American Union

Thursday Morning May 6, 1875

The Orphans' Court of Caroline county will meet on Tuesday, 11th of May, 1875.

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

The Editor's Hash.

—Ex-Governor Saulsbury's wife died at Dover last week.

—The repairs on Denton Bridge is so far completed that travel across it was resumed on Tuesday.

—Mr. Wm. R. Emerson has purchased a half interest in the steam saw-mill located at Denton Bridge.

—The letter of our Norristown, Pa., correspondent was received too late for our present issue but shall appear next week.

—White & Dunning are excavating the earth to make room for the foundation of their canning house which is to go up as soon as the materials are all in place.

—Mr. H. Blackiston is cleaning out the old cellar preparatory to erecting a new building adjoining his residence. The workmen will commence operation in a few days.

—Denton Bridge was again made passable for vehicles on Tuesday last and the travelling public will be no longer delayed waiting for the ferry-boat to cross the stream.

—One hundred and twenty thousand bushels of corn was received on change in Baltimore on Saturday. Seventy-five thousand bushels were exported same day for Europe.

—Mary, 11 years of age, daughter of Daniel Satterfield, while on a visit to her uncle, Wm. C. Satterfield, at Greensboro', last week, dislocated one of her ancles in two places by jumping from a stable loft.

—We invite the readers attention to the advertisement of Mr. P. F. Causey, Milford, Del., who desires to purchase 10,000 lbs. of wool. Here is a chance for our farmers to exchange their wool for the manufactured article.

—John Andrews, a colored preacher, murdered his wife at Georgetown, Dela., last week. He secreted himself in the attic of the church of which he was pastor and from his hiding place heard the funeral sermon preached over the remains of his wife. He is now in Georgetown jail.

—The heavy easterly rain storm of last week caused a considerable freshet in the Choptank and injured the fishing business. The current has now run down and if we are to have even a fair catch this season they must put in an appearance very soon, as there is but about fifteen days of the season left.

—Mr. Beckwith, of the Cambridge *Chronicle*, was in town on Monday and spent a few minutes with us in our sanctum. He is a young man of pleasing address and rather good looking and we would caution him not to circulate too freely in this latitude or he might become a captive of the love god Cupid.

—Wm. T. Croasdale, editor of Every Evening published at Wilmington, was personally assaulted by Capt. Gallagher, of that city, on Saturday because of an editorial article in that paper, charging him with being a member of a Sunday caucus at the City Mills. Gallagher was held to bail for his appearance at Court.

—Here is the 6th of May and the forest trees present a wintry aspect. There is not that expansion of the buds nor the appearance of green leaves so often witnessed at this season. The flowers dare not peep above the earth least Jack Frost should nip them in the bud, and the grass has a hard struggle, with old Boreas to maintain vitality.

The Great Rothchild Royal Victoria Show.

Strange as it may seem, our columns bear witness that there is something new under the arenic sun, in the advertisement announcing a wonder and mirth visit on Thursday, May 13th, in Denton, from one of the greatest of the great English shows, with its extraordinary sensational attraction of collossal performing Rhinoceros; its grand and rare menagerie of monster and minor animals, and its immense double circus troupe of foreign and home equestrian and gymnastic leaders. The ultimate object in bringing this new candidate for American favor, at an almost frightful expense, thousands of miles across the treacherous deep, is to locate it in an elegant permanent building at Philadelphia during the Centennial Celebration next year. Meantime, and as an advance advertisement and test, it is traveling through the country, and, from the journalistic commendations which reach us, is eliciting universal admiration, which will serve it as a golden introduction to the Quaker City.

Land Sales.

Mr. Wm. S. Ridgeley, Real Estate Agent at this place, sold last week the property belonging to Mr. C. W. Butler, immediately on Choptank River, and only a few hundred yards from town, containing 10 acres, to Mr. Peter Fitzjarrell, of Massachusetts, for $415.

Mr. Ridgeley also sold recently the farm owned by Mr. Wm. Connolly, known as the "Barcus Farm," containing 190 acres, to Rev. R. J. Williams, of Colorado, for $2,400.

SUFFERERS from Scrofula and Scrofulous affections, clean up! Why wear your Pimples, Blotches, Ulcers, Sores? Why have the life twisted out of you by Dyspepsia, Rheumatism and Gout? Why suffer Syphilitic and Mercurial diseases to rot the bones in your body, or the flesh off your bones? Why let your sluggish blood drag, and scatter its distempers through your veins? AYER'S COMPOUND EXTRACT OF SARSAPARILLA cures these complaints, and cleanses them out of the system. Use it faithfully, and you bring to society a healthier, cleaner, and far more acceptable member.—*Baltimore* (Md.) *Democrat.*

Peninsular Waifs.

