American Union

Thursday Morning May 27 1875

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

The Orphans' Court of Caroline county will meet on Tuesday, 8th of June, 1875.

The Editor's Hash.

—Our farmers have about finished planting the corn crop.

—Twenty-three cases of scarlet fever is reported at Georgetown, Del.

—A half ounce of sweet oil is said to be a sure cure for the chicken cholera.

—Messrs. Brown & Mitchell at Federburg are shipping a car load of peach baskets a day.

—Hon. Jesse D. Bright, formerly U. S. Senator from Indiana, died in Baltimore city last week.

—There are only ten Democratic aspirants for the mayoralty of Wilmington, Del., this year.

—Harford county presents four candidates for State's Attorney and twelve candidates for Sheriff.

—The streets of Middletown are to be macadimized by the application of seventy tons of oyster shells.

—Mr. David Huggs, working in Satterfield & Moor's basket factory at Greensborough, puts up a peach basket in two minutes and a half.

—We have been suffering for sometime past with dry weather and dust. On Tuesday we had a light rain which has greatly benefited vegetation.

—A woods meeting under the auspices of the M. E. Church South will be held near Ridgeley, commencing Friday June 4th and continue one week.

—W. W. Tschudy of Smyrna, has already sold over 100,000 peach baskets, and has contracted for over 200,000 more.—This looks like business among peach men.

—Over fifty thousand people attended the revival services of Moody and Sankey at Bow Hall and the Opera House in London on Sunday, and a thousand visited the "Inquiry Rooms."

—Capt. Silas Morris, of Seaford, Del., was drowned in the Patapsco river last week, being knocked overboard by collision with the schooner Thomas and Wm. Dickerson, hailing from Onancock, Va.

—We have written upon the fly leaf of an old book in this office the following memorandum, "1834, May 16th, white frost which remained until the sun was an hour high, to be seen at the distance of 100 yards.

—Wm. S. Ridgeley, Real Estate Agent of this place, sold last week a small tract of land near Greensborough, known as the T. T. Martin lot, containing 27 acres, to Mr. A. B. Eckheart, of Tioga county, N. Y. for $660.00.

—Samuel Hambleton and Edward Lloyd, of Talbot county, and Wm. C. Satterfield of this county were appointed by the Board of Public Works as State Directors in the Md. & Del. Railroad company on the 17th inst.

—The ladies Mite Society of the M. E. Church of Greensborough, will hold a festival at the Town Hall, over West & Roe's cannery, on the 3d, 4th and 5th of June; Thursday and Friday evenings and Saturday afternoon and evening. The public are cordially invited to attend.

—The telegraph line of the Md. & Del. R. R. will be extended to Smyrna in order to establish the "relay" in that town.—The Clayton office will have enough work of its own this summer to engage the undivided attention of the operator. It is also somewhat in anticipation to run into the same town the line from Chestertown.

—As the Democrats in Maryland are likely to have everything their own way at the fall elections, the political pot has begun to boil in Baltimore city even before the summer solstice commences. Aspirants for the Gubernatorial office are pressing their claims by wire-pulling, party caucus, ward meetings and every other devise

—We invite the readers' attention to the advertisement of Tuthill & Avery, Easton, Md., in our columns this morning. They are reliable business men and deal fairly with their customers. If our farmers want a reaper, mower, horse rake or any other agricultural implement this is the place to purchase. Try them one time and be convinced.

that can be made available to ensure success. A nomination may be regarded as equivalent to an election, hence the ring fight has commenced and whoever receives the majority of votes in the nominating convention may be regarded as the next Governor of Maryland, and the formality of an election might as well be dispensed with and at the set time fixed by the Constitution of the State, inaugurate the successful nominee of that convention.

—The St. Michaels *Comet* wishes to know what we have to say about a statement made several weeks ago in which we stated that Jacob Wilson, of Worcester county, was convicted for larceny, when we should have said he was convicted in Somerset county. Well, we were great deal nearer the truth than the *Comet*, when it stated he was convicted in our court.—We knew the affair occurred way down somewhere near the jumping off place.

—Wm. Smoot, of South Milford, has been selling crooked whiskey for some time past without a license, while Justice M. Lowery, of North Milford, has been selling whiskey straight for which he pays a license. Recently Lowery preferred charges against Smoot and had him held in twelve cases in the sum of $2,400 to answer at Court. And now comes Smoot's turn and he charges Lowery with eighteen violations of the law and has him bound over for Court in $200 in each case. This is clearly a case of "dog eat dog and no meat lost."

The annual excursion of the Peninsular Press Association will take place on the 15th, 16th and 17th of June. The excursion will be to New York by way of the Junction and Breakwater R R. and the Old Dominion steamship line. One day will be spent in New York, returning by way of Philadelphia and time sufficient given to inspect the centennial buildings now in course of construction.

