Maryland Politics.

The Baltimore *Sun* last week thus speaks of a recent meeting of a new party held at Reclaible Hall, in that city, said to be engaged in making up a municipal ticket.—Nothing is known definitely about the meeting or its deliberations or whom the delegates represent, though it is believed they are the party opposed to sectarian appropriations, in regard to which there is a suit already in the courts, and in favor of taxing all church property. While nothing is definitely known in regard to the convention, it is supposed to represent an organization which has branches in the State as well as in the city, and which has been in existence for some time, though not of a purely political character. A convention to nominate candidates for the Legislature is soon to be held.

The Wilmington *Commercial* learns from a private source that the Independent movement is about to take definite shape, and that Hon. William T. Hamilton will be selected to lead the ticket to be placed in the field in such manner and with such cordiality that it is believed he will not decline.

The Cambridge *Democrat* of last week alluding to the political outlook in that county thus speaks of the political condition of affairs in Dorchester county.

"All can see and feel that a gradual disintegration of parties is taking place; that party fealty is not strong; that independence in voting is rapidly increasing in all parties, and prejudices are dying out; that men—true, honest and capable men—more than anything else is what the people demand of their office-holders. The arguments with all voters are that the offices were created for the good of society, the preservation of law, order and property, and not for the special benefit of the individual who may fill or desires to fill the office. That the officers are public servants, and the people have a right to demand of them competency, uprightness and strict integrity similar to that demanded of any other employee."

A letter written by a citizen of Queen Anne's, signed "*Farmer*," appeared in the Baltimore *American*, of Saturday, in which the writer says:—Hundreds of our most solid Democrats in these upper counties are looking to Baltimore to lead off in the Reform movement with deep interest. Give us J. Morrison Harris or any other good conservative man, and Dorchester, Talbot, Caroline, Kent and possibly Queen Anne's will give respectable majorities for the ticket. If any one doubts this let him go amongst our farmers, mechanics, and those who have never been politicians, and find those who will vote for Carroll. Our people prefer not to have anything to do with politics except vote our sentiments, but we cannot support this Ring ticket gotten up by Pinkney Whyte and Doc Slater, and forced upon us by "fraud."

A writer it the Annapolis *Republican*, a Democratic newspaper, discourses thus:

"The air is full of rumors. The Ring have overwhelmed the people. It was a great outrage this nomination of Carroll for Governor. He is the spawn of an illegal convention, secured by the Baltimore delegation, who was chosen by fraud.—We, the unterrified Hamilton men of the Democratic party, will not stand it. The party has got to be a close corporation, and to oppose their leadership is to bring down the whole pack, Blanche, Tray and Sweetheart upon our devoted heads. Be it so. We are organizing to bring out a State ticket for all the people. Delegates to a State Convention for this purpose are being appointed by the Independent movement in Baltimore city, and before long will culminate in a nomination that will give weight and character to this movement. The city of Baltimore is throughly organized with large working lodges in every ward, besides a grand lodge of one hundred, composed of the very best men of all parties, who are determined to overthrow the Ring and their riders, Church and State, and every corruption. Tell the people to close up the ranks and to prepare for the great contest this Fall, that will revolutionize the politics of the good old State of Maryland."

The Currency Question.

Hon. Reverdy Johnson has written a letter on the national currency question in which he takes strong grounds in favor of gold and silver as the only legal tender of the country. He is antagonism to the Ohio Democratic platform and to the irresponsible rag money system so strongly advocated by some of the leading politicians of both parties. Mr. Johnson sums up as follows: That the only currency known to the constitution is gold and silver, or paper convertible into it on demand.

That nothing but gold and silver can be made a legal tender.

The government now being perfectly safe, no danger threatening it, or being apprehended. Congress has no power to authorize the issue of an irredeemable currency and to make it a legal tender.

That the credit of the nation, the true, permanent prosperity of every class of our citizens, and the arrest of the demoralization consequent upon the present state of things, demand as speedy a return as practicable to a specie currency.

