American Union

Thursday Morning Oct. 7, 1875.

THE Orphans' Court of Caroline county will meet on Tuesday, 12th of Oct., 1875.

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

MR. E. Madison Towers is our authorized agent for the collection of bills due this office. He will present accounts to those indebted to this office in a few days and we hope those waited upon will pay him at once. His receipt will be good against us. We have not the spare time to present these claims ourself in person, hence the necessity of procuring the aid of an agent.

The Editor's Hash.

—"*A Retrospect*" and "*Make Home Happy*," by J. R. Lee, were received too late for the present issue but will appear next week.

—The Democratic primaries to select delegates to the county convention to nominate a ticket, takes place in each election district on Saturday next.

—The Reform mass meeting held at Monument Square, Baltimore, on Friday night last is said to have been the largest assemblage ever convened in that city.

—On our fourth page will be found the speech of Hon. J. Morrison Harris accepting the nomination of the Reformers for the position of Governor of Maryland.—Read it.

—Thompson & Kersey, at Easton, have just received from the cities a beautiful stock of Fall goods which they are offering at bottom prices. See advertisement in this paper.

—The Delaware State *Sentinel*, published at Dover, came to us last week greatly enlarged and otherwise improved. It is an excellent newspaper, neatly printed and deserving of success.

—Capt. Jas. M. Carver, at Harrington, Del., raised a sweet potato the present season weighing six pounds and three ounces, and two others were found in the same hill weighing two pounds apiece.

—The Senatorial Scholarship for this county to St. John's College, Annapolis, was awarded by the school Board for this county to Master Chas. Byrn, of this town, and W. Golly, of Templeville.

—Levin D. Murry, of Sussex county, Del., was arraigned before Commissioner Smith last week for violating the liquor law by selling "Bitters" which produced drunkenness. He was held to bail in $300.

—Here is a chance for grangers. Col. Wilkins, the Reform candidate for Comptroller is a farmer and raised the present year 33½ bushels of wheat to the acre on his farm in Kent county. He is honest, competent and faithful.

—The candidates for State officers on the Reform ticket; Hon. J. Morrison Harris, Hon. S. Teackle Wallis and Col. Edward Wilkins, will address the people of this county sometime about the 27th of this month, of which due notice will be given.

—Mr. Wm. Fell, of the Brick Hotel of this place, last week presented us with a two pound sweet potato, grown by him in a lot adjoining town. It was of the yellow variety so popular with potato growers of Virginia, from whence the seed were obtained.

—Our farmers are as busy as bees, sowing fertilizer and seeding their wheat crop. In addition to what is being manufactured here, we should judge two hundred tons or more of the different fertilizers have been purchased from the cities for this neighborhood.

—Peaches have played out except a few of the very late varieties and these are exceedingly scarce, and with their disappearance canning operations have nearly come to a stand still. Business may continue for a few days on tomatoes but cannot last long as frosts will interfere and put a stop to canning operations.

—The steamer Highland Light resumed her trips to this place on Saturday last, and will continue the balance of the season.—A report was put in circulation by some one last week that she had discontinued her trips, but we have the very best authority for saying the company had no such intention. See advertisement in another column.

Orphans' Court.

Court met according to adjournment.—Present Wm. A. Ford, Chief Judge, Jarrel and Sparklin, Associates.

Court passed final receipt and release from Elizabeth Towers to Geo. H. Moore, Executor of Thos. Towers, deceased.

Court passed third account of guardianship of Isaac W. Jump, guardian to Harriet C. Green, his ward.

Court passed first guardian account of Harriet Betts, guardian to A. Bell, her ward.

Court passed first account of guardianship of John Whitaker, guardian to William, John, Linford and Emeline Wilson.

Court ordered that R. C Carter, administrator, give notice required by law to creditors of Wm. M. Pearce, dec'd.

Court ordered that R. C. Carter give the notice required by law to creditors of Jas. B. Morgan, dec'd.

Destroying Them Root and Branch.

