The Bible.

Who composed the following description of the Bible, we never knew. It was found in Westminister Abbey, nameless and dateless; but, nevertheless, it contains wise laws for the Jews and wholesome counsels to the erring race of Adam:

A nation would be truly happy if it were governed by no other laws than those of this blessed book.

It contains everything needful to be known or done.

It gives instructions to a Senate, authority and directions to a magistrate.

It cautions a witness, requires an impartial verdict of a jury, and furnishes the judge with his sentence.

It sets the husband as the lord of the household, and the wife as the mistress of the table; tells him how to rule, and her, as well, how to manage.

It entails honor to parents, and enjoins obedience to children.

It prescribes and limits the sway of the sovereign, the rule of the ruler, and the authority of the master—commands the subjects to honor, and the servants to obey and promises the blessing and protection of the Almighty to all that walk by its rule.

It gives directions for weddings and burials.

It promises food and raiment, and limits the use of both.

It points out a faithful and eternal guardian to the departing husband and father; tells him with whom to leave his children, and whom his widow is to trust; and promises a father to the former, and a husband to the latter.

It teaches a man to set his house in order, and how to make his will; it appoints a dowry for his wife, and entails the right of the first born, and shows how the young branches shall be left.

It defends the right of all, and reveals vengeance to every defaulter, over-reacher and trespasser.

It is the first book, the best book.

It contains the choicest matter—gives the best instruction—affords the greatest degree of pleasure and satisfaction that we have ever enjoyed.

It contains the best laws and most profound mysteries that were ever penned;—and it brings the very best of comforts to the inquiring and disconsolate.

It is a brief recital of all that is to come.

It exhibits life and immortality from time everlasting, and shows the way to glory.

It settles all matters in debate, resolves all doubts, and eases the mind conscience of all their scruples.

It reveals the only living and true God, and shows the way to Him; and sets aside all other gods, and describes the vanity of them, and all that trust in them; in short, it is a book of laws, to show right and wrong; of wisdom that condemns all folly and makes the foolish wise; a book of truth, that detects all lies, and confronts all errors; and it is a book of life, that shows the way to everlasting death.

It contains the most ancient antiquities and strange events, wonderful occurrences, heroic deeds and unparalled wars.

It describes the celestial, terrestrial, and infernal worlds, and the origin of the angelic myriads, the human tribes, and the devilish legions.

It will instruct the accomplished mechanic and the most profound critic.

It teaches the best rhetorician, and exercises every power of the most skillful arithmetician, puzzles the wisest anatomist and exercises the wisest critic.

It is the best covenant that ever was agreed upon; the best deed that ever was sealed; the best evidence that ever was produced; the best will and testament, that will ever be signed.

To understand it is to be wise indeed;—to be ignorant is to be destitute of true wisdom.

It is the king's best copy, the magistrate's best rule, the housekeeper's best guide, the servant's best directory, the young man's best companion; it is the school boy's spelling book, and the great and learned man's masterpiece.

It contains a choice grammer for a novice, and a profound mystery for a sage.

It is the ignorant man's dictionary, and the wise man's directory.

It affords knowledge of witty inventions for the humorous, and dark saying for the grave, and is also its interpreter.

It encourages the wise; the warrior and the swift it overcomes; it promises an eternal reward to the excellent, the conqueror, the winner, and the prevalent.—And that which crown all is, that the author is without partiality and without hypocricy: "With whom is no variableness, neither shadow of turning."

DELAWARE'S PEACH AND BERRY TRADE.—The Berry Trade of Delaware increased from twenty carloads in 1868 to 882 carloads in 1876. The largest yield was in 1875, when 905 carloads were shipped.—The increase of the peach trade has been even more rapid. In 1868 but 23 carloads were shipped, and in 1875 there were marketed 9072 carloads. The crop is very uncertain, however, and last year it fell off to 2117 car loads. From 1867 to 2876, inclusive, the Philadelphia, Wilmington and Baltimore Railroad and its branches transported 32,208 car loads of peaches and 4551 car loads of berries—319,474 tons in all—and collected as freight from these items alone $1,783,921.83. — *Philadelphia Ledger.*

GOD'S GOVERNMENT.—How magnificent is this idea of God's government! That he inspects the whole and every part of his universe every moment, and orders it according to the counsels of his infinite wisdom and goodness, by his omnipotent will; whose thought is power; and his acts ten thousand times quicker than the light; unconfused in a multiplicity exceeding number, and unweared through eternity!—*Dr. Ogden.*

A true American is too proud to beg and too honest to steal; he gets trusted.

To the Sick.

A great many are now suffering with cold, coughs, and other ailments, which, if not promptly attended to, may result in an incurable disease. For all diseases of the throat, breast and lungs, bronchial or asthmatic affections, DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY is a pleasant and certain cure. The oldest and best remedy. It promotes expectoration, and removes all diseased matter which obstructs the lungs, the ulceration is healed, and the sufferer restored to perfect health. It is nourishing and strengthening, and for disturbed rest at night, its use will give sweet repose. If the bowels are costive, or liver disordered, take at first a few doses of Swayne's Tar and Sarsaparilla Pills, which will evacuate the bowels, and is of vital importance, relieve the congested liver, and remove all billiousness. Then follow with Swayne's Wild Cherry Syrup, and health, strength and happiness is sure to be the result.

SAVED HIS LIFE.

A Remarkable Cure

Was that of Edward H. Hamson, Engineer at George Sweeny's Pottery, 1334 Ridge Avenue, Philadelphia. He had a violent cough, night sweats, sore throat, great weakness, spit at different times a pint of blood, gave up all hope of recovery Through the use of "*Dr. Swayne's Wild Cherry Syrup*" became a sound and hearty man, and remains so to this day, although over twenty years have elapsed since he was cured.

☞ We are permitted to refer to the following gentlemen who have experienced great benefit, and used "Dr. Swayne's Compound Syrup of Wild Cherry" in their family for many years.
