FLEA EMBALMED IN HONEY

Little Insect Fest Found Which Met Its Fate in Egypt Many Thousands of Years Ago.

It is believed that the earliest food store laid aside for his wants by man, and which is still in existence, is a jar of honey found in an Egyptian tomb, and probably placed there for the sustenance of the dead during the journey across the Stygian river, says the American Forestry Magazine. When found, the honey had changed into a very dry candy and it had lost its sweetness, though it could still be identified as honey.

In the bottom of the jar, well covered with honey, was a dead flea of precisely the same sort as those which plague Egypt to this day. Apparently, the insect had hopped into the jar while the last rites over the dead were being observed, and when the jar was corked, the little fellow was shut up within, and, like the true patriot, he probably could have declared that death was sweet. Anyway, he sank to the bottom while the honey was still soft, and there the archeologists found him after a good many thousands of years.

Coal Going to Waste.

One-third of the coal in situ in Indian coal mines is at present being lost by bad methods of mining while three-quarters of a million hours are lost actually by wasteful power working of Indian collieries. Various suggestions towards more efficient working of the Indian coal mines have been made by a well-known London mining engineer, who has brought this enormous loss to light.

ALL THE TIME HE WANTED

Excellent Reason Why Traveler Neee Not Worry Over Possibility of Missing His Train.

A Cleveland man with business interests in Illinois tells of an incident at a railway junction in that state. He was hungry and it was only two minutes before the departure of his train.

He rushed up to the counterman and exclaimed: "Give me a sandwich and a cup of coffee, quick! Haven't time for anything else."

"My friend," said the man behind the counter, "take all the time you want. Just cast your eye over this menu and I'll phone the superintendent to hold the train a while."

"Do you mean to say that he will actually hold the train while I eat?"

"Sure, friend. This is a branch road, and there's no other train coming or going over it this morning. The superintendent will want you to have a good meal—he owns this lunchroom."

Oyster Feasts Revived.

During the war years, England dropped the yearly oyster feasts at Whitstable and other beds, but they are now being resumed. The industry is ancient, and there are entertaining chapters in its history and fable. It is a pleasant tradition, for instance that Nell Gwyn, who, made a master in chancery by Charles II, left a legacy to the benchers of Lincoln's Inn to buy oysters for dinner. At the inspection of the Whitstable beds recently it was stated that this is a good oyster season, and that, roughly 50,000,000 of the shell-fish will be available.

FAINTING AND DIZZY SPELLS

The Cause of such Symptoms and Remedy Told in This Letter.

Syracuse, N Y.—"When I commenced the Change of Life I was poorly, had no appetite and had fainting spells. I suffered for two or three years before I began taking Lydia E. Pinkham's Vegetable Compound and the Liver Pills which I saw advertised in the papers and in your little books. I took about twelve bottles of your Vegetable Compound and found it a wonderful remedy. I commenced to pick up at once and my suffering was relieved. I have told others about your medicine and know of some who have taken it. I am glad to help others all I can."—Mrs. R. E. Deming, 437 W. Lafayette Ave., Syracuse, N. Y.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Moreover this reliable remedy contains no narcotics or harmful drugs and owes its efficiency to the medicinal extractives of the native roots and herbs which it contains.

BIG ULCER ALL HEALED

"Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars.

"Money isn't everything in this world There is many a big hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 35 cents a large box."

Dear Sirs:

"I was an untold sufferer from old running sore and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars' worth of the salve I am cured. The ulcer was 9 inches by 6½ inches, is all healed and I can walk. Never, never will I be without Peterson's again.

"You may use this to recommend your ointment, if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Medina, N. Y. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.

WHO CAN ESCAPE CALUMNY?

How Chicago Lawyer's Quick Wit Got Him Out of Somewhat Embarrassing Situation.

"There's a lawyer in my town," says a member of the Chicago bar, "who is sometimes forgetful, but never at a loss to right himself.

"Once he had been engaged to plead the cause of an offender and he absent-mindedly began thus:

"'I know the prisoner at the bar and he bears the character of being a most consummate and impudent scoundrel.'

"At this point someone whispered to him that the prisoner was his client, when he immediately continued:

"'But what great and good man ever lived who was not calumniated by many of his contemporaries?'"

Avoiding Magnificence.

"A man's house is his castle," remarked the ready-made philosopher.

"Don't say that," protested the tenant. "The landlord is liable to think it over and make extra charges for a castle."

OLD MAN STILL HALE AND HEARTY; WORKS EVERY DAY AND PRAISES NEW REMEDY

In Bed for Months He Was Too Weak to Stand Up.

TAKES HYPO-COD REGAINS HEALTH

"I certainly am indebted to this new tonic Hypo-Cod," declared Wm. E. Gilbert, 1269 Battery Ave., Baltimore, Md. "It put me back on my feet in fine shape, and although I'm now over seventy years of age, I'm working every day and feeling fine.

"For months I was spending most of my time in bed with two doctors part of the time. Nervous indigestion had made me so weak and bad I could hardly stand on my feet. I had a bad cough too and pains in my chest and a general breakdown kept me away from work and in bed for months. My appetite was gone too, but Earle's Hypo-Cod built me up—gave me a new appetite and with plenty of strength and free of all those old troubles I've been working regularly since and praise Hypo-Cod to the sky everytime I get a chance. It does the work and it is pleasant to take too," continued Mr. Gilbert.

Good health, more strength, better appetite, strong lungs, steadier nerves and richer blood means better work, easier work and more fun out of life and it costs very little when you stop and think.

Earle's Hypo-Cod is simply a newer, more modern, more powerful tonic and is so pleasant to take even children love it and elderly folks say it agrees perfectly with the weakest stomach. See formula on bottle. Druggists, chemists and experts assert it is an ideal tonic. Drop in at the drug store tonight and get bottle or two and give it a trial.—Adv.

Main Idea With Youngster.

A youngster has caused his dad much worry by crossing streets without looking first for passing vehicles. To impress upon the youngster's mind the necessity of being more careful, he was telling his wife in the boy's presence a story of another little boy who, while crossing the street with an ice cream cone, had been run down by a heavy motor truck. For a brief moment the child sat in deep thought; then asked: "Did he spill the cone, pop?"

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the *result* of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent; it makes any one so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine, will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.—Adv.

Poser for Mother.

The subject of the Sunday school lesson was the golden rule, so during the next week when little Anna was naughty and her mother had to use her stick real hard and put her in a chair to reflect, she asked Anna what she thought about it. Anna replied: "Mother, do unto others as you want them to do unto you. You don't want me to whip you, do you?"

Safe at Last.

Coming back from Bear lake this summer a tourist lost his way, and could not find any main traveled road.

He rode on for some time until he met a couple of Italians, who were camping near the side of the road.

He called out, asking for information as to the road he should take, and received this answer: "You go one mile this-a-way, and then one-half that-a-way. Then you come to a railroad track. He go north-south, and you go same way as the railroad track."—Los Angeles Times.

In Its Proper Sphere.

A downtown young business man went out to Irvington the other evening to call on his best girl, relates the Indianapolis News. He took along with him several kodak pictures of himself, taken while he was on his vacation. After he had showed them to her he told her that she might have them. "Where shall I put them?" he asked jauntily.

"Oh, over there in the nut bowl on the table," she told him.

And she did not notice the downcast look that came over his face.
