Thursday Morning Mar. 29 1877.

THE Orphans' Court of Caroline county will meet on Tuesday 3rd of April, 1877.

The Editor's Hash.

—The Delaware Legislature adjourned on Friday last.

—Josh Billings lectures in Easton on Wednesday night next.

—Rev. J. W. Weston is dangerously ill in Wilmington of pulmonary disease.

—Gardening is in order now. Potato planting should be attended to at once.

—New Castle jail has twenty cells and one hundred and thirty-three prisoners.

— There is a hopeful prospect of an abundant peach crop the coming season.

—Next Sunday is Easter—to-morrow is Good Friday — this is called "Passion Week."

—A tenant house belonging to M. Emanuel, near Easton, was destroyed by fire on Thursday last.

—This is the last week of Lent. Those who have been on short allowance for forty days can go for meats.

—"Bye-gone Memories," by Sallie Carlton, was received too late for the present issue but shall appear next week.

—Rev. E. L Thompkinson has been transferred to Easton in the place of Rev. R. W. Todd, who has been sent to Milton, Del.

—Solomon Taylor, a colored man residing near Port Deposit, Cecil county, died last week, at the advanced age of 110 years.

—The St. Michael's *Comet* puts it very forcible when it says "Rev. Jas. M. McCarter has been sentenced to Chincoteague Island."

—The friends of Hon. Geo. P. Fisher, of Delaware are circulating petitions to have him appointed a territorial judge in Dakota or Wyoming.

—Hamilton & Cummins, merchants at Smyrna, have made an assignment for the benefit of their creditors. Their liabilities are said to be $27,000.

—The next session of the Annual Conference of the M. P. Church will be held at Easton. It will commence on the second Wednesday in March next.

—Mr. Geo. W. Beck, for a number of years past engaged in the stove and tin business, died at his residence in Easton on Tuesday morning of last week.

—To sooth disturbed feelings brought on by a cold, and to cure Coughs, Croup, and Hoarseness, give Dr. Bull's Cough Syrup, which may be had at drug stores.

—The St. Michael's *Comet* reports one case of the good results of blue glass.—We imagine that in this case it was ground fine and administered to some worthless cur.

—Mr. Stephen Pluck, overseer of the Cecil county alms house, states that in three nights week before last one hundred and ten tramps stopped at that place for lodging.

—A lady sat in the Court room at Elkton, on Tuesday last, while an interesting case was depending, busily engaged in working in worsted, the motto—"Peace be unto this house."

—Capt. E. H. Webber's farm, near Andersontown, containing 258 acres, was sold on Tuesday last, by J. W. Bryant, trustee for the sum of $2,800. Jas. A. Dixon, purchaser.

—Justice A. W. P. Robinson, st Easton, last week, fined W. P. Flowers of Federalsburg $75 and cost of suit for peddling tin-ware without a license. Flowers appealed to the county Court.

—The vernal equinox has passed and now for the etheral mildness of Spring.—It is time for snakes to awake from their long repose and for the "snapper" to put in his appearance.

—Candidates for the Sheriffalty are so thick that a brick thrown from one end of Worcester county to the other would be sure to strike at least a dozen. So says the Newtown *Gazette*.

—Mrs. Henrietta Barroll, relect of the late Jas. E. Barroll, and a native of this county, died at her residence, near Elkton, on the 17th inst., aged 73 years. Her maiden name was Hackett.

—Mr. A. Lincoln, of Cecil Co., advertises for sale, stock from a cow that yielded 22½ pounds of butter in seven days. Mr. F. M. Krause of the same county has a nine-months old calf weighing 900 pounds.

—If some of the citizens of our town were to follow as diligently some useful occupation and bestow the same time and attention as they do to the game of Croquet, the gaunt wolf would never be found at their doors.

—The stores of J. W. Stevens and Solomon Townsend, at Camden, Del., were robbed on Monday night week. Cash to the amount of $3 was the only loss sustained, although the goods were thrown around in great confusion.

—Wm. Henry Legg, Esq., late editor of the Denton *Journal*, will be in Denton from Monday, April 1st, until the following Saturday, at which time he desires those owing him to make payment, as further notice will not be given.

—Our business traders and all others required to take out license, would do well to pay attention to Sheriff Collin's notice to retailers and others to be found in another column. All licenses must be renewed by the first day of May next.

