American Union

Thursday Morning Nov. 4 1875

THE Orphans' Court of Caroline count will meet on Tuesday, 9th of Nov., 1875.

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

MR. E. Madison Towers is our authorized agent for the collection of bills due this office. He will present accounts to those indebted to this office in a few days and we hope those waited upon will pay him at once. His receipt will be good against us. We have not the spare time to present these claims ourself in person, hence the necessity of procuring the aid of an agent.

The Editor's Hash

—Wild ducks it is said are more plentiful in Maryland waters the present season than usual.

—State elections were held on Tuesday in Pennsylvania, New York, Massachusetts, Minnesota and Maryland.

—J. Hopkins Tarr was an independent candidate for State's Attorney in Wicomico county at the recent election.

—A snake was killed near Salisbury a few days ago which measured 9 feet four inches in length. Served him right—he *had no business laying around loose.*

—The mild and balmy weather of the past ten days closed on Saturday night, when a rain storm visited us and since that time coal fires and overcoats have been in demand.

—Those wishing to obtain certificates to teach in the colored schools of this county, will appear before the Board for examination on Tuesday November 9th.

GEO. F. BEAVEN,
Sec'y Board.

—By every species of fraud and other devices resorted to by the Ring they succeeded in counting in Latrobe as Mayor of Baltimore city, last week, by a majority of about 2,700. He was installed into office on Monday last, but his election is to be contested.

—A disturbance took place at the polls in this place, (for the first time in several years,) on Tuesday morning last. Two or three colored men were knocked down with clubs by as many white men, and for a time things looked like a riot. The difficulty occured over a colored voter.

Religious.

The third Quarterly meeting for Denton Circuit will be held at Sheppard's Chapel, on the 13th and 14th inst. Preaching by Rev. J. Hough, P. E., on Saturday morning at 10 o'clock: the Quarterly Conference will meet immediately after the close of public service. Lovefeast on Sabbath morning and preaching again by the Presiding Elder. There will be service in the same place each evening during the week following.

Election Returns.

The election in Baltimore city was a mere farce, as may be seen from the majority for Carroll—15,000. The best citizens were driven from the polls and ballot-box stuffing, repeating and all manner of fraud resorted to carry the city for the Ring. Gorman, Bannon and Woolford are again placed in power to fatten on the public Treasury.

Allegany county gives Harris 600—Wilkins about 1000.

Talbot County gives Harris 150 majority, and elects the Republican ticket.

Harris' majority in Dorchester is about 100.

Frederick county gives Harris about 1000 majority.

Other counties have been carried by Harris but it is impossible for him to overcome the fraudulent majority of Baltimore city.

PENNSYLVANIA.—Hartranft's majority in the city of Philadelphia is 17,000. The whole State ticket is elected.

New York has gone Republican by a majority of from ten to fifteen thousand.

Massachusetts has gone Republican.

New Jersey and Minnesota have both gone Republican.

[Communicated.]

BALTIMORE, Nov. 2d, 1875.

J. H. EMERSON, ESQ., *Dear Sir*:—The polls will close in a half hour. Ruffians, rings, ruffianism and the Devil, have had full control here to-day. Reformers have been driven like sheep and slaughtered without protection. Of course the ballot boxes are stuffed to satisfy the demands of the "ring" and Carroll will be Governor.—This is the "black Tuesday" of the Democratic party of Maryland, and thousands of the best of them will look for a *Republican Protestant* for the next Presidency. So mote it be. I write this as you may not receive paper by same mail.

NONE but a physician knows how much a reliable *alterative* is needed by the people. On all sides of us, in all communities everywhere, there are multitudes who suffer from complaints that nothing but an *alterative* cures. Hence a great many of them have been made and put abroad with the assurance of being effectual.—But they fail to accomplish the cures they promise, because they have not the intrinsic virtues they claim. In this state of the case, DR. J. C. AYER & Co., of Lowell, have supplied a COMPOUND EXTRACT OF SARSAPARILLA, which proves to be the long desired remedy. Its peculiar difference from other kindred preparations in the market is that it cures the disease for which it is recommended, while they do not. We are assured of this fact by more than one intelligent physician in the neighborhood, and have the further evidence of our own experience of its truth.—[Nashville (Tenn.) Farmer.]

DENTISTRY.

Dr. Abiel Bowen, Dentist, is at Greensborough Saturdays. Office at R. Plummers residence. Persons wishing Dentristry other days can be waited on at my residence or at the above place by engagement.

HE had not slept a wink for twenty-four hours, coughing all the time. His sister bought a twenty-five cent bottle of Dr. Bull's Cough Syrup at the nearest drug store, gave him a dose, and the cough was broken at once and he slept quietly through the night.

REMEMBER THIS.

Now is the time of the year for Pneumonia, Lung Fever, Coughs Colds, and fatal results of predisposition to Consumption and other Throat and Lung Disease Boschee's German Syrup has been used in this neighborhood for the past two or three years without a single failure to cure. If you havenot used this medicine yourself, go to your Druggist, Dr. Fisher, and ask him of its wonderful success among his customers. Two doses will relieve the worst case. If you have no faith in any medicine, just buy a sample bottle of Boschee's German Syrup for 10 cents and try it. Regular size bottle 75 cents. Don't neglect a cough to save 75 cents.

