Don't stick with the prunes

MY DAD'S favorite yarn.
WAS THE one about.
THE OLD storekeeper.
WHO WAS playing checkers.
IN THE back of the store.
AMONG THE coal oil.
AND THE prunes.
WHEN THE sheriff.
WHO HAD just jumped his king.
SAID "SI there's a customer.
WAITIN' OUT front."
AND SI said "Sh-h-h!
IF YOU'LL keep quiet.
MEBBE HE'LL go away."
NOW HERE'S the big idea
WHEN A good thing.
HAPPENS ALONG.
DON'T LEAVE it to George.
TO GRAB the gravy.
FRINSTANCE IF.

YOU HEAR of a smoke.
OR READ about a smoke.
THAT REALLY does more.
THAN PLEASE the taste.
THERE ARE no hooks on you.
THERE'S NO law against.
YOUR STEPPING up.
WITH THE other live ones.
AND SAYING right out.
IN A loud, clear voice.
"GIMME A pack of.
THOSE CIGARETTES.
THAT SATISFY."

YOU'LL say you never tasted such flavor, such mild but full-bodied tobacco goodness. You're right, too, because they don't make other cigarettes like Chesterfields. The Chesterfield blend *can't be copied.*

Have you seen the new AIR-TIGHT tins of 50?

They Satisfy **Chesterfield** CIGARETTES

SIXTH STREET OPENED ACROSS THE RAILROAD

The portion of 6th street from Fleetwood's store, on across the railroad tracks and to the old state road, was opened today for traffic. This ends the detour around the mill, which was a very bad road.

The opening of this section almost completes 6th street, and it is hoped the balance will be opened in the next two weeks.

He was in the Easton Hospital for some time but was removed to the city hospital where it was hoped he would be able to get treatment which would relieve the congestion. So far the doctors have been unable to get the wound to heal. His mother, Mrs. A. T. Longfellow, went to Baltimore to see him this morning.

His Easier Method

He tapped on the back door and asked for something to eat. The good housewife replied that she would feed him if he was willing to earn the meal by cleaning out the gutter.

The tramp agreed and when he had eaten his way through several sandwiches she came out with a reliable looking hoe.

"You needn't have gone to that trouble, madam," said the weary one, sizing up the farm implement. I never use a hoe in cleaning out a gutter."

"Never use a hoe," said the woman. "What do you use, then—a shovel?"

"No, madam," replied the tramp starting for the gate, "my method is to pray for rain."—Pittsburg Times-Gazette.

"Eh. What's that? Who sent the others?"

"Oh, they didn't send up any names. They just said: 'She'll know who they came from."

"Well, here, take my card and tell her these are from the same one that sent her the other three boxes."—Boston Transcript.

"UNITED WE STAND"

There is nothing of greater importance to us than the prosperity of our community. Prosperity at home is based on local conditions.

Let us get together for a better town by working in a spirit of harmony and co-operation.

Not only should we promote the business success of the people and interests of the town in general; but show our appreciation of having the chance to provide for ourselves the necessities of life through the prosperity of our town.

The old motto of "United We Stand" should appeal to us as being necessary to encourage what is best for our town, for without unity we can accomplish nothing.
