Your Dollar's Opportunity

Your dollar's opportunity is now, today! Set it to work for you. Give it the task of multiplying itself. In doing so it will perform its part in the world affairs.

Every man's money should be making use of this opportunity. Farmers, for instance, can not only feed the world; through businesslike handling of their farms and businesslike handling of their incomes they can help to develop the world.

Thrift Is Patriotism

Saving is a form of serving. It is one of the biggest forms of national service—service to your country. Our first president said, "Economy makes happy homes and sound nations."

The way to start right is to start right now! Saving is as much a habit as spending or putting things off. Once formed, it is easy to continue. But unlike other habits, it is a good habit.

Jarrell, Jr. The bride is the daughter of Mr. and Mrs. Edward C. Carter and the groom is the youngest son of Mr. and Mrs. Charles L. Jarrell, both prosperous farmers near town. The church was very beautifully decorated with autumn leaves and chrysanthemums. The ceremony was performed by the Rev. Mr. Harris B. Thomas, of Denton, and the bride was given in marriage by her father. She wore a veil and dress of white georgette, and carried a bouquet of lilies-of-the-valley and brides' roses. The maid of honor, Miss Margaret Christian, was attired in a dress of fuschia crepe de chine and carried a bouquet of fuschia. Hall Barton, of Centreville, was the best man. Miss Dorothy Rawlings played the wedding march. The ushers were: Keene Sauisbury, Mr. Troy, of Centreville; Mr. Fusselbaugh, of Baltimore, and Carlton Carter, brother of the bride. A reception was given after the wedding at the home of Mr. and Mrs. A. A. Christian, here. After the reception, the young couple left for Elkton where they boarded a train for Philadelphia and New York. They returned home Thursday evening and will reside on the groom's farm, near town.
