THE MAGIC CARPET

Once upon a time in the mystic land of Persia, there was found among the treasures of a king, a wonderful carpet. One had only to sit on it, wish to be somewhere, and away the carpet would fly till the wished-for place was reached. For hundreds of years it carried kings and princes upon the most amazing adventures. No one knows what finally became of it, but it may be that its last threads went into the make-up of the first Youths Companion. For, like the magic carpet. The Companion for 1926 carries you to the land of your heart's desire—up into the Maine woods with the lumbermen; out on the western plains where the warlike Navaho Indians live; far up into the gold regions of Alaska; and away on the Southern Seas in search of treasures and lost islands. All you need for such extraordinary adventures is a young heart and a Youth's Companion. Don't lose time in getting started; subscribe now and receive:

1. The Youth's Companion—52 issues in 1926, and
2. The remaining issues of 1925.

All for only $2.

3. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only $2.50.

Quality—
and nothing
else *but!*

QUALITY—that's Prince Albert all over. Just about the finest, kindest tobacco that ever tumbled into a briar or corncob. We said "kindest." That means P. A.'s consideration for your tongue and throat. No bite. No parch. Nothing but cool comfort, refreshing as a breeze from the sea.

P. A. can't bite or parch. The Prince Albert process takes care of that. You can go to it from the minute you finish breakfast until you sign off at night. Slow or fast. P. A.'s quality makes you want to smoke pipe-load after pipe-load. You'll never say "quit," and that's a fact.

Yes, *sir!* You'll have the little old world by the tail when you sign up with this big-league smoke. Sitting pretty and no mistake. Cool and sweet and fragrant, P. A. sifts into your system and knocks pipe-peeves galley west.

Quality, you bet. And quantity too. You get TWO full ounces to the tin when you buy Prince Albert. (Look at the U. S. revenue stamp.) Let's get going. Slip into top-speed and head for the shop that hands out smoke-gladness in tidy red tins, marked "Prince Albert." Today!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

Look at the U. S. revenue stamp—there are TWO full ounces in every tin.

PRINCE ALBERT

—no other tobacco is like it!
