CREVROLET WINS 100-YARD DASH

The fleetness of a "human greyhound" recently failed to beat an automobile in a 100-yard dash from a standing start at the Los Angeles Coloseum.

A half-dozen four-cylnder cars of different makes had been given acceleration tests in 100-yard dashes. The best time was made by a Chevrolet. Eash car ran eight sprints over the distance and the results were averaged. The average time made by the Chevrolet was 10.73 seconds.

The other averages were: 11.13 seconds; 11.19 seconds; 11.28 seconds; 11.58 sceonds and 12.54 seconds. The cars which ran second and third were considerably higher in price than the Crevrolet.

After the tests the question arose as to the relative "pick-up" of the automobile and the human sprinter. A contest was arranged in the Coliseum between a Chevrolet and Keith Lloyd, cousin of Harold Lloyd. Keith Lloyd is the champion sprinter of the University of Southern California. The Chevrolet was driven by Dick Champion, former Bucknell University track star. The stop watch was held by Dean Cromwell, Lloyd's coach.

At the starting gun Lloyd leaped ahead of the car. He was in fiull stride before Champion had changed to second gear. The rapidly accelerating car roared after him, and caught him at the tape. Coach Cromwell clocked the car and sprinter in a dead heat of 10.3 seconds. On comparative figures, had Lloyd sprinted against any of the other cars he would have won without extending himself. The speed of the Chevrolet car at the finish was 32 miles per hour.

Firestone

Safety and Mileage For Rough Winter Driving

OPERATORS of large truck, bus and cab fleets must have rugged, long-mileage tires if they are to make money. That is why so many of them have standardized on Firestone. Experienced race drivers, almost to a man, equip with Firestone. Car owners can have this same *extra* safety and economy—by using Gum-Dipped Cords.

Gum-Dipping, the Firestone *extra* process, impregnates and insulates every fiber of every cord with rubber—insures greater safety and comfort over rough winter roads—builds extra strength and flexibility into the sidewalls—an exclusive feature that adds thousands of miles to the life of a tire.

Come in—let us save you money by equipping your car with a set of these wonderful tires—prices are still low.

Tutt's Catarrh Medicine

Those who are in a "run-down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

HALL'S CATARRH MEDICINE is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists.