CECIL COUNTY.

James Foard, mate of the schooner *L. J. Cox*, was drowned in Behemia river, Cecil county, on Tuesday last, while fishing a net from a small boat.

Wheat is looking sickly in Cecil.

Two weeks ago a difficulty arose between two men from Cecil county named Thomas Wilson and David Potts, at the place of Thomas Hill, near Lewisville. A fight followed the dispute, and in the fracas Wilson shot Potts in the breast with a small pistol. Wilson was sent to West Chester jail.

The Susquehanna fishermen are doing a good business. From five to ten thousand shad are being daily shipped by rail to Philadelphia and other points. Sadler's floats have been averaging, for the past few days, about 2,000 shad and 29,000 herring.

The total number of miles of public roads to be worked in Cecil county foot up 627½, which have been sold to Supervisors for keeping in repair, mostly for periods of three years, for a yearly sum aggregating $15,065.65, which includes the salaries to be paid to road Inspectors.

KENT COUNTY.

The trial of Lincoln May, between eleven and twelve years of age, for killing David Keating, aged about fourteen years, in Quaker Neck, Kent county, on the fourth day of December, took place on Monday last, at Chestertown, and resulted in his acquittal by the jury.

Twenty-eight persons have been recommended by the Grand Jury of Kent county to dispense blue ruin to the people of that county and manufacture drunkards and paupers *ad libitum*.

The Rothschilds & Co's., menagerie and circus will not exhibit at Chestertown, the agent failing to make satisfactory arrangements for the entertainment of the Company at that place.

QUEEN ANNE'S COUNTY.

The total value of school houses and furniture in Queen Anne's county amounts to $30,270. This is exclusive of the land attached.

Another sow has been found in Queen Anne's which brought forth 22 pigs at one litter. This looks a little hoggish.

The wheat prospects in Queen Anne's are flattering.

Queen Anne's county Circuit Court is in session this week.

A little German girl was burned to death last week in Spaniard's Neck by her clothes taking fire from an open fire place.

TALBOT COUNTY.

On Thursday last the seine of Mr. Jesse Hubbard took 30,000 herring at one haul on the Choptank. We also learn that on the same day 150,000 herring were caught off Hog Island, on the same river.—*Easton Gazette.*

This is putting it rather strong for Choptank fishermen. Won't the *Gazette* compromise on 30,000 a day and 15,000 at one haul instead of 150,000?

Mr. J. F. Mancha, Real Estate Agent, has sold one of Colonel Wm. R. Hughlett's farms on Bolingbroke Creek, Trappe District, containing 177 acres, to Mr. David Merritt, of the State of New York, for $8,000.

A District Grange, composed of delegates from Talbot, Queen Anne's, Caroline and Dorchester counties, was organized in Easton last week.

Talbot may be set down for a fair average crop of peaches.

Capt. Valliant last week arrested William Chance for oystering without license, and Michael Ryan for oystering in Queen Anne's waters. The poor tongsmen must be very careful now where they dip for bivalves. Officers are becoming so plentiful they must do something or the pay might stop.

Mrs. Dr. James Dawson has sold the farm belonging to the estate of the late Dr. Dawson, about three miles from St. Michaels, for $8,000.

DORCHESTER COUNTY.

Henry Benson, charged with attempting to commit an outrage upon Mrs. Denny, last fall, has been convicted by the Dorchester County Court. The case was removed from Talbot county. The sentence has not yet been passed.

The postmaster of Cambridge has strayed away from home, the first time for seven years. He is a fixed institution.

Some evil disposed persons smashed up five of the street lamps in Cambridge one night last week and now the town will have to resort to tallow dips.

The reports from the fruit crop in Dorchester are conflicting, but an average crop of peaches are anticipated.

The carriage house and shed, together with a dearborn and gear, two hogs and various other articles, the property of Mr. G. E. C Lord, of Crotcher's Ferry, were destroyed by fire one night last week.

SOMERSET COUNTY.

Sam Dews, convicted of rape in Somerset county Circuit Court, has been sentenced to the penitentiary until 1890.

A fisherman at Crisfield can snatch the hide from 3 to 4 eels per minute.

Five colored men left a pungy lying in the Manokin river last Monday evening after dark, in the boat belonging to the vessel, intending to spend the evening ashore. When some distance from the vessel, and between it and the shore, the boat was by some means swamped, and the whole five were drowned. Their names were Sylvester Hardy, John Ballard, Jas. Mills, Samuel Braister and John Taylor.

WICOMICO COUNTY.

Fish and oysters are plentiful at Salisbury.

The farmers of Wicomico are busy corn planting.

The peach crop is not injured in the neighborhood of Salisbury.

