This ghost was a 1921 model

LAST MONTH, on a bet.
WITH THE boys up home.
I SPENT a night.
ALONE IN the old.
HAUNTED HOUSE.
AND WHEN I heard.
MOANS AND groans.
I SAID "The wind."
AND TRIED to sleep.
I HEARD rappings.
AND SAID "Rats."
AND ROLLED over.
THEN I heard steps.
AND IN the light.
OF A dying moon.
A WHITE spook rose.
I WASN'T scared—much.
BUT DIDN'T feel like.
STARTING ANYTHING.
BUT THEN I caught.
JUST A faint whiff.
OF A familiar.
AND DELICIOUS smell,
WHICH TIPPED me off.
SO I gave the ghost.
THE HORSE laugh,
AND SAID "Ed.
YOU FAT guys.
MAKE BUM ghosts.
BUT BEFORE you fade,
LEAVE WITH me one.
OF YOUR cigarettes.
THEY SATISFY."

THAT spicy, delicious aroma of fine tobaccos, both Turkish and Domestic, makes you almost hungry for the "satisfy-smoke." And there isn't a ghost of a chance you'll ever find its equal anywhere—for the Chesterfield blend is an *exclusive* blend. It can't be copied.

Have you seen the new AIR-TIGHT tins of 50?

children; raising the age of consent for girls to eighteen since that is the age of legal responsibility for young men; a bill requiring health certificates from all applicants for marriage license; amending the mothers' pension law making it mandatory; amending the divorce law to make the grounds for divorce proven unchastity of wife before marriage apply to both husband and wife, were adopted after more or less discussion.

A resolution to the effect that race track and all other forms of gambling be made illegal in the state of Maryland was offered. Mrs. Maloy moved to amend the resolution by striking out the word race-track. The resolution as offered was strongly defended by Mrs. Musgrave and Mrs. Sawyer of Prince George's county and was adopted without amendment.

The substitute resolution regarding fair representation for all sections of the state provoked much discussion, Mrs. Maloy wishing to amend by omitting part of the preamble but was adopted as offered.

It is purposed to send copies of the approved resolutions to the candidates of all political parties that they may have an opportunity to express their attitude upon the measures.

The League of Women Voters is organized in four districts of Caroline county and it is the wish of the county chairman that each district may soon effect an organization. Miss Engle has expressed her willingness to visit any section of the county upon request to help in such organization.

LIGHTNING FIRES BARN ON FARM OF E. W. DILL

Lightning struck the barn of Mr. Edgar W. Dill, near Greensboro, on July 9th, about 8 o'clock in the evening and the building and about all of its contents were destroyed. Mr. Dill and family had started out for a ride in their machine, but had only gone a few miles when they saw a storm coming up, and they went back home and found their barn in flames. All the live stock was saved with the exception of two horses, which were burned to death. About 17 tons of new hay, some old hay and fodder, together with all harness and other things used around a barn were all burned. Had the wind been east instead of southwest, it is said the home also would have fallen prey to the flames. Neighbors formed a bucket brigade and saved the other outbuildings.

The loss is estimated at $2,500. No insurance was carried.

Farmers To Picnic

All farm organizations of the county will hold a group picnic on August 4th at Oyster Shell Point. A big time is being planned for this day. A number of speakers will be on hand, some being from the University of Maryland. It is also rumored that the Denton Orchestra will be on hand to furnish music and this gives the impression that there will be a dance some time during the day. All farmers and their families are invited to attend this big picnic.

Attending S. S. Summer School

Mrs. Ida Whitby and Miss Myrtle Dukes, of the Junior Department of the M. E. Sunday School, are attending the summer training school at Dickinson College, Carlisle, Pa. The school lasts ten days and they will be home this Saturday. Mrs. Whitby is taking teachers training work while Miss Dukes is taking up the junior work.

Getting Ready for Business

The Denton Auto Company several weeks ago installed a new gas station at the corner of Main and 2d streets, but have not as yet put it in operation. This week they erected a metal building where the salesman will be locatde for the sale of oils and gasoline. They expect to open this station next week.

A platform is being built over the old cellar right on the corner of this lot where the company will have cars and tractors on display during pleasant weather.

Harmony Grange Held Picnic

About 35 members of Harmony Grange, with their families, held a picnic at Greens Point Rest Wednesday. Bathing was indulged in and in the evening they took a large boat and went to Oyster Shell Point.

LAST U. S. WAR DEAD TO BE BROUGHT BACK SOON

Washington, July 17.—The last bodies of American soldier dead to be returned to the United States from overseas will reach Hoboken, N. J., on October 3, according to present plans of the War Department.

There were approximately 76,763 deaths among the American forces abroad during the war. Of this number, it is estimated that 60 per cent of the bodies will be brought back to this country, and 40 per cent will remain in cemeteries overseas.

According to present plans, the War Department on August 1 will stop acting on any further requests or changes in requests of families of soldiers for return of soldier dead.

There have been or are to be returned to the United States in accordance with these plans 41,970 bodies. Already there have been returned 30,139 bodies, leaving 11,831 yet to be brought back.

Mr. and Mrs. William Bowie and son George, of Vanceboro, Me., and Mrs. George H. Murphy, of Bound Brook, N. J., were guests of Mr. and Mrs. E. D. C. Hegeman this week. They made the trip by motor, returning by way of Ocean City and the Delaware highway.

Miss Naomi Palmatary, of Ingleside, Md., is visiting Mrs. W. H. Laramore.

Miss Reba Hurst, daughter of Mr. and Mrs. S. J. Hurst, of near Harmony, is confined in the Johns Hopkins University Hospital, Baltimore, with typhoid fever. Miss Hurst was attending the State Normal School at Towson when she took sick. Her parents have been w ith her part of the time.

"NO,NO! MY HUSBAND HAS TOO MUCH HOME PRIDE TO EAT CAKE OR BREAD THAT WAS NOT BAKED BY OUR HOME BAKER."
"THAT'S RIGHT, MRS. PRUDENT, DON'T BE CONVINCED THAT IT IS BETTER."

HOME PRIDE

Where our home interests are concerned, we should make a special effort to encourage and help them in their advancement. When purchasing bread and pastry with one hand we should have a firm grip on Home Pride with the other, and then, when the old argument "just as good" is produced, we will be well prepared to do the right thing—support your home baker, the man who contributes to the maintenance of our local interests.
