### HAD TWO TRACTOR DEMONSTRATIONS

Two tractor demonstrations have been held in the past week in the vicinity of Denton. The first demonstration was held on the farm of Mr. Roland T. K. Garey and notwithstanding the disadvantage of having extremely wet ground to work, the tractor and plow did exceptionally good plowing. The Centaur is new in this section and is a tractor for use on small size farms to take the place of work done by two or three horse teams. Not only will this tractor plow but will cultivate corn and peas, etc., run a potato digger, mower, saw mill and many other things about a farm where power is needed. The large wheels can be reduced in size to 4 inches, enabling the machine to go up and down the rows while cultivating. The second demonstration took place this morning on the farm of Mr. J. A. Griffin.

S. G. Bye & Son, Denton, have taken the agency for this tractor which is under the supervision of Mr. B. W. Wright, of Preston, district manager.

### ALTERING BUILDING FOR DEN-MAR GARAGE

Alterations have been going on for the past week on the building on North 3rd. street between Market and Gay owned by the Den-Mar Mobile Company in preparation for moving their garage to this new location, they having sold their garage on South 2d street several weeks ago. The front of the building is being changed and will have an office with large plate glass windows for a show room while the remainder of the building will be altered to best suit the needs of the trade. They hope to get into their new quarters by May 1st.
