J. ALDA JACKSON
Republican Candidate for Clerk of the Circuit Court

To the Voters of Caroline County:

As it is impossible for me to visit every voter in the County between now and Election Day, I take this method of coming to your home through the press.

I am in favor of good churches and schools in every community, improved conditions of the roads, a square deal for every one. I have been a farmer and cannery man, thereby employing lots of labor and helping the laboring class in the community where I live.

I have had experience in business and financial matters. If elected to the office of Clerk of the Circuit Court by the voters of the County, II will assure you that the office will have my personal attention, and will also be run on an economical plan, every dollar coming through the office will be accounted for. There will be no loss to the taxpayers by my election.

I most respectfully solicit your support at the Polls.
