American Union

Thursday Morning Dec. 2, 1875.

THE Orphans' Court of Caroline county will meet on Tuesday, 7th of Dec., 1875.

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

The Editor's Hash.

—Gen. Geo. B. McClellan will spend the winter in Baltimore.

—The Forty-Fourth Congress will assemble at Washington on Monday next.

—There is some hopes at last of the early completion of the draw across Kent Island Narrows.

—A farmer in Baltimore county has a fine yoke of oxen which he has named Moody and Sankey.

—Mrs. Shadrack Raughly died suddenly at Milford, Del., last week of heart disease, aged about 73 years.

—The remains of Vice-President Wilson were committed to their final resting place yesterday at Natick, Massachusetts.

—The wheat crop in this county is looking well at the present time, the plants presenting a strong and vigorous appearance.

—Mr. Jas. E. Dillen, formerly Sheriff of Queen Anne's county, died at his residence, near Church Hill, last week. He was a native of this county.

—Gov. Ingersoll, of Connecticut, on Saturday appointed Ex-Governor Jas. E. English, U. S. Senator from that State, in place of O. S. Ferry, deceased.

—Charles O'Conner, of New York city, is dangerously ill, and his physicians were of the opinion on Tuesday night that he could only survive a few hours.

—The managing Committee of the Missionary society for the M. E. Church has apportioned the sum of $14,000 to the Wilmington Annual Conference for 1876.

—Kerr, of Indiana, and Randall, of Pennsylvania, Democrats, are the most prominent candidates for Speaker of the House. The chances are in favor of Kerr.

—Small pox is prevailing to a considerable extent in Cumberland. To prevent a spreading of the disease vaccinating surgeons have been appointed in each ward of the city.

—The next session of the Wilmington Conference of the M. E. Church will be held in the Union M. E. Church, Wilmington, Del., March 15th, 1876. Bishop Scott, D. D. will preside.

—Mr. Elijah F. Crout, a distinguished member of the Westminster bar, fell dead in the Court room at that place on Friday last, while engaged in arguing a case before the Court. He was about 55 years of age.

—Geo. W. Phillips, day clerk at the U. S. Hotel at Wilmington, Del., kept by Mr. T. B. Merritt, died of typhoid fever on Sunday last. He was in his 24th year.—His remains were interred at Easton on Tuesday last.

—The corner stone of the Mt. Pleasant Church at Marsh Creek, in the Fourth District, was laid on the 7th of November, by Rev. W. H. Kauffey, and was quite a success. The sum of $487.80 was realized on subscriptions and cash.

—We invite the reader's attention to the clothing house of Smith & Co., Baltimore. They have reduced their prices to the lowest possible rates to meet the stringency of the times. For bargians call and see them when you visit the city.

—The stills and brandy seized from Ezekial Jones, near Marshy Hope Bridge, Del., some time since for a violation of the Internal Revenue laws, will be sold by U. S. Marshal Dunn, at the Custom House, Wilmington, on the 14th of December.

—An indignation meeting of the citizens of Baltimore was held at the Maryland Institute of Tuesday night last. The meeting was intended to give expression to the popular sentiment of the people of that city of the so-called election of the 2d of November.

—Mr. Wm. B. Astor, the millionaire, died in New York City last week, in the 83d year of his age. He is reported to be worth $200,000,000. He paid an annual tax on real estate in the city of New York of $500,000, or about one seventieth of the taxes of that city.

—Whitelock and son was tried at New Castle last week for the murder of a colored man, and although the evidence was such as to convince candid minds of their guilt, the jury returned a verdict of not guilty. Delaware jurors have strange freaks sometimes in making up a verdict.

—Moody and Sankey held immense meetings in Philadelphia on Sunday. The interest in their services increases, and they anticipate results greater than any that were apparent from their work in Brooklyn. The afternoon and evening meetings were attended by eleven or twelve thousand persons.

