THREE EASTON WOMEN HURT IN AUTO CRASH

Mrs. Carrie Davidson, 83 Years Of Age, Injured

Easton, Md., July 15.—Three prominent women of this community were injured last night when the steering gear of the big automobile in which they were riding broke as the machine approached the Dover bridge, causing it to crash into a telegraph pole.

Mrs. Carrie Davidson, 83 years old, mother-in-law of Dr. Charles F. Davidson. She suffered a broken nose and general bruises.

Miss Olga Moberly, superintendent of Easton Emergency Hospital, whose right knee was dislocated.

Miss Marguerite Hollyday, right arm broken and bruised.

The front wheels of the machine ran from the causeway and landed in the marsh after the telegraph pole had been knocked down. Mrs. Davidson was thrown into the marsh and the two younger women to the road. The party was returning to Easton from Preston in Dr. Davidson's machine. It was driven by his chauffeur, Robert Pinder.

After the accident a machine that was making its way from Ocean City to Baltimore stopped and brought the three women to the Emergency Hospital here.

DROWNING BOY SAVED BY 4-YEAR-OLD BROTHER

Youngest Life-Saver Mag Get Carnegie Bravery Medal

Millsboro, Del., July 17.—Only 4 years old and unable to swim, little "Jack" Lockwood rescued his 2-year-old brother from drowning in a mill pond near Millsboro yesterday.

The father, John E. Lockwood of Dagsboro, drove to the Millsboro grist mill to have some feed ground. While he was in the mill the children, who and accomplished him, climed ont of the wagon and went to the bank of the mill pond. The younger fell into the water.

Realizing his little brother's danger, the 4-year-old child waded out to his armpits and, grabbing the baby, brought him safely ashore.

Millsboro people intend applying for a Carnegie medal as the youngest life saver in this country.

Control The Stable Fly

The numbers of stable flies can be kept down by caring properly for stable refuse and by properly stacking or otherwise disposing of straw in a way that will not make attractive as a breeding place for the flies. Flies cause much distress among animals and at times heavy losses. Control measures are described by the United States Department of Agriculture in Farmers' Bulletin 1097, The Stable Fly; How to Prevent Its Annoyance and Its Losses to Live Stock.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

THE CONSEQUENCES

Of improperly fitted glasses are vastly more serious than the effects of a cold—yet because they do not show themselves as quickly, too few people consider their significance. Do not trifle with your eyes. Do not risk injuring those delicate and necesary organs by unskillful fitting. I am an experienced optician and can give your eyes the best care and attention.

Transportation and Progress!

Federalsburg, Denton, Greensboro and Caroline County Have Opportunity To Secure Modern Motor Transportation System

Any Community thrives and progresses in fixed proportion to the extent and mobility of the Transportation Facilities which it enjoys. Federalsburg, Denton, Greensboro, Caroline County and the Eastern Shore have always been cramped and their progress slowed down by the lack of ample transportation. This condition should not be allowed to continue any longer.

The Shore Transit Line, Inc. is now preparing to install a modern Motor Transportation System covering the entire Shore. This system will handle Passenger, Freight and Express Business on fixed and fast schedules. This insures COMPLETE Transportation Service.

The controlling officers of this company are among the most progressive and reputable business men of the Shore. Each share of the Preferred Stock of this Company pays a Guaranteed Dividend of 7 per cent. per annum. With each share of Preferred Stock purchased AT THIS TIME, a share of common stock is given FREE. Other big Motor Transportation Systems formed along the same lines and operating in much less promising sections than the Shore are paying 25 per cent. per annum on the Common Stock as well as 7 per cent on the Preferred Stock.

Now is the time for you to make a splendid investment and at the same time help your community to progress. Subscribe now. For further information address the Company or Mr. H. B. Messenger, of Federalsburg, who is a director of the company.