—Rev. J. E. Smith, the newly appointed pastor for Denton Circuit, will preach at the M. E. Church, Denton, on Sunday morning next, services commencing at ten o'clock. In the afternoon at 3 o'clock will preach at Potter's Landing. Rev. J. E. Collins, the junior minister, will preach at Wesley's in the morning, at Sheppard's in the afternoon and at Denton at 7 o'clock P. M.

—The April Term of the Circuit Court for this county commences in this place on Monday next. Will those indebted to us for advertising, subscriptions and job work be kind enough to step up to the Captain's office and settle their bills? It costs something to run a newspaper.

—Fred. Douglass, the recently appointed marshall for the District of Columbia, is expected to visit St. Michael's, his old home, at an early day. He was born near Tuckahoe Creek, on the boundary line between this county and Talbot. He has a half brother now living near Hillsborough, in this county.

—A new Methodist Protestant Church is to be erected near the Oaks, about three and a half miles from town, adjoining the lands of Mr. W. G. Horsey; Mr. Horsey having donated a half acre for the use of the Church. The land is being cleared where the building is to be erected, and a portion of the lumber is already at hand.

—The first and second numbers of the *El Dorado Press*, published at El Dorado, Kansas, by Mr. J. M. Satterthwaite, formerly of this place, has been received at this office. It is an eight paged paper, neatly gotten up and devoted to the material interests of Southern Kansas. Success to you *Jo* and may you find lots of friends in your new home.

—Caleb Kellum, a colored deck hand on the steamer Tangier, was killed at Snow Hill on Saturday evening, by John Hartman, colored, a cook on board the same boat, with a butcher knife. The two men had an altercation after the arrival of the steamer from Baltimore. Kullum was stabbed to the heart and died in fifteen minutes. Hartman is now in Snow Hill jail.

—The subject of appointing a tax collector for each election district is claiming the attention of the people of Talbot county. This system has obtained in this county for years past and gives entire satisfaction. It works so well here that the question of going back to the old system is never mooted. The people of Talbot have only to try it to become convinced of its practical benefits.

—The smallest piece of femininity on this Peninsula is to be found on the margin of the Choptank about one mile below town. It is about three months old, weighs about five pounds and is some eight or nine inches tall. This is the smallest specimen of humanity in these parts and if our brethren of the Peninsula press can produce its like we would be pleased to hear from them.

—The Chambridge *News* says the assessors found less than fifty thousand dollars worth of stocks in Dorchester county last year, thirty thousand of which were owned by one man in Cambridge. The amount usually held by the citizens of the county is over a million of dollars, but they disposed of them last year in order to avoid the tax, and repurchased after the assessment.

—Sheriff Collins last week received two prisoners, the first since last October Court, charged with stealing two chickens and a lot of duck eggs. Their names are Sarah Gould and Annie Wix, both colored.—They were formerly of Queen Anne's, and removed to this county about the first of January last. We believe these are the only criminal cases that will claim the attention of our court next week.

—Dr. Holbrook, of Somerset county, has been appointed Secretary of the State Fishery Force. Will some one be kind enough to inform us what the office of the Fishery Force is? We cannot imagine what its duties are unless it be to force open the vaults of the Treasury of the State and help themselves to several thousands of the public funds, wrung from the pockets of the tax payers of Maryland.

—At the biennial election which takes place in this State next Fall the following officers are to be chosen. Comptroller of the Treasury, State Senators in several of the counties and in one district in Baltimore city, members of the Legislature, County Commissioners, Sheriffs and Surveyors. The Legislatnre to be elected will choose a United States Senator, to succeed Hon. Geo. R. Dennis, whose term expires 4th of March, 1879.

—Fishing operations have not fully commenced on the Choptank yet, although some of our fishermen have been trying their luck. Last Monday Mr. Wm. Stevens, near town caught some twelve hundred herrings and about one dozen shad. Since that time the weather has been stormy and the unusual high tides has caused the fishermen to suspend operations. Herrings are selling in our market at $125 per hundred and shad at 50 cents per pair.