SHOCKING ACCIDENT.—J. W. Bradley, of East New Market, Dorchester county, Md., was thrown from his wagon the other day. In his fall he became entangled in the axle apparatus or running gear and was dragged some distance in this perilous position by the affrighted horses. He was finally rescued in a horrible mangled and dead condition and conveyed back home. His right ankle was badly broken and the bone driven through the flesh. His foot was twisted out of shape, a gaping wound was ground in his right thigh and other portions of his body were badly bruised.—His recovery is doubtful.—*Cam. News.*

News and Other Items.

One hundred and forty-nine carloads of peaches, containing 74,400 baskets, arrived in Jersey City, N. J., Saturday.

Mr. Charles Francis Adams is the heaviest taxpayer at Quincy, Massachusetts, his tax being $4,673.

A wag remarks that railroads are now built of three gauges, viz: broad gauge, narrow gauge and mortgage.

The Signal Office reports a snow storm on Pike's Peak, on Wednesday, with the thermometer at 33 degrees.

Enoch Morris, 81 years old, has cleared this year with his own hands 12 acres of new ground in Paulding county, Ga.

Owing to the heavy rains in the last two weeks, the upper Delaware has risen sufficiently to enable the lumbermen to get down their rafts, most of which will now be floated to tidewater.

The recent dinner of the Lord Mayor of London to the Prefect of the Seine cost $90,000.

It is thought that 1,000,000 pineapples will be shipped from Florida this year.

A stray bolt of lightning made a hole through a Virginia feather-bed, thus upsetting an old theory.

Northern Pacific: First they broke ground; then broke the stockholders. The first with great ceremony; the last with no ceremony.

The body of Miss Philpott, drowned last week before the Cave of the winds, Niagara Falls, was recovered Sunday in the whirlpool. It could be identified only by the clothing.

Congressman Chapin, of Mass., was once a stage driver, and is now worth $10,000,000. Probably he had the wheel of fortune on his stage.

Forty-three postmasters have been removed in various parts of the country for improper disposition of postage stamps and unjustly increasing their salaries there by.

A reward of $600 is offered for information that will lead to the discovery of the party who murdered John Thomas Ford, at St. Michaels, a short time since.

Yarmouth and Shurlburn counties, Nova Scotia, have been invaded by army worms, and the farmers are suffering greatly from them in Halifax county. They are confined to the eastern section.

Mrs. Hannah Rogers, of Ardmore, on the Pennsylvania railroad, near Philadelphia, was drowned while bathing at Atlantic City, N. J., Saturday, whither she had gone with a party of excurtionists.

Two tramps called at the Manton House, R. I., Friday night, and after being fed demanded liquor. This being refused, one drew a revolver and shot J.E. Philips, the proprietor, through the head. The tramps escaped.

Much excitement has occurred at the St. Louis county insane asylum over the death of four inmates from the administration of a sedative mixture to make them sleep.—Their names are Ann E. Newman, Christiana Koenig, Anna Peters and Joseph Rockford.

Three thousand four hundred and thirty-five gallons of high wines have been seized at Philadelphia on suspicion of beeing "crooked," as it came from F. Bergenthal & Bro., Wisconsin distillers, who have been implicated in recent frauds.

One day, at a farm-house, a wag saw an old gobbler trying to eat the strings of some night-caps lying on the grass to bleach. "That," said he, "is what I call an attempt to introduce cotton into Turkey."

Mr. Jefferson Davis will not deliver that address at the Rockford (Illinois) Agricultural Fair. The invitation was extended by the Secretary of the Society on his own responsibility, and so much opposition has been developed that it will be withdrawn.

President Grant spent Saturday and Sunday at the camp-meeting at Fairpoint, on Chatanqua Lake, New York, and was made the recipient of honors and attentions en route and on the spot. Sunday he was presented with a couple of Bibles by Rev. Mr. Vincent in behalf of the Chautaqua assembly.

A citizen of Louisiana has brought suit against General Sheridan for over $350,000 damages for property which was destroyed in 1867. The defence is that General Sheridan was acting under orders. Testimony is to be taken preliminarily in New York.

The Democratic majority on members of Congress in North Carolina for 1874 was 20,675, and in 1875 the State goes Republican, by a popular majority of not less than 10,000.

B. B. Halleck and T.W. Brown, recently arrested for complicity in the treasury robbery, have been committed to jail in default of $40,000 bail.