—A publication of the names, together with the amount of taxes due by delinquents in Talbot county, has been the means of arousing those in arrears to a sense of prospective sales of their "gums and gourds," and hence they earnestly desire negotiations with the collectors and are forking over the ready cash.

—At the November term of the Circuit Court for Talbot county, held at Easton last week, the grand jury found ten presentments against Henry Zeigler, of Chapel District—eight against Tilghman H. Hubbard, of Easton, and one against Henry Nichols, for violations of the local option law. Twenty other presentments were also found against other parties.

—Charles Jefferson, arrested on suspicion of being the murderer of John F. Ford at St. Michael's in July last and lodged in Easton jail, has escaped an indictment by the grand jury for want of evidence, but he has been connected with the Day robbery at St. Michael's, which occurred some ten years ago, and has been indicted and will be tried at the present term.

Fire.

A fire broke out in the smoke house belonging to Mrs. Kate Willis, at Denton Bridge, about 2 o'clock on Saturday morning last, which consumed the building with its contents. The fire originated from an ash barrel which was kept inside the building. Of the amount of loss we are not informed.

We learn petitions are in circulation for signatures asking for the repeal of the local option law. A number of our citizens have been asked to sign the petition here and have peremtorily refused. Our people do not want the law repealed and it is a safe estimate to say that three out of every four of the citizens of this county will sign a petition opposed to repeal. It has been only a little more than a year since our citizens decided in favor of local option by a majority of between three and four hundred and they are perfectly satisfied with the operations of the law. It is only a few persons who desire to engage in the sale of the article, for the sake of the profits, with their friends, who desire the repeal of the law.

SANO CORPORE.—The influence of the stomach on the brain should be carefully heeded. Let the stomach be in slight degree disturbed, and the entire nervous system becomes a sufferer. Bring the stomach to a healthy tone, and the nervous machinery promptly resumes its perfect running order. Happily, there is no necessity for any long disarrangement of the functions of the stomach, since in AYER'S PILLS we have so perfect a combination, admirably adapted for relief. They have stood the test of years, and have exhibited stomachic properties most wonderful. Their wise use, by keeping the system in perfect order, promotes longevity, and what is far better, ensures the full enjoyment of the time spent here. We use them and know their value.—*Florence* (Kansas,) *Pioneer.*

THIRTY-THREE years have passed since the introduction of Dr. Bull's Cough Syrup, and it still stands unrivalled. Price 25 cents; five bottles $1.

DENTISTRY.

Dr. Abiel Bowen, Dentist, is at Greensborough Saturdays. Office at R. Plummers residence. Persons wishing Deutristry other days can be waited on at my residence or at the above place by engagement.

REMEMBER THIS.

Now is the time of the year for Pneumonia, Lung Fever, Coughs Colds, and fatal results of predisposition to Consumption and other Throat and Lung Disease Boschee's German Syrup has been used in this neighborhood for the past two or three years without a single failure to cure. If you havenot used this medicine yourself, go to your Druggist, Dr. Fisher, and ask him of its wonderful success among his customers. Two doses will relieve the worst case. If you have no faith in any medicine, just buy a sample bottle of Boschee's German Syrup for 10 cents and try it. Regular size bottle 75 cents. Don't neglect a cough to save 75 cents.

YOU HAVE NO EXCUSE.

Have you any excuse for suffering with Dyspepsia or Liver Complaint? Is there any reason why you should go on from day to day complaining with Sour Stomach, Sick Headache, Habitual Costiveness, palpitation of the Heart, Heart burn, Waterbrash, Gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up of food after eating, Low spirits, &c. No! It is positively your own fault if you do.—Go to your Druggist. Dr. Fisher, and get a bottle of Green's August Flower for 75 cents your cure is certain, but if you doubt this, get a sample bottle for 10 cents and try it. Two doses will relieve you.

HALL'S VEGETABLE SICILIAN HAIR RENEWER

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, exeept in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines.

FOR THE WHISKERS.

It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
