First Aid

The Greatest Mother—

She Binds Up the Wounds of the World

If a man were hit by a car in front of your home, would you be able to give first aid?

If one of your children should swallow poison, could you give emergency treatment that would save his life?

If an epidemic should strike your community, do you know the preventive measure to help keep your family well?

In order to prevent the thousands of needless deaths through accident and preventable sickness, your Red Cross is teaching first aid to families throughout this broad land.

Already over one million people have received the First Aid Instructive Courses from the Red Cross.

Is this work important? You will agree that it is when you consider that **there are annually in the United States over 400,000 deaths from PREVENTABLE diseases and accidents**—eight times the battle deaths of the American Army in the World War.

The Red Cross must increase its membership—not grow less. The work must go on. Join the Red Cross or renew your membership during the

The American Red Cross, by its Congressional charter, is officially designated:

To continue and carry on a system of national and international relief in time of peace and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, flood, and other great national calamities and to devise and carry on measures for preventing the same.

To furnish volunteer aid to the sick and wounded of armies in time of war in accordance with the Conventions of Geneva.

To act in matters of voluntary relief and in accord with the military and naval authorities as a medium of communication between the American People and their Army and Navy. — Act of Congress, Jan. 5, 1905.