Mr. Sylvester Smith, residing near Ridgeley, has a beautiful and thrifty peach orchard, now about in full bearing, covering a breadth of about 50 acres of land and embracing many varieties of fruit and among them Troth's and Hale's Early.—We passed his orchard one day last week and found he had played sad havoc with the two varieties named above. He had not cut them down but had literally plucked them up by the roots, and we should judge had used a stump puller to extract them from the soil, so thoroughly was the work done. We suppose about one thousand are already uprooted and how much further he intends to carry on the work of extermination we are not advised.

Peninsular Waifs.

CECIL COUNTY.

A tornado swept over a portion of the country on the Glascow road, two miles from Elkton on Thursday last, destroying shade and fruit trees, unroofed buildings and scattered fences in all directions.

The temperance question is still agitating the minds of the people of Cecil and there is strong demonstrations in favor of a suppression of the liquor traffic. Local Option is what is needed in Cecil.

KENT COUNTY.

The fifth annual fair of the Kent County Agricultural Association was held on Tuesday, Wednesday and Thursday of last week and was in every respect a success.

The "Round Top" peach plucks are a source of annoyance and trouble to the citizens of Chestertown and the *News* advises Mr. Harris never again to import such a motley crowd into that community.

C. T. Westcott, Esq., trustee and attorney, sold the farm of the late Thomas W. Ringgold, at the mouth of Grey's Inn creek, to Alexander Harris, of Baltimore, on the 27th ult., for $11,000.00.

QUEEN ANNE'S COUNTY.

A religious revival is in progress at the M. E. Church, Crumpton, under the pastorial charge of Rev. C. W. Prettyman.

The corner stone of the M. P. Church, in Piney Neck, Rev. John L. Straughn, pastor, was laid on Wednesday last.

Eddie, aged nine years, son of Capt. W. Start, of Wye Neck, was accidentally drowned from the schooner Oakland, near the Seven Foot Knoll, on Monday afternoon 27th ult.

TALBOT COUNTY.

The Governor has appointed Isaac B. Gibson, Esq., Justice of the Peace in the 5th District, to fill the vacancy caused by the resignation of J. H. Caulk, Esq.

The Republicans of Talbot county have nominated the following ticket. For the House of Delegates, H. C. Dodson, N. C. Fitzjarrell. For Sheriff, Wm. S. Grace. For County Commissioners, James Dixon, F. Davis, A. W. Fountain. For the Orphans Court, I. D. Clark, John C. Bartlett, Samuel Stewart. No nomination was made for State's Attorney, Chas. E. Shannahan, Esq., having withdrawn his name for the position.

Circuit Court.

The October term of the Circuit Court for this county commenced its session in this town on Monday morning last. The Court was called promptly at half past nine o'clock, His Honor Judge Stump on the Bench. An hour later and His Honor Chief Judge Robinson appeared in Court and took his seat beside Judge Stump.—Up to Wednesday morning the Court had been occupied with the following cases:—

John W. Downes vs Ennalls Hubbard, agent of Ellen T. Hubbard. Appeal. Jury trial. Verdict for appellant. Russum for appellant—Kemp & Hignutt for appellee.

R. B. Downes vs Dr. Wm. H. Downes. Appeal. Jury trial. Verdict for appellee for $24.03. Jump & Hignutt for Appellant—Bryant for appellee.

R. C. Carter vs Foster Green, assignee of Jas. Green. Appeal. Jury trial. Verdict for appellant. Bryant for appellant—Kemp & Hignutt for appellee.

Joshua Clark vs John Daily, Appeal. Trial before Court. Judgment reversed and judgment for appellant. G. W. Bryant for appellant—Downes for appellee.

W. W. Rickards & others vs Dr. John M. Downes. Appeal. Trial before the Court. Judgment reversed and judgment of *non pros.* Downes for appellant.

State of Maryland vs John W. Clarke. Presentment for neglect of duty as overseer of public road. Jury trial. Verdict of not guilty. Russum for State—Bryant for traverser.

Thos. F. Garey vs Thos. W. Fisher.—Debt $125. Jury sworn. On trial. Bryant for plaintiff—Downes & Kating for defendant.

Clerk presented his bond with Robert Jarrell, P. W. Downes and Robert B. Culbreth securities, which was duly approved by the Court and ordered to be recorded.