IMMIGRATION to the United States has fallen off decidedly since the financial revulsion of 1873. In 1874 it was less than in 1873, and in 1875 it is less than for the corresponding period of 1874. In fact the number of arrivals of every nationality, except the Chinese, shows a marked decrease, and it is thought that if matters do not change the total number of arrivals at New York for the year will be less than 100,000, whilst in former years it was sometimes thrice that number. In June, 1875, there came into New York 12,989 immigrants, compared with 20,602 in June, 1874. In the three months, April, May and June, this year, the arrivals were 45,566, whilst in the same three months of last year they reached 68,955. There was a decrease of one-third compared with last year, which itself showed a decided decrease on 1873.

AN ANIMATED HITCHING POST.—At the Laurel depot, the other day, an old man from the country drove up and hitched his horse to the rear end of the mixed train, which was standing in the station. Presently the whistle sounded and the train started off, its speed increasing that of the terrified horse on behind. The owner was greatly excited and in stentorian tones commanded the train to stop, but on it went with its novel addition, and the old man was about to conclude that his horse was gone forever, when it suddenly got tired of that foolishness and with a strong jerk broke the hitching strap and was free again. The scene afforded much amusement to the bystanders.—*Wil. Commercial.*

INDIGNATION AGAINST JEFFERSON DAVIS.—A dispatch from Rockford, Illinois, says there is great excitement in Winnebago county, in that State, over the announcement that Jefferson Davis will speak at the fair this year. The Grand Army of the Republic have held an indignation meeting and passed resolutions against the board of directors inviting him. It is declared that the feeling of indignation is not to be allayed, unless Mr. Davis cancels his engagement.

DOES FARMING PAY?—Ten years ago Messrs. Wm. McKenney and Samuel T. Earle purchased the "Sleeper Farm," near Wilson's Mill, which was renting at that time for $150 a year, and it was regarded as a big rent. Since then they have sold off $2,000 worth of land, and so improved the farm that this year they raised 1,700 buchels of wheat, and will get 500 barrels of corn.—*Centreville (Md.) Observer.*

The Revivalist Preachers.

Messrs. Moody and Sankey, the revivalist preachers, arrived in New York on Saturday by the steamship Spain, from Liverpool. At the request of both there was no formal reception, but the following named persons met the steamer in the bay and tendered them a cordial welcome: L. R. Rowland, of Philadelphia; the Rev. G. C. Needham, of Philadelphia, (the Irish evangelist;) D. H. McWilliams, of Brooklyn; Wm. E. Dodge, Jr., George H. Stewart, president of the Evangelical Alliance, and John V. Farwell, of Chicago. Upon arriving at the dock the Rev. G. C. Needham offered a prayer of thanks for the safe arrival of the preachers, which was joined in by both Mr. Moody and Mr. Sankey.—Mr. Moody was accompanied by his wife and two children, and Mr. Sankey by his wife, three children and brother. Among the other passengers by the vessel was the Rev. Sabine Knight, the English evangelist to the freedmen. Messrs. Moody and Sankey say that they have concluded not to renew their labors for two months. Mr. Moody will proceed to Northfield, Mass., whilst Mr. Sankey will probably spend the greater portion of his time in Philadelphia. Mrs. Van Cott, whose revival labors in Baltimore are well remembered, is now in attendance at the Summit Grove camp meeting, York county, Pa., and was announced to preach there Saturday morning.

DEATH ON A CAMP GROUND.—About noon on Friday last Mrs. Sarah H. Charlton, wife of Benj. Charlton, of Washington, while in attendance upon the Washington Grove camp-meeting, at Gaithersburg, Md., was suddenly stricken with paralysis, and died within an hour. Mrs. Charlton was the daughter of Thomas Havenner, the well-known baker of Washington, and was in her forty-eighth year.

PROCLAMATION.

