Wants

Young man or woman to learn to feed Presses and do general office work. Rue Pub. Co., Denton, Md.

If you could see the "little extras" that we do for your clothes, you would understand why we already have so many satisfied customers.

Your clothes are not merely pressed by us.

Instead, after the experienced operator has used the new steam pressing method—the latest method that actually shapes and not merely "flattens" your clothes, and which renews the freshness of the fabric—he examines each piece thoroughly, giving those little masterly finishing touches that distinguish a craftsmanlike job.

Let us convince you.

Just call Denton 108 on the phone, or drop in at our shop if you are in a hurry, for we do "pressing while you wait."

And remember, we're experts in Tailoring, Cleaning, Repairing, Altering and Dyeing.
