Thursday Morning Mar. 23 1877.

THE Orphans' Court of Caroline county will meet on Tuesday 27th of March, 1877.

The Editor's Hash.

—A Harford county huckster sold 125 pole-cat skins in Baltimore last week for $91.

—Chas. M. Jump, of Talbot county, is spoken of as the next Democratic nominee for Comptroller of Maryland.

—The Denton Literary Association received on Monday last, another installment of forty volumes to their library.

—Common sense. For all cases of Coughs, Colds, Sore Throat, etc., use Dr. Bull's Cough Syrup.

—A young man named George Russel, residing near Whiteleysburg, in this county, received a severe wound in his foot last week while using an axe.

—Capt. Augustus McCabe, one of the Judge's for the Orphans' Court for Queen Anne's county, died at his residence in Centreville last week. He was 73 years of age.

—John H. Noble, late tax collector for Williamsburg and New Market districts, Dorchester county, was robbed of $1,700 on Monday night last, between Cabin Creek and New Market.

—Rev. Jas. M. McCarter, formerly of this county, one of the most gifted members of the Wilmington Annual Conference, has been reinstated and stationed at Chincoteague Island.

—The State Comptroller has just made his first quarterly distribution of the State school fund for 1877. Caroline receives $1,616.61 for her white schools, and $576.05 for her colored schools.

—Now is the time to purchase new sixty-five dollar Sewing Machines for forty-two dollars. See advertisement of Mr. Wm. R. Emerson, Agent for the Howe Machine, in another column.

—It is said that Hewitt, who engineered the late Democratic campaign, spent just $100,000 for the success of his party.—How appropriate the old addage—"a fool and his money is soon parted."

—Stewart Cooper, of Berlin, Worcester county, Md., met with a horrible death last week. In an epileptic fit he fell into an open fireplace, and, being unable to help himself, was slowly roasted to death.

—St. Patrick came down on us on Saturday with a regular snow storm, and left the ground covered with his winding sheet. The weather has been decidedly cold since and overcoats and coal fires have become indispensible articles of comfort.

—James P. Hambleton's barn, stable and other outhouses, in Talbot county, were burned with their contents last week. Among the horses lost was "Bob," a charger ridden by Mr. Hambleton while a soldier in the Confederate cavalry service.

—Tradition says that years ago when the head waters of the Chesapeake swarmed with wild fowl, the hands employed at an iron forge at Havre de Grace once upon a time refused to work because they were fed on canvass-back ducks instead of bacon.

—We are informed by one of the Stewards of Denton Circuit that Denton appointment has met in full all demands for the past Conference year and is now free from all indebtedness. This is as it should be. Hope we may be able to pull through successfully in the future.

—The stable, carriage-house and granary, on the farm adjoining "Round Top," in Queen Anne's county, was destroyed by fire on Tuesday of last week, together with about 250 bushels of corn, 180 bushels of wheat, nearly all the farming implements and provender. Loss about $1,100.

—The editor of the Easton *Gazette* has lately been the recipient of a pair of splendid wild ducks. The editor of that paper is fond of good things and shows his keeping. It would take a great deal of this kind of provender to produce a dead lock in his works of internal improvement. So send on the ducks.

—The April term of our County Court will commence in this place on Monday week. Will all those indebted to this office be kind enough to visit our office and pay up? Or if they prefer it, they may send the amount by their neighbor, or inclose the amount in a letter and forward it to us. We care not about the mode of receiving it so we get it.

—Round potatoes for seed are selling in this market at $2.40 per bushel, while corn will not net our farmers in the city over 45 cents per bushel. Not many years since the price of corn and potatoes were equal, but while the potato bug has sent this esculent clear out of the reach of the poor, we have the benefit of cheap corn dodgers as a substitute.

—A lady in Greensborough, in this county, more than eighty years of age, has now in her possession a Marseilles Skirt which was purchased more than ninety years ago. The skirt was purchased in that town by her mother in 1786. It is her wish to be buried in it. This same lady is owner of a silver dollar which has been in the possession of her family for more than seventy years.

