A Boy Crushed on the Railroad.

A sad accident occurred at Marydel on Wednesday last, 15th inst., as the passenger train was leaving the depot which came very near proving fatal. A family, Mr. and Mrs. Makely, with a son 13 years of age, were on their way to Hillsborough, from Michigan. The boy stepped off of the car on the platform, at the freight office, and was caught between the platform and the car. His body passed between a space only 4½ inches, and he was carried thus the full length of the car. When the train had passed he was taken up and placed in the depot until medical assistance could be procured. Drs. Hardcastle and Hall were soon in attendance. They found his arm badly crushed and his body injured in other respects, but how much could not then be ascertained. From the depot he was carried to the house of Mr. J. Green, where everything has been done that could. It was thought at first that he could not live, but he is doing as well as can be expected and bids fair to recover.

The captain and mate, both white, who were in the boat when it sank, reached the shore in safety.

An old Baltimore negro, who had emigrated to Liberia years ago, ordered a quantity of Dr. Bull's Cough Syrup a short time ago, stating that although coughs and colds were not frequent in Africa, he would not like to be without it in his family.

DENTISTRY.

YOU HAVE NO EXCUSE.

Have you any excuse for suffering with Dyspepsia or Liver Complaint? Is there any reason why you should go on from day to day complaining with Sour Stomach, Sick Headache, Habitual Costiveness, palpitation of the Heart, Heart burn, Waterbrash, Gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up of food after eating, Low spirits, &c. No! It is positively your own fault if you do.—Go to your Druggist, Dr. Fisher, and get a bottle of Green's August Flower for 75 cents your cure is certain, but if you doubt this, get a sample bottle for 10 cents and try it. Two doses will relieve you.

Moody and Sankey's Meetings

Three immense meetings were held in Philadelphia by Moody and Sankey on Sunday. Mr. Moody preached on the good effect of using the little word 'No' at the proper time. Mr. Sankey sang some of his sweetest hymns.

The meeting in the afternoon was for ladies. Among the distinguished persons present were Hon. Geo. Bancroft, Judge Strong, of the Supreme Court, and Senator Christiancy, of Michigan. Mr. Moody preached from the text, 'I pray thee hear my excuse,' showing how many persons made excuses for not coming to Christ. A large number of ladies arose for prayers, and subsequently entered the inquiry room.

At the evening meeting every seat was occupied fifteen minutes after the doors were opened. This was caused by the rumor circulated through the day that President Grant would be present. Among those present were the President and wife, ex-Senator Cattell of New Jersey, Governor Hartranft, A. E. Borie, Colonel Fred Grant and wife, ex-Speaker Blaine, Governor Bedle of New Jersey, Senator Wallace of Pennsylvania, General Garfield of Ohio, Judge Duell, Commissioner of Patents; General Robert E. Patterson and Judge Strong. There were also present many Congressmen and Washington newspaper correspondents. Mr. Moody delivered the same sermon as he did in the afternoon.—Ex-speaker Blaine said Mr. Moody was the most remarkable man he ever heard, and Postmaster General Jewell said his remarks in the latter part of his discourse were wonderful. The President also expressed pleasure at the services. Sankey sang several of his most beautiful hymns.

FIVE NEGRO THIEVES KILLED.—The Norfolk Virginian has learned of a remarkable occurrence on Roanoke Island, in which Mr. Clarence Meekins acted the principal part, and by which five negro thieves lost their lives. It appears that a few evenings since Mr. Meekins was awakened by hearing a noise on his premises, and on getting up and going to his door, found that some parties were attempting to rob his smoke-house. He immediately secured his gun, and advanced cautiously towards the smoke-house, when he discovered a man seated on a pry on which rested one end of the building. Taking aim, he fired, and the party fell to the ground mortally wounded. On examination Mr. Meekins discovered him to be a negro, and, further, that by the building falling back it had crushed four other negroes who had crept under the raised part, and were engaged in abstracting the contents. Mr. Meekins at once reported the circumstances to the authorities, and was by them honorably acquitted.

WILMINGTON DISTRICT CONFERENCE.—The second semi-annual session of the Wilmington, Del., M. E. Conference met at Elkton, Md., on Tuesday, and was in session three days. The conference is composed of all the local and traveling preachers in the district, with the exhorters and one Sunday school superintendent from each district, circuit and station. The Presiding elder announced the district to be very prosperous financially as well as spiritually. It was stated that in Dover district there is 'widespread, cogent, and increasing opposition to holding camp-meetings.' The following were licensed to preach: Messrs. White, McCoy, and J. T. Hynes.

AN INTOLERANT PRIEST.—A dispatch from Newport, R. I., to the New York *Herald*, says there is indignation in that city because the Catholic priest, the Rev. Phillip Grace, of St. Mary's church, refused to officiate at or permit the remains of a daughter of Manuel DeFray, who died here a few days ago, to be brought to the church for the purpose of having the usual burial services performed. He also refused to officiate at the house of the deceased, the reason being that the child was permitted to attend the Protestant school. In consequence of the decision the body of the child has been placed in the vault of the Protestant Cemetery to await further developments.

A GEORGIA EDITOR'S SAFEGUARD.—A Georgia editor has printed the following notice over his own signature in the *Cuthbert Messenger*: "On and after this date the undersigned gives notice that he will prosecute any person selling him intoxicating liquors of any kind to the full extent of the law. This is not for the purpose of injuring whiskey dealers, but to get sober and to stay so."

PAINFUL ACCIDENT.—On Saturday last, a colored boy in the employ of T. H. Goslin, Esq., Linkwood, fell from a cart loaded with straw, and in falling struck his foot against one of the prongs of an iron pitchfork which entered at the sole and passing obliquely through the foot came out at a point above the heel.—*Federalsburg Courier.*

A TEMPERANCE PETITION TO CONGRESS.—The West Virginia Temperance Convention, in session in Wheeling, has prepared a petition for presentation to Congress at an early day, making the manufacture, sale or distribution of intoxicating liquors punishable with imprisonment for not less than one or more than ten years.
