I have something important to tell those of you who want to make every dollar do double duty. I am a hunter of bargains, not men. "Come" said The Delaware Bargain House, "help us put on a sale that will be the one big, startling sensation of the season; a sale so full of human interest that it will be the talk of the thrifty for days to come. Take charge of our stock, give the people the goods they want; slash, smash and slaughter the prices, forgetting anything about cost as we want to make this sale a record breaker." So if cutting to the bone, then breaking the bone and digging out the marrow will give you an idea of what we mean, then we have given you only a glimpse of what we mean when we say, "The Bargain Sky is Split Wide Open."

Free!
$2.50 Umbrella
To each and every customer that purchases $15.00 worth of goods or more, during this sale only, will be given a $2.50 Silk Umbrella, free.