Thus far two presentments have been found by the Grand Jury.

School Fund.

The School fund for Baltimore city and the several counties for the quarter ending September 30th was distributed on Thursday last. The portion for this county for the white schools is $1,555.56—for the colored schools $587.

A BRITISH officer, writing from Teheran, Persia, to the London *Times*, remarks:—"A Cathartic Pill, manufactured by an 'American Chemist' (DR. J. C. AYER, of Lowell, Mass.,) has cured the Shah of Liver Complaint that threatened his life.—This simple fact as might be expected, renders the Americans immensely popular here, while the English are overlooked. Doubtless our own scholars made the discoveries which he employs, and thus it is in everything; we do the labor, and the mousing Americans put their mark upon it take the reward. DR. AYER is idolized by the Court and its retainers here, which will doubtless be reflected to him on a gold snuff-box, or diamond-hilted sword, while not the name even of Davy, Christison or Brodie—the great lights by which he shines—is known."—*New York Sunday Paper.*

"A friend in need is a friend indeed."—Such a friend is Dr. Bull's Cough Syrup, which should be in every family; it only costs 25 cents a bottle and may save many a doctors bill.

Marriages.

PURT—NOBLE.—On the 28th ult., at the residence of Ex-Sheriff Noble, by Rev. E. P. Aldred, MR. JOHN W. PURT and Miss HATTIE NOBLE, both of this county.

JOB PRINTING

NEATLY EXECUTED
AT THIS OFFICE.

TO CONSUMPTIVES.

The advertiser, a retired physician, having providentially discovered, while a Medical Missionary in Southern Asia, a very simple vegetable remedy for the speedy and permanent cure of *Consumption*, Asthma, Bronchitis, Catarrh, and all throat and lung affection,—also a positive and radical specific for Nervous Debility, Premature Decay, and all Nervous Complaints, feels it his duty to make it known to his suffering fellows.—Actuated by this motive, he will cheerfully send [free of charge] to all who desire it, the receipe for preparing, and full directions for successfully using, this providentially discovered remedy. Those who wish to avail themselves of the benefit of this discovery without cost, can do so by return mail, by addressing DR. CHAS. P. MARSHALL,
64 Niagara St., Buffalo, N. Y.

P. S.—Those who feel disposed, will please give symptoms in full. Great benfit will be derived therefrom. C. P. M.

DENTISTRY.

Dr. Abiel Bowen, Dentist, is at Greensborough Saturdays. Office at R. Plummers residence. Persons wishing Dentristry other days can be waited on at my residence or at the above place by engagement.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery or Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy and Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Collosal Gold Sheaf Seed Wheat

THE ATTENTION of Farmers is specially invited to this new cereal, which for its prolific qualities, hardiness and freedom from disease, perhaps out rivals all other acclimated varieties. Its perfect adaption to every variety of soil and climate makes it a peculiar favorite with both American and British Farmers.

It matures in about twenty days less time than oats.

It is a remarkable grain to stand severe drought.

It yields form 40 to 90 bushels per acre.

The heads will average ten inches in length (We will send sample specimen heads to Farmers on receipt of ten cents, by mail, which will be a life evidence of the enormous growth of the wheat. Agents to whom we have sent specimen-heads are making enormous profits, showing the heads to their neighbors, and taking orders.)

The stalk is sufficiently strong to support the head and prevent its lodging The grain for stock food is equal if not superior, to Indian corn. It ripens while the stalk is yet green. We have tested its superiority as far North as Ontario and Quebec, and as for South as New Mexico, providing its perfect adoption to every variety of soil and climate in North America.

Terms, cash. No C. O. D. packages sent out.

Sample packages sent postage paid, for $1.10 by mail. One bushel, by Express, $7. Ten bushels, by Express, $25. Send money by Registered Letter, at our risk. Address.

General Hardware.

Our stock is full and varied, comprising nearly everything in that line wanted in this section, and at the very lowest possible living prices. Carrying on, as we do, several lines of business under management, we are enabled to do so at a great saving in operating expense, the benefit of which we propose to give to our patrons, thereby offering special inducements to secure a larger trade and benefiting both them and us.
