American Union

Thursday Morning Oct. 21 1875

THE Orphans' Court of Caroline county will meet on Tuesday, 26th of Oct., 1875.

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

MR. E. Madison Towers is our authorized agent for the collection of bills due this office. He will present accounts to those indebted to this office in a few days and we hope those waited upon will pay him at once. His receipt will be good against us. We have not the spare time to present these claims ourself in person, hence the necessity of procuring the aid of an agent.

The Editor's Hash.

—Rail birds have departed as suddenly as they came, but whither they have fled is unknown.

—Wheat seeding is later this fall than usual. Some of our farmers are little behind with their work.

—That plucky little daily, the Wilmington *Every Evening*, has appeared in a new dress. This is evidence of prosperity and go-aheaditiveness.

—We had a fine rain on Saturday last which was much needed, the ground being very dry and preventing the recently seeded wheat from vegetating.

—Col. R. C. Carter has the greenest and most prosperous field of wheat we have seen this season. It makes a beautiful start for a heavy crop for the next year.

—The 17th annual Festival of the consecration of St. Paul's chapel, Hillsborough, will be celebrated on 26th Oct., S. S. Simon & Jude's Day. All are cordially invited to attend.

—The Easton *Gazette* notices the remark of the Denton *Journal* that local option here is a failure, pertinently puts the question to know "if the editor measures other people's corn by his half bushel."

—We have been presented with a radish, grown by Mr. Thos. L. Dawson, near Boonville, in this county, which measures 15½ inches in length and 14 inches in circumference. This is of mammoth size and hard to beat.

—We have received a lot of seedling peaches from Mr. Henry Jopp, residing some three miles from this place. They are a new variety and just ripe. The variety is a white skinned free peach and are ripe about the 20th of October.

—We invite the attention of our readers to the advertisement of Miss Julia Park to be found in our columns. She has just received a fresh supply of Fall and Winter millinery suited to the wants of the ladies. They are beautiful and will bear inspection.

—Protracted meetings are being held at the Bloomery and Wesley Chapel M. E. Churches on Denton Circuit, under the pastorial care of the Rev. E. P. Aldred, minister in charge. These series of meetings have been attended with considerable success.

—A competitive examination is to take place, it is said, at the close of the present quarter between the students of Denton and Greensborough Academies. Both schools have first class teachers and we may anticipate a spirited contest in this conflict of intellect with intellect for the mastery.

—A youth employed in the canning establishment of White & Dunning, a son of Mr. John Cahall, fell from the third floor of the building, through the trap door down into the basement, a distance of twenty-five feet, on Wednesday last, breaking his collar bone and was otherwise injured, but not fatally.

—Our readers when they visit Easton should by all means step into the dry goods emporium of Thompson & Kersey, who have on hand a fresh supply from the cities, selected with great care, the handsomest—the best and cheapest stock, adapted to the wants of the public and to suit the present season, ever offered in that market.

—Capt. Case & Co. have just delivered 134 tons of coal at our wharf to supply our citizens with fuel, but this amount was not sufficient to meet the demands and they have sent for 150 tons more, which will be ready for delivery next week.—Those in want of the article and who have not already given their orders, had better do so at once.

The Political Campaign.

Tuesday last was a busy day in Denton with the politicians. Three political meetings were held here on that day, viz:—the Ring Democrats held a mass meeting at the Court House which was addressed by Mr. Gwinn, their candidate for Attorney General, Hon. J. Lee Carroll, candidate for Governor, and several others—the Reformers assembled and nominated a second or opposition ticket, and the Republican County Central Committee met and passed resolutions declaring it inexpedient to nominate a county ticket. The campaign may now be considered fairly opened in the county.

The Reform Ticket.

We publish in another column the Reform ticket nominated on Tuesday last.—The ticket is composed almost entirely of Democrats—there being but one Republican upon it. It will compare very favorably with the ticket nominated by the Ring on the 12th inst., the Reform ticket having the advantage in the Legislative branch, and the remainder fully equally to the opposition in ability and business qualifications. It will be seen that the present Orphans' Court has been adopted by the second ticket and there can be no doubt of their re-election. The people of the county may congratulate themselves upon the election of either ticket, as the nominees are mainly a better class of men than are usually presented for their suffrages, and if elected will make good officers.

