Facts
FOR THINKING PEOPLE

There are a few, perhaps half a dozen of real excellence, differing from one another more or less in principle, construction and adaptation; one being suitable for tailoring, another for bootwork, another for family use, &c., &c., the rest are inferior, and by far the greater number

ARE WORTHLESS.

It is note worthy that the sewing machine for which the highest premium was awarded at the World's Fair in New York in 1853, long since sunk into merited oblivion. The past fifteen years has seen numerous machines with high sounding pretensions, rise with a flourish, confound the simple and vanish.—So will it be while credulity lasts.

Time Tries all Things.

Use only furnishes the final test. As the purchase of a Sewing Machine is, or may be, the act of a life-time, care should be taken to get what time and use have approved.

During the past six years the Howe Machine Co, have made and sold over

600,000
SEWING MACHINES,

and to-day, though manufacturing at the rate of one per minute can hardly supply the demand. What better evidence is needed to prove that the public have decided that they are

THE BEST.

Ayer's
Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve, and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely, for full protection. By curing Coughs, and Consumers of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed; it challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.