—The liberal license law before the Delaware Legislature, was defeated last week as it ought to have been. The idea in this nineteenth century of any body of men endorsing by law one of the most gigantic evils that has ever cursed the world should meet the withering scorn and contumely of all honorable and sensible men. If the Delaware Legislature would like to have a practical lesson upon the no license system, or as some are pleased to term it prohibition, we would invite them to spend a week in our county. A prolonged stay might perhaps produce abstemious habits in some of them and be productive of much personal benefit.

—Mr. P. W. Downes has removed a part of the buildings of the property on Front St., lately purchased at trustee's sale of the heirs of the late Ignatius Lednum, and placed them in the rear, and is about commencing a new building on the site of those removed. The present dwelling on the corner of the street is also to be thoroughly repaired and when the new one is completed the two will form a double dwelling and will be a great improvement to the appearance of that part of town.

—Butter is unusually scarce in this market and is selling at 30 cents per pound. There is not enough manufactured by our farmers in the surrounding country to meet the demands of the citizens of this place and for some weeks past a portion of our supplies have been drawn from the city. Some of our farmers have become butter buyers. This is poor management. They depend too much on their crops of corn and wheat and neglect the smaller matters of the farm.

—Rev. E. P. Aldred, the faithful pastor, who has for the past three years labored with great zeal and energy in our midst, left on Tuesday last for his new field of labor at Cecilton, Cecil county.—He spent last Sabbath with us and preached morning and evening in this place, giving his congregations two very acceptable and edifying sermons. He leaves behind him the good wishes and christian affection of his congregations. We bespeak for him a warm reception in his new pastorate.

—We know of no place in the broad domain of our wide extended country where a man has become the slave of rum and desires to be freed from the monster, could so readily obtain the mastery over his appetite as to take up his abode in our county. There is no intoxicating liquors sold in any part of our territory. Parents, rearing a family of children, would here also be free from the rum influence and their children escape the evils and vices which always follow in the train of debauchery. This should be a strong inducement to those seeking new homes to settle in our midst.

—Mr. W. W. Austin, an aged printer died suddenly at Wilmington on Wednesday evening of last week. He was born in Easton, Md., and was nearly sixty years of age. In 1837 he worked at the case in Centreville, from there went to Elkton and for a time conducted the *Democrat*, then called the *Gazette*; from thence he took up his residence in Wilmington and sometime about 1853 published a Democratic paper at Milford. He afterwards returned to Wilmington where he ended his earthly career. We knew him well in other days; worked at the case by his side when we were a boy. He possessed some very amiable traits of character.

Singular Burial.

The Smyrna *Times* has some remarks on the death of a Mrs. Morris, who died at Smyrna Landing a short time since, and amongst other peculiar notions she gave directions concerning her burial. No screws were allowed to go into the coffin; the lid was merely held in place by small nails stuck in holes bored for the purpose, to keep it from slipping off whilst being carried to the grave. And the grave, just deep enough to set the coffin cleverly beneath the surface of the ground, is on the premises, within twenty yards of the house, along the fence-row on the road to Rothwell's Landing, where it may soon be hid from sight by the tall weeds of the roadside, unless they be kept down by the hoe of the husband in his tillage of garden vegetables.

Wanamaker's Bazaar.

On Friday last in the old Pennsylvania Depot at 13th and Market streets, was the opening day of Mr. John Wanamaker's great dry goods establishment and the crowd attracted was marvelous, rivaling many of the assemblages of the Centennial year. The main entrance is on Chestnut street, leading to the spacious structure devoted to the sale of dry goods and clothing for men, women and children. It resembles the Stewart establishment in New York, but has the advantage of being all on one floor. The counters represent an aggregate length of three-quarters of a mile, and there are not less than 1,400 stools for the accomodation of customers. The sales room occupies an area of nearly 400 feet square, and the stock of goods on the shelves is estimated at one million of dollars. This opening has created quite an excitement among the proprietors of other large dry goods stores, and they are advertising the sale of goods at cost, to prevent the desertion of their former customers.

We have been requested to republish the Grand Jury list for the April term of our Court, commencing on Monday week, 2nd day of April. Below we give the names of both Grand and Petit Juries:

Federalsburg Items.