Peninsular Waifs.

CECIL COUNTY.

The local option men of Cecil are trying to induce both political parties to have printed on their tickets the words for "Local Option" to be voted at the approaching election, and by this means ascertain the sentiment of the people on this question.

The epizooty is raging in the livery stables of Elkton. Horses all on the sick list.

Geo. W. Davis, who peddles charcoal, met with an accident on Tuesday last near Wesley Chapel, in Elk Neck by his horse falling on him. His left arm and collar bone were broken.

A family of small children living on Back Street, Elkton, who were left alone, their parents being out at work, were playing with the coal oil lamps on Monday afternoon last. One of the lamps were broken and the oil spilled on the clothes of a child 2½ years old. The child afterward stood near enough to the fire to ignite the saturated clothing, which soon enveloped it in a flame that burned it to death in a few moments.

KENT COUNTY.

The October term of Kent county Court commenced at Chestertown on Monday.

Capt. John Russell, an old and esteemed citizen of Chestertown, died at his residence on High street, last Tuesday evening at the advanced age of seventy-one years.

Of the six men who went from Kent county to Randolph Macon College a year ago, but one has returned to resume his studies at the opening of the present session.

A dwelling, with nearly all its contents, 1 mile from Millington, was burned on Monday evening, the property of Robert Butcher, colored. The inmates were away; loss $300.

QUEEN ANNE'S COUNTY.

Some thief or thieves made a raid on Mr. Geo. W. Taylor's hog pen one night last week and stole two shoats, weighing about 75 pounds each and took them to the back of his barn and slaughtered them. They were well acquainted with the premises and had been there before.

TALBOT COUNTY.

Rev. J. H. Hughes, recently of this place, colored pastor of the A. M. E. Church at Easton, has recently been the recipient of a quantity of the necessaries of life contributed by his congregation. His wife also came in for a share, this being a purse containing greenbacks amounting to about $20.

Messrs. Elben & Co., have completed their new mill, formerly known as Pott's Mill, fitting it up with the latest improved machinery, and are now doing first class work.

J. F. Maneha has sold Mrs. Sallie Scott's farm at Chapel, 500 acres, to Jones, Rensheirmer & Kichline, of Pennsylvania, for $8,000.

The St. Michaels *Comet* says:—There are nearly as many bushels of commercial fertilizers sown this season in Talbot as bushels of wheat.

Isn't that story a little tough?

Thos. H. Beaston, Esq., a respected citizen of Easton, died at his residence on Monday of strangulated hernia.

Republican County Central Committee.

DENTON, October 19th, 1875.

At a meeting of the Republican County Central Committee held the above date Chas. H. Todd, Esq., was called to the chair and Thos. W. Jones was appointed Secretary.

The following resolutions were then adopted:

Resolved, That this Committee cordially and earnestly recommend the Citizens' Reform State Ticket for the support of the voters of Caroline county.

Resolved, That in the judgment of this Committee it is inexpedient for the Republican party to make any county nominations at this time; but that the members of the party will heartily support, at the ensuing election any nominations sincerely made in the interests of Reform, and opposition to corrupt partizan combination and rings.

On motion the chair appointed B. G. Stevens, Jas. G. Redden and James Massey, a Committee to notify the Reform County Convention, now in session, of the action of this Committee.

On motion the Committee then adjourned. THOS. W. JONES, Sec'y.

Reform Meeting.

A Reform meeting, which will be addressed by Hon. J. Morrison Harris, and Col. Wilkins, candidates for Governor and Comptroller and other able speakers, will be held at the Court House in this place, on Wednesday next. Mr. Harris and Mr. Wilkins will arrive here on the morning of that day on a steamer, chartered for the purpose of conveying them to this place. They will leave here on Wednesday night for Calvert county to address the people of that county on the following day, Thursday. On Friday they will address the people of Kent county. They have been compelled to employ this means of travel to meet the wishes of the citizens of those counties and it would be impossible for them to be present in time at those places without providing some special means of travel to reach those points.

