.

COOLIDGE SEES NEW PERIOD NEAR.

Says Victory Means Returns To The Constitution.

Boston—Governor Coolidge received returns from the election with friends at the Hotel Touraine. Early in the evening he issued a statement thanking the voters for their support and expressing assurance of victory. The statement follows:

"It is with a great deal of gratitude that I have seen by the incoming returns the extent of the victory and have realized its source. While I rejoice in its great proportions, I rejoice even more in the nature of the support we have received. It means the end of a period which has seemed to substitute words for things, and the beginning of a period of real patriotism and true national honor. It means a return to the Constitution, and an end of extravagance, and a Government by the people at home"

Pajamas, too, are high, and there is no rule requiring a man to doff his overalls when he hits the hay at night!

Uncle Sam is "no man's land"—the state of being neither at war nor in peace.

Perhaps a "one-lump" club would be effective in bringing down the price of sugar.

Too many people in this country want to revise the Constitution by blowing it up.

OIL CONSUMPTION INCREASED.

New High Record Made In September, With Output Lower.

Washington.—Consumption of petroleum reached the high record figure of 48,670,000 barrels in September, while production decreased slightly, the Geological Survey reported in its monthly statement. The average daily production was placed at 1,261,500 barrels, as compared with 1,270,870 barrels in August.

The deficiency in domestic production, the survey stated, was offset by net imports of 10,914,000 barrels, the largest ever recorded in a single month.

Decreased production was ascribed by the survey to lessened returns from Central and North Texas and North Louisiana.

California, in September, attained the record daily production of 304,267 barrels, supplanting Oklahoma as first in rank. Montana went ahead of Colorado.

$800,000 FOR NEAR EAST RELIEF.

Will Be Spent In Armenia, Persia And Other Sections.

New York.—Appropriations totaling nearly $800,000 for relief work in the near East were voted at a meeting here of the executive committee of the Near East Relief.

A gift of $150,000 from Armenians, resident in the United States, was received and the committee appropriated $300,000 for immediate purchase of supplies for Armenia.

A total of $200,000 was appropriated for the Constantinople district, $125,000 for relief in trans-Caucasia, $115,000 for Syria, $55,000, for Northern Persia and about $12,000 for Greek refugees in these countries.

Bayard Dodge of this city, son of Cleveland H. Dodge, was appointed to direct relief activities in Syria with headquarters in Beirut.

CENTRAL AMERICA TO UNITE.

Salvador Receives Favorable Reports Of Plan To Form Union.

San Salvador.—Dispatches from the capitals of Central American nations indicate keen interest in the conferences to be held at San Jose, Costa Rica, early in December for the purpose of establishing a program for uniting the five republics into a Central American Union. The objects of the conference, which were outlined in a note to the Salvadorean Government from the International Central American Bureau on August 18, are declared to have been favorably received, and there is great promise that the meeting will be harmonious.

RAILROAD TRAFFIC AT PEAK.

Reported Heavier Than During Troop Movements In 1918.

New York.—Members of the Association of Railway Executives, meeting here reported the heaviest traffic during the last few weeks of any period in the history of the roads, even exceeding the height of the troop movement operations in 1918. Co-operation on the part of shippers, increased efficiency of labor and efforts by railroad officials to get the utmost out of the available facilities were given as the reasons of the improvement.

20 HURT IN ELECTION RIOT.

Rival Brazilian Legislatures Contest For Legal Power.

Rio de Janeiro. — Twenty persons were wounded in election riots at Para, according to reports reaching here.

In the State of Amazonas two State Legislatures are contesting for power. Both claim legal election. The contest has been submitted to the Constitutional Committee of the Chamber of Deputies for settlement.

The charges against the profiteers are not one bit more serious than the counter charges.

The sugar bowl could run away with the spoon at this time and neither one would be missed.

The fellow who sold New York chorus girls fake perfume at $6 a bottle is indeed in bad odor.

Ere this we had expected the home outfitting stores to be showing something in cellar lamps.

We should have given a slight adherence to simplified spelling in 1818, when they used "f's" for "s's."

In urging dress economy, however, the school authorities mean fewer dresses and not less material.

In these days of scientific wonders it's a pity some of this political gas cannot be piped into the homes.