Rev. W. J. O'Neill, former pastor of this charge, spent last Sabbath with us and preached to a large and attentive congregation.

John H. Noble, late tax collector for Williamsburg and New Market districts, was robbed on Monday night on the road from Cabin Creek to New Market. In passing through a woods, he was called and halted to see what was wanted, when several men stepped forward, took him out of his buggy and brandishing knives, demanded his money. He begged for his life, and after taken his money, $1,700, they disappeared. He thinks they were white men with *blackened* faces.

John H. Stack & Bro. have opened a new store in the store house formerly occupied by Harris & Bro.

Some shad and herring made their appearance here last week, but you can't see them now.

For the Union.

The members of the Denton Literary Association will please return all books either to the Librarian, Mrs. L. H. Gadd, or to the association at its next meeting.—Forty-two new volumes have been received, and it is the duty of the Board of Managers to see that they are properly covered and labeled before issuing—and loaned only to those who belong to the Association by the payment of dues to the amount of 10 cents each monthly, or $1.00 per year in advance.

We hope to increase our membership largely, and thus be able to purchase new and valuable acquisitions to our library, during the spring and summer. The present supply are well chosen, and will no doubt add greatly to the well-being of the inhabitants of the town and vicinity, as a good book is a valuable companion.

COM'TY. ON BOOKS.

White, smooth and soft any lady's hands, arms or neck may become, who uses Glenn's Sulphur Soap. Pimples or other disfigurements of a complexional nature, are surely obliterated by this healthful promoter of beauty. Depot, Crittenton's No. 7 Sixth Avenue, N. Y. Good Advice.

Now is the time of year for Pneumonia, Lung Fever, &c. Every family should have a bottle of BOSCHEE'S GERMAN SYRUP. Don't allow for one moment *that* cough to take hold of your child, your family or yourself. Consumption, Asthma, Pneumonia, Croup, Hemorrhages, and other fatal diseases may set in. Although it is true GERMAN SYRUP is curing thousands of these dreaded diseases, yet it is much better to have it at hand when three doses will cure you. One Bottle will last your whole family a winter and keep you safe from danger. If you are consumptive, do not rest until you have tried this remedy. Sample Bottles 10 cents. Regular size 75 cents. Sold by your Druggists, Dr. G. M. Fisher and Chas. Stevens.

False Impression.

It is generally supposed by a certain class of citizens, who are not practical or experienced, that Dyspepsia can not invariably be cured, but we are pleased to say that GREEN'S AUGUST FLOWER has never, to our knowledge failed to cure Dyspepsia and Liver Complaint in all its forms, such as Sour Stomach, Costiveness, Sick Headache, palpitation of the Heart, low spirits, &c., &c. Out of 30,000 dozen bottles sold last year, not a single failure was reported, but thousands of complimentary letters received from Druggists of wonderful cures. Three doses will relieve any case. Try it. Sample Bottles 10 cents. Regular Size 75 cents. For sale by Dr. G. M. Fisher and Chas. Stevens, Denton, Md.

A TIME-HONORED SPECIFIC.—The long and successful career of Dr. WISHART'S PINE TREE TAR CORDIAL, as contrasted with the speedy collapse of nostrums devoid of efficacy which have from time to time been puffed into a brief notoriety during the twenty odd years that this celebrated medicine has been sold, affords a proof that the American public *continues* to repose its confidence in deserving articles only. The PINE TREE TAR CORDIAL has long been recognized as the leading specific for Consumption, Bronchitis, Coughs, Colds, Asthma, Diptheria, and all other diseases of the breathing organs. It is, moreover, a certain, speedy, and safe bationic remedy for Dyspepsia, Liver Disorders, Scrofulous Affections, Urinary Troubles, Gravel, Dropsy, Debility, Constipation, and Female Complaints. Constantly accumulating evidence of an unimpeachable character establishes the fact that it not only entirely eradicates the diseases to which it is adapted, but also that its action is remarkably prompt and thorough. The crucial test of experience has demonstrated its reliability in every particular. Sold by all druggists. Principal Depot, No. 916 Filbert Street, Philadelphia. [nov23-4w.

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Buckingham's Dye
FOR THE WHISKERS.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.