The Democratic Mass Meeting

Held in this place on Tuesday cannot be regarded as much of a success. The speakers dwelt largely upon the dead issues of the past, appealed to the political prejudices of the people and tried to cover up the living issues of the present. They failed to heal the divisions and dissentions in the Democratic ranks, and in a few instances, made the breach wider. The attendance upon the meeting was not as large as we expected to see, considering the effort put forth to draw a large crowd, and we do not believe there were more persons present on Tuesday than were gathered at their primary meetings on Saturday week.

We have tried Dr. Bull's Cough Syrup in our family, and can assert that it is the best remedy for a cough or cold ever introduced. Price 25 cents.

Is There a Democratic Ring?

It has been asserted, and as often denied, that there is a Democratic Ring in Maryland which makes all the nominations and farms out all the offices and runs the political machine generally. They have their agents in this county, and it is an undeniable fact that one office and the nomination for State Senator two years hence, are already farmed out here. There can be no doubt of the existence of a formidable Ring in the Democratic ranks in this State.—We have the following testimony of Gov. Groome to establish this fact. At a Democratic meeting at Annapolis last Friday week, Governor Groome addressed a Democratic meeting and prefaced his remarks by saying—

"*In the contest there were three gentlemen prominently named for Governor. Two had rings at their backs—Carroll and Hamilton—and the other had none, though he had many friends he had no ring-masters, and that was the trouble, and he had to sound a retreat before the first gun was fired.*"

Governor Groome ought to be good Democratic authority.

Senator Earle on Woolford.

Senator Earle, of Queen Anne's, has written a letter to the Baltimore *Gazette* re-iterating and re-affirming the charge against Comptroller Woolford. The friends of Woolford had better remain quiet. They may place him in confusion worse confounded.

REMEMBER THIS.

Now is the time of the year for Pneumonia, Lung Fever, Coughs Colds, and fatal results of predisposition to Consumption and other Throat and Lung Disease Boschee's German Syrup has been used in this neighborhood for the past two or three years without a single failure to cure. If you havenot used this medicine yourself, go to your Druggist, Dr. Fisher, and ask him of its wonderful success among his customers. Two doses will relieve the worst case. If you have no faith in any medicine, just buy a sample bottle of Boschee's German Syrup for 10 cents and try it. Regular size bottle 75 cents. Don't neglect a cough to save 75 cents.

YOU HAVE NO EXCUSE.

Have you any excuse for suffering with Dyspepsia or Liver Complaint? Is there any reason why you should go on from day to day complaining with Sour Stomach, Sick Headache, Habitual Costiveness, palpitation of the Heart, Heart burn, Waterbrash, Gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up of food after eating, Low spirits, &c. No! It is positively your your own fault if you do.—Go to your Druggist. Dr. Fisher, and get a bottle of Green's August Flower for 75 cents your cure is certain, but if you doubt this, get a sample bottle for 10 cents and try it. Two doses will relieve you.

TO CONSUMPTIVES.

The advertiser, a retired physician, having providentially discovered, while a Medical Missionary in Southern Asia, a very simple vegetable remedy for the speedy and permanent cure of *Consumption*, Asthma, Bronchitis, Catarrh, and all throat and lung affection,—also a positive and radical specific for Nervous Debility, Premature Decay, and all Nervous Complaints, feels it his duty to make it known to his suffering fellows.—Actuated by this motive, he will cheerfully send [free of charge] to all who desire it, the receipe for preparing, and full directions for successfully using, this providentially discovered remedy. Those who wish to avail themselves of the benefit of this discovery without cost, can do so by return mail, by addressing DR. CHAS. P. MARSHALL,
64 Niagara St., Buffalo, N. Y.

P. S.—Those who feel disposed, will please give symptoms in full. Great benfit will be derived therefrom. C. P. M.