READY MIXED PAINT.

We call special attention to the excellent testimonials of Mr. C. P. Knight, in reference to Ready Made Paint. Not having used the paint we can't speak from experience, but we feel sure it is to the interest of all our customers, who desire painting, to test the same

Take that Back.

In the Circuit Court for Caroline county, James Wilson, eighteen years of age, who had been indicted for the larceny of stealing meat, confessed his crime in a flood of tears while on trial, apologizing for it by saying that his father had been sick for a long time and he took the meat to have something to eat.—*St. Michaels Comet.*

No such a case as mentioned above has ever occurred in our Court. This case did occur in Worcester county Court a few weeks ago, but how the *Comet* got things muddled and located it in our county is hard to conjecture. We are not willing to shoulder the sins of other counties and therefore make the correction. Will the *Comet* make the *amende honorable.*

[Communicated.]

The Harmony Lyceum held its annual closing festival a few evenings ago, which was very well attended; there being present nearly all the members and a number of visitors. The president, Mr. John A. Tribbitt, called the meeting to order at 8 o'clock; at which time the most of the lady members were present with an abundance of cake and confectionary. When all this was arranged upon the table, it with the room, which had been very tastefully trimmed with evergreens and flowers, presented quite an inviting appearance.—The first on the programme was an address by Mr. Samuel Trice. Mr. Trice made a sensible speech; he reviewed the progress of the Lyceum during the several years of his connection with it as a member, and showed that the community in general has been greatly benefitted by its enlightening influence. Mr. James W. Waddell, of Denton, a former member of the Lyceum, followed Mr. Trice with a forcible and spirited speech. He spoke of the importance of elocutionary training and the means which the Lyceum afforded for that training. He also spoke of the general improvement of society in an educational point of view. After the conclusion of Mr. Waddell's address, the ladies served the refreshments. Every one present was helped with a plate laden with a variety of cake and candy, and was supplied with plenty of old time beer. When the feast was over and order restored, Mr. John Rumbold was called to address the meeting. He responded in a short speech with his usual emphasis of expression. Mr. J. R. M'Nash, after repeated calls, arose and with concise and witty expressions, set the whole audience in a roar of laughter.

A motion prevailed to the effect that the Lyceum stand adjourned until the first Thursday evening in November next.

The meeting having been opened with prayer by Mr. A. R. Wright, was closed with prayer by Mr. Purnell Fleetwood.

NOTHING is more generally required, all over the world, than a safe, perfectly harmless and reliable purgative, medicine. All purgatives sometime produce pain during their operation, but Dr. Bull's Vegetable Pills are far less liable to gripe than any other medicine which is as effectual. Ask your druggist for them. Price 25 cents a box.

DENTISTRY.

Dr. Abiel Bowen, Dentist, is at Denton Tuesdays. Office in the building recently occupied as the Episcopal Church. Greensborough Saturdays. Office at R. Plummers residence. Persons wishing Dentristry other days can be waited on at my residence or at either of the above places by engagement.

IS YOUR LIFE WORTH TEN CENTS?

Sickness prevails everywhere, and everybody complains of some disease during their life. When sick, the object is to get well; now we say plainly that no person in this world that is suffering with Dyspepsia, Liver Complaint and its effects, such as Indigestion, Costiveness, Sick Headache, Sour Stomach, Heart burn, Palpitation of the Heart, Depressed Spirits, Billiousness, &c., can take GREEN'S AUGUST FLOWER without getting relief and cure. If you doubt this, go to your Druggists, Dr. Fisher or Chas. Stevens, and get a sample bottle for 10 cents and try it.—Regular size 75 cents. Two doses will relieve you.

THE PEOPLE WANTS PROOF.

There is no medicine prescribed by Physicians, or sold by Druggists, that carries such evidence of its success and superior virtue as BOSCHEE'S GERMAN SYRUP for severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs, a proof of that fact is that any person afflicted, can get a sample bottle for 10 cents and try its effect before buying the regular size at 75 cents. It has lately been introduced in this country from Germany, and its wonderful cures are astonishing everyone that use it.—Three doses will relieve any case. Try it—Sold by Dr. Fisher and Chas. Stevens, Denton Md.

Marriages.

TODD—ALFORD.—On the 29th ultimo, at the Concord M. E. Church, by Rev. Jas. H. Rich, Mr. JOHN H. TODD, and Miss SARAH. E. ALFORD, all of this county.

WILSON—DIXON.—On the same day by the same and at the same place, MR. HENRY FRANCIS WILSON and Miss ELNOR DIXON, all of this county.

HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines.
Price One Dollar.

Buckingham's Dye.

FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in *one preparation;* which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