YOU HAVE NO EXCUSE.

Have you any excuse for suffering with Dyspepsia or Liver Complaint? Is there any reason why you should go on from day to day complaining with Sour Stomach, Sick Headache, Habitual Costiveness, palpitation of the Heart, Heart burn, Waterbrash, Gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up of food after eating, Low spirits, &c. No! It is positively your your own fault if you do.—Go to your Druggist. Dr. Fisher, and get a *bottle* of Green's August Flower for 75 cents your cure is certain, but if you doubt this, get a sample bottle for 10 cents and try it. Two doses will relieve you.

TO CONSUMPTIVES.

The advertiser, a retired physician, having providentially discovered, while a Medical Missionary in Southern Asia, a very simple vegetable remedy for the speedy and permanent cure of *Consumption*, Asthma, Bronchitis, Catarrh, and all throat and lung affection,—also a positive and radical specific for Nervous Debility, Premature Decay, and all Nervous Complaints, feels it his duty to make it known to his suffering fellows.—Actuated by this motive, he will cheerfully send [free of charge] to all who desire it, the receipe for preparing, and full directions for successfully using, this providentially discovered remedy. Those who wish to avail themselves of the benefit of this discovery without cost, can do so by return mail, by addressing DR. CHAS. P. MARSHALL,
64 Niagara St., Buffalo, N. Y.

P. S.—Those who feel disposed, will please give symptoms in full. Great benfit will be derived therefrom. C. P. M.

Marriages.

SPARKLIN—HARDESTY—At St. Paul's M. E. Church, on the 28th ult., by the Rev. James H. Rich, MR EUGENE L. SPARKLIN, and MISS MARY C. HARDESTY, both of Talbot county.

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulceration of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Collosal Gold Sheaf Seed Wheat

THE ATTENTION of Farmers is specially invited to this new cereal, which for its prolific qualities, hardiness and freedom from disease, perhaps out rivals all other acclimated varieties. Its perfect adoption to every variety of soil and climate makes it a peculiar favorite with both American and British Farmers.

It matures in about twenty days less time than oats.

It is a remarkable grain to stand severe drought.

It yields form 40 to 90 bushels per acre.

The heads will average ten inches in length (We will send a couple specimen heads to Farmers on receipt of ten cents, by mail, which will be a life evidence of the enormous growth of the wheat. Agents to whom we have sent specimen-heads are making enormous profits, showing the heads to their neighbors, and taking orders.)

The stalk is sufficiently strong to support the head and prevent its lodging. The grain for stock food is equal if not superior, to Indian corn. It ripens while the stalk is yet green. We have tested its superiority as for North as Ontario and Quebec, and as for South as New Mexico, providing its perfect adoption to every variety of soil and climate in North America.

Terms, cash. No C. O. D. packages sent out.

Sample packages sent postage paid, for $1.10 by mail. One bushel, by Express, $7. Ten bushels, by Express $25. Send money by Registered Letter, at our risk. Address.

CLIPPER WASHING MACHINE.

I HAVE USED the machine over two years and having the utmost confidence in the same, beg leave to bring it again before the public. In washing quilts, blankets and men's cassimere clothing it cannot be excelled, and will give perfect satisfaction. One trial according to directions will convince the most skeptical. This machine received the Diploma at the State Fair, held at Middletown, Dela, October, 1874.

Direction For Using.

Place the boiler on the stove; fill with water to the circle when boiling; cut from one-third to half pound of soap in the same.—Having soaked or wet the clothes in cold water, soap the soiled parts; drop them loosely and evenly in the water, as many as will turn easily. Turn the crank, not all the way round, but half way round and back.—Thus by a rapid reverse motion you will have the clothes cleaned and boiled in *ten minutes*. The cleansing properties of the soap and hot water and the action combined, accomplishes the work. Colored clothes washed by this process will fade less than by the usual mode or manner of washing. All letters of inquiry in regard to machines or Rights for Counties or States will be answered by addressing

CERTIFICATES.

The following are extracts from private letters from ladies who have used the machine and voluntarily testify of its merits.

"I think the Clipper machine the best that ever was invented. I have seen and had quite a number but this is the only one I can recommend." MRS. ANNA MACKEEY,
Easton, Md.

"I am happy to say I like the washer very much indeed. It gives perfect satisfaction—do not think I could do without it. It is all right and nothing wrong."
MRS. HENRY MARSHALL, Lewes, Del.

"Having used one of your Clipper Washing Machines and being so well pleased with it, I feel it my duty to say something in its favor. I am so well pleased with it that unless I could get another of the same kind, I would not dispose of it for three times the price. It is simple and works like a charm in every particular; is less liable to get out of order than any other machine in use. To appreciate its real worth is to possess it.
MRS. GEO. H. BECK, Easton, Md.

"I like the washer exceedingly—better every time I use it. Would not take $20 for it if I could not get another"
MRS. WM. THOMPSON, Rehoboth Del.