Sudden Death.

A colored woman, residing in the northern limits of the town, named Hester Smith, died very suddenly on Monday evening last. She had been out at work all day and returning to her home a little after sundown, was taken suddenly ill, and in ten minutes was a corpse. It is said she died from a fit of madness, brought on while correcting a child for some wrong it had committed in her absence. Dr. Wm. H. Downes was called to administer to her relief, but when he arrived she was passed all hopes of recovery.

The Death of a Worthy Colored Man.

Stanford Potter, for many years a citizen of this place, and well known to the most of our citizens as a worthy mechanic, died at his residence in this town on Thursday morning last. Stanford was a blacksmith by trade and a good and faithful workman. By his industry and economy he had amassed some property. He had enjoyed remarkable good health until within about two years past, when he was stricken with paralysis, since which time was unable to labor and thus lingered until death came to his relief. He was aged about 64 years.

Federalsburg Items.

The new M. E. Church in "Puckham" was dedicated last Sunday, ministers officiating, Rev. J. M. Williams, of Dover, C. W. Prettyman, of Sudlersville, and J. B. Mann, of New Castle; the last named conducted the financiary successfully.

It is rumored that the Editor of the Maryland *Courier* desires to serve the good people of "Dorset" in the Legislature, so it seems that Church Creek is not all that is "*hungry*."

Work was commenced on the new school house on Monday and ere long the "Burg" will be able to compare with any other village in the county in school houses.

Death of a former Citizen of this County.

A private letter from Blooming Grove, Indiana, informs us of the death of Mr. William Norris, on the 18th inst., aged 71 years, 8 months and 23 days, after a protracted illness of more than six months.—Mr. Norris was born in this county in 1803, and continued to reside here until December, 1871. Previous to his removal West, he resided in this town and was well known to the most of our citizens. He was a man of quiet and peaceable disposition and held in esteem by those who knew him best. In 1854 he professed a change of heart and united himself with the M. E. Church. In his last illness he still professed that faith in Christ which he declared had sustained him through all the vicisitudes of life from the moment he experienced the spiritual birth. He leaves a widow and ten children to mourn his death.

The Orphan's Court.

Court met according to adjournment, Present Hon. Wm. A. Ford, Chief Judge, Jarrell and Sparklin, Associates.

R. C. Carter, adm'r. of Jas. B. Morgan, returned account of sales. Passed.

In the matter of the petition of Isaac M. Kinnaman for the revocation of the guardianship of Henry Connolly to Wm. Kinnamon, minor, the Court having read and considered the petition and heard the argument of counsel revoked the guardianship.

J. T. Sangston, adm'r., C. T. A. of Elijah Chance presented inventory and appraisement. Passed.

Order to sell the personal estate of Elijah Chance, granted to John T. Sangston, adm'r.

Letters of administration granted to R. J. Potter, on the estate of Stanford Potter, deceased.

Death's Doings.

The dark winged messenger death has been in our midst for some time past and old and young have fallen victims to the fell destroyer. Neither age, condition or sex are exempt from the fatal arrows of this mighty archer.

We are called upon this morning to record the death of another of our citizens, whose early demise deserves more than a mere passing notice. Wm. M. Pearce, comparatively a young man, scarcely in the prime of life, died at his residence, near this place on Tuesday evening last. His disease was that of pneumonia and his illness of but a few days. He was a young man of sober and industrious habits and held in the highest esteem by the citizens of this community. He was a man of noble and generous impulses; kind, sociable and obliging. His premature death, in the full tide of manhood, has cast a gloom over the hearts of sorrowing friends. In the late unhappy civil strife he was a member of the first Eastern Shore Regiment, and by his genial disposition and soldierly traits of character, won the confidence and esteem of his superior officers and became a great favorite with his companions in arms. In his retirement to the more peaceful pursuits of life he has exhibited all the characteristics of good citizenship. He leaves a widow and two small children who have the warmest sympathies of this community in their sad bereavement.

Marriages.

TOWERS—TODD.—At the Harmony M. E. Church, on Tuesday evening last, by the Rev. J. O'Neill, Mr. E. MADISON TOWERS and Miss MOLLIE D. TODD, all of this county.

Deaths.

ROE.—On the 21st May, at Leipsic, Del., Mrs. MARY ROE, formerly of this county, in the 79th year of her age.
Chestertown papers copy.

Peninsular Waifs.

CECIL COUNTY.

Wood Lawn camp meeting commences 3d of August.

The Elkton merchants, after June 1st will close their stores at 8 o'clock every night in the week, except Saturday nights when they will remain open until ten o'clock.

The death of Eli Janney, said to have been the oldest citizen of Cecil county, is announced.

The potatoe bug has visited Cecil county and there as elsewhere, is active and energetic.

