An Unprecedented Volume of Business In Our Big January Overstocked Sale

They Came--They Saw--They Bought

The Crowds of eager customers from far and near that have thronged our stores since the opening day of our Third Annual January Clearance Sale have made this the greatest sale event in our history.

The evidence that not one went away disappointed lies in the fact that our cash sales for our opening day exceeded our best previous days' cash business by more than Four Hundred Dollars, which we believe was some achievement for we have had some really big sales before.

We attribute this wonderful increase to only three reasons.

1st. The greatest variety of seasonable new merchandise to be found anywhere.

2nd. All merchandise is marked in plain figures and all items are really reduced to the very lowest possible cash price.

3rd. Everything sold exactly as advertised and no exaggerations as to the values or quality.

One lady from an adjoining town was overheard to remark to a friend "that she had stopped attending all sales but Poole Bros. sales as she had been disappointed so many times by not finding the merchandise as advertised, but here she always found variety of everything and at better prices than she expected."

The Time Limit of This Sale Will Be EXTENDED ONE WEEK

Acting upon the request of some of our customers, we wish to announce that our sale will continue until Saturday, January 23d. This date will be the last day of our OVERSTOCKED SALE.

Do not fail to see our ad next week for a very important announcement.
