"I Am The Life"

THE

AWAKENING

During the Winter months it is very easy to find excuses for not attending church and most of us make use of every one of them. But with the Spring there comes an awakening of life, both physical and spiritual. The urge, pulsing thru our beings, floods us with renewed energy, new hopes, new plans and new life!

With the bursting buds, the songs of birds, the drone of bees, comes the desire to draw closer and nearer to God. Your soul feels the Divine urge and aspires to a fuller life, filled with purer thoughts, cleaner habits, a better existence.

Church is the school of the soul and now with Spring at hand, put excuses aside and attend this Sunday! Easter is here and every man, woman and child ough to seek the House of God at this time. A welcome awaits you this Sunday.