WHEREAS, The Constitution of the State of Maryland, by Article 14, section 1, directs amendments to the Constitution, to be made as follows:

"The General Assembly may propose amendments to the Constitution, provided that each amendment shall be embraced in a separate bill, embodying the Article or Section, as the same will stand when amended and passed by three-fifths of all the members elected to each of the two Houses, by yeas and nays, to be entered on the Journals, with the proposed amendment. The bill or bills, proposing amendment or amendments, shall be published by order of the Governor, in at least two newspapers, in each county, where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers published in the city of Baltimore, one of which shall be in the German language, once a week for at least three months, preceeding the next ensuing general election, at which the said proposed amendment shall be submitted, in a form to be prescribed by the General Assembly, to the qualified voters of the State, for adoption or rejection. The votes cast for or against said proposed amendment or amendments, severally, shall be returned to the Governor, in the manner prescribed in other cases, and if it shall appear to the Governor that a majority of the votes cast at said election on said amendment or amendments, severally were cast in favor thereof, the Governor shall, by his proclamation, declare the said amendment or amendments, having received said majority of votes, to have been adopted by the people of Maryland, as part of the Constitution thereof, and, thenceforth, said amendment or amendments shall be part of the said Constitution. When two or more amendments shall be submitted, in manner aforesaid, to the voters of this State, at the same election, they shall be so submitted, as that each amendment shall be voted on separately."

AND WHEREAS, An Act of the General Assembly, at January Session, 1874, Chapter 264, was passed, for amending the Constitution of the State, as follows:

"*An Act to amend Section 8, of article 4, of the Constitution of the State of Maryland.*"

"SECTION 1. *Be it enacted by the General Assembly of Maryland, three-fifths of all the members of the two Houses concurring,* That the following section be and the same is hereby proposed, as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof, as provided, it may be the same to supercede and stand in the place of Section 8, of Article 4, of said Constitution."

"SECTION 8. The parties to any cause may submit the same to the court for determination without the aid of a jury, and in all suits or actions at law, issued from the Orphans' Court, or from any court, sitting in equity, and cases of presentments or indictments for offences, which are or may be punishable by death, pending in any of the courts of law, in this State, having jurisdiction thereof, upon suggestion, in writing, under oath, of either of the parties to said proceedings, that such party cannot have a fair and impartial trial in the court in which the same may be pending, the said court shall order and direct the record of proceedings in such suit or action, issue, presentment or indictment to be transmitted to some other court, having jurisdiction in such case, for trial; but, in all other cases of presentment or indictment, pending in any of the courts of law in this State, having jurisdiction thereof, in addition to the suggestion, in writing, of either of the parties to such presentment or indictment, that such party cannot have a fair and impartial trial in the court in which the same may be pending, it shall be necessary for the party making such suggestion, to make it satisfactorily appear to the court that such suggestion is true, or that there is reasonable ground for the same; and thereupon, the said court shall order and direct the record of proceedings, in such presentment or indictment, to be transmitted to some other court having jurisdiction in such cases for trial, and such right of removal shall exist upon suggestion, in cases when all the judges of said court may be disqualified, under the provisions of this Constitution, to sit in any such case, and said court, to which the record of proceedings in such suit or action, issue, presentment or indictment may be transmitted, shall hear and determine the same in like manner, as if such suit or action, issue, presentment or indictment, had been originally instituted therein, and the General Assembly shall make such modification of existing law as may be necessary to regulate and give force to this provision."

Collosal Gold Sheaf Seed Wheat

THE ATTENTION of Farmers is specially invited to this new cereal, which for its prolific qualities, hardiness and freedom from disease, perhaps out rivals all other acclimated varieties. Its perfect adaption to every variety of soil and climate makes it a peculiar favorite with both American and British Farmers.

It matures in about twenty days less time than oats.

It is a remarkable grain to stand severe drought.

It yields form 40 to 90 bushels per acre.

The heads will average ten inches in length (We will send sample specimen heads to Farmers on receipt of ten cents, by mail, which will be a life evidence of the enormous growth of the wheat. Agents to whom we have sent specimen heads are making enormous profits, showing the heads to their neighbors, and taking orders.)

The stalk is sufficiently strong to support the head and prevent its lodging The grain for stock food is equal if not superior, to Indian corn. It ripens while the stalk is yet green. We have tested its superiority as far North as Ontario and Quebec, and as for South as New Mexico, providing its perfect adoption to every variety of soil and climate in North America.

Terms, cash. No C. O. D. packages sent out.

Sample packages sent postage paid, for $1.10 by mail. One bushel, by Express, $7. Ten bushels, by Express, $25. Send money by Registered Letter, at our risk. Address.