A fire broke out on Red Hill, in the woods of James Merry and Dr. Cooper, on Thursday week, near the railroad, which was subdued before much damage had been done. On Sunday afternoon the flames again broke out, and, being fanned by a strong wind, spread in the woods rapidly and ran over a large track of Mr. Merry's land, doing considerable damage to his fences.

KENT COUNTY.

Rt. Rev. H. C. Lay, Bishop of the Diocese of Easton, confirmed a class of seven persons at Chestertown last week.

The real estate of A. L. Gooding, dec'd. was disposed of last week. A half interest in a store house at Galena brought $428.00 subject to dowery. A store house at Chesterville, subject to the same incumbrance, brought $1,329. Gooding's Mill, subject to yearly rental of $115 and dower sold for $4,210.

The trains on the Kent county railroad, from Chestertown to Massey's are now run on through to Clayton, over the Bombay Hook extension, instead of connecting at Massey's with the Kent and Queen Anne's road on to Townsend. By this plan the Kent county can have an independent route which induces the change. The distance from Massey's to Clayton is ten miles.

QUEEN ANNE'S COUNTY.

Marion Dawson has sold his mercantile stock to S. E. Dyott who will hereafter conduct the business.

The fruit crop in Queen Anne's is reported uninjured.

The Circus and Menagerie was visited at Centreville by about 1500 people.

The M. P. Church of Centreville will hold a camp meeting at the old Wye camp ground, commencing Friday 30th July.

A negro man last week met Ellsworth Bryan, aged about 14 years, on the public road near Ford's Store, stopped him, knocked him down and beat him severely. The negro made his escape.

The annual convention of the P. E. Church meets at Centreville on the 2d of June and will remain in session for three days. About 65 clergy and laymen are expected to be present.

TALBOT COUNTY.

The Mill house at Pott's mill was destroyed by fire on Friday night last.

The M. E. Sabbath School of Easton contemplate making an excursion to Baltimore on the 9th of June.

The Maltby House, Carrolton, Entaw, Barnums and Mansion House, each contributed an immense fruit cake to the festival held last week at the town hall, Easton.

Delcamp and Flick, of Pennsylvania, have bought the Carter farm in Chapel district for $1,800, and W. H. Brocket, of New Haven, another farm in the same district for $1,300.

DORCHESTER COUNTY.

Mr. Charles H. Johnson, of Wisconsin, has purchased 113 acres of the home place of Judge W. P. Dail, of Town Point, for $3,700. Mr. Benjamin L. Fooks has purchased the old home of Jacob Corsey, on Tedious creek, for $2,000.

The citizens of Cambridge, are arranging for a steamboat excursion to Baltimore on Wednesday, June 2, having chartered the steamer Champion for the purpose.

A sturgeon was caught last week off Chandler's Point measuring seven feet in length and weighed some two hundred pounds.

A very interesting revival is in progress at the M. E. Church south, Cambridge.

A third ship yard is about being started in Cambridge.

Cambridge jail is pretty well supplied with lunatics at present and the Democrat is of the opinion that more comfortable quarters should be provided.

If your tongue is coated or if you have a bad breath take a dose of Dr. Bull's Pills. Price 25 cents.

DENTISTRY.

Dr. Abiel Bowen, Dentist, is at Denton Tuesdays. Office in the building recently occupied as the Episcopal Church. Greensborough Saturdays. Office at R. Plummers residence. Persons wishing Dentristry other days can be waited on at my residence or at either of the above places by engagement.

IS YOUR LIFE WORTH TEN CENTS?

Sickness prevails everywhere, and everybody complains of some disease during their life. When sick, the object is to get well; now we say plainly that no person in this world that is suffering with Dyspepsia, Liver Complaint and its effects, such as Indigestion, Costiveness, Sick Headache, Sour Stomach, Heart burn, Palpitation of the Heart, Depressed Spirits, Billiousness, &c., can take GREEN'S AUGUST FLOWER without getting relief and cure. If you doubt this, go to your Druggists, Dr. Fisher or Chas. Stevens, and get a sample bottle for 10 cents and try it.—Regular size 75 cents. Two doses will relieve you.

THE PEOPLE WANTS PROOF.

There is no medicine prescribed by Physicians, or sold by Druggists, that carries such evidence of its success and superior virtue as BOSCHEE'S GERMAN SYRUP for severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs, a proof of that fact is that any person afflicted, can get a sample bottle tor 10 cents and try its effect before buying the regular size at 75 cents. It has lately been introduced in this country from Germany, and its wonderful cures are astonishing everyone that use it.—Three doses will relieve any case. Try it—Sold by Dr. Fisher and Chas. Stevens, Denon Md.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Billous Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery or Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy and Dropsical Swellings**, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
