For two or more years the question of an improved road from Laurel, Del. to connect with the Maryland State road at Sharptown has been agitated and as many as three routes hvae been surveyed, but none agreed upon because of the local influence disagreeing as to the territory to be traversed by the road. About ten days ago a large delegation from Laurel and the rural section met and appointed a commtitee to meet the road commission at Georgetown. At this meeting the committee agreed to leave the route entirely with the road engineer and commission, no assurance given farmers in any section.

A meeting of the Eastern Shore League of Baseball was held in the Chamber of Commerce Salisbury on Thursday afternoon of last week. The six teams of the League, Salisbury, Parksley, Dover, Cambridge, Crisfield and Laurel were represented. Four of the teams, Salisbury, Dover, Cambridge and Parksley, put up their deposit for the next year's membership. Crisfield asked for a few days in order to make their final decision.

A committee was appointed to look after the matter and see to it that arrangements were made either towards rendering such assistance as might be necessary so that Crisfield and Laurel could be re-admitted to the League this year, if this was not found possible then to see that other teams took their place, in order to keep the number of teams to at least six places, as this is the least number that could be made out with.