—The peach prophets do not seem to be weatherwise or otherwise the present season. Their voice is not heard in all the land. It is about time some of them were prophecying destruction to the peach crop. The season has been so favorable to this crop that they have not the heart to enter a complaint against the clerk of the weather. The prospects are good for a heavy crop of this luscious fruit. The problem to be solved will be where to find a market for it.

—Rev. J. E. Smith, the newly appointed minister of the M. E. Church, for Denton Circuit, with his family, arrived in town on Friday afternoon last. They were warmly received by the members of his congregation, who to the number of fifty or sixty, visited the parsonage the same evening and extended to them a hearty greeting. The ladies prepared supper and gave to them a hospitable entertainment. The Denton Cornet Band appeared before the company dispersed and enlivened the occasion with some choice pieces of music, which Rev. Mr. Smith acknowledged in a few brief but very appropriate remarks. Rev. J. M. Collins, the junior minister, arrived same day, and each of them entered on the labors of the present conference year on Sunday last.

—A party of fishermen from St. Michaels with about two hundred fathoms of shad nets, with a schooner and a sloop in which to bunk and take shelter, are pirating the waters of the Choptank for the purpose of catching shad. We fail to see the justice of our laws which permits the citizens of other counties and even of other States to come in amongst us and catch our fish, but denies the citizens of our county the right to catch oysters in the waters of adjoining counties. This is peculiarly a hard case and positively unjust legislation toward our people when it is remembered that we have none of these delicious bivalves within the limits of our county.

Federalsburg Items.

FROM OUR REGULAR CORRESPONDENT.

The junior preacher appointed by the P. E. to this circuit declines accepting the appointment, prefering "rather to bear the ills he has than fly to others he knows not of." It has been rumored here that the Preston people had determined not to receive him, nor any other preacher.—They must have graduated in piety and need no further instructions.

The robbery spoken of in items of last week creates considerable comment. Mr. Noble has not been able to leave his room on account of injuries received in the struggle. The exact amount lost belonging to the county is $1,715.15. There seems to be an impression that the county will loose the amount instead of the collector.

Rev. T. L. Thompkinson is spending a few days here among his former parishoners. He and Rev. R. W. Todd have exchanged appointments—the former going to Easton, the latter to Milton.

If the herrings don't keep a sharp look out they will be caught napping by the night fishermen.

Good Advice.

Now is the time of year for Pneumonia, Lung Fever, &c. Every family should have a bottle of BOSCHEE'S GERMAN SYRUP. Don't allow for one moment *that* cough to take hold of your child, your family or yourself. Consumption, Asthma, Pneumonia, Croup, Hemorrhages, and other fatal diseases may set in. Although it is true GERMAN SYRUP is curing thousands of these dreaded diseases, yet it is much better to have it at hand when three doses will cure you. One Bottle will last your whole family a winter and keep you safe from danger. If you are consumptive, do not rest until you have tried this remedy. Sample Bottles 10 cents. Regular size 75 cents. Sold by your Druggists, Dr. G. M. Fisher and Chas. Stevens.

False Impression.

It is generally supposed by a certain class of citizens, who are not practical or experienced, that Dyspepsia can not invariably be cured, but we are pleased to say that GREEN'S AUGUST FLOWER has never, to our knowledge failed to cure Dyspepsia and Liver Complaint in all its forms, such as Sour Stomach, Costiveness, Sick Headache, palpitation of the Heart, low spirits, &c., &c. Out of 30,000 dozen bottles sold last year, not a single failure was reported, but thousands of complimentary letters received from Druggists of wonderful cures. Three doses will relieve any case. Try it. Sample Bottles 10 cents. Regular Size 75 cents. For sale by Dr. G. M. Fisher and Chas. Stevens, Denton, Md.

A TIME-HONORED SPECIFIC.—The long and successful career of Dr. WISHART'S PINE TREE TAR CORDIAL, as contrasted with the speedy collapse of nostrums devoid of efficacy which have from time to time been puffed into a brief notoriety during the twenty odd years that this celebrated medicine has been sold, affords a proof that the American public *continues* to repose its confidence in deserving articles only. The PINE TREE TAR CORDIAL has long been recognized as the leading specific for Consumption, Bronchitis, Coughs, Colds, Asthma, Diptheria, and all other diseases of the breathing organs. It is, moreover, a certain, speedy, and safe botanic remedy for Dyspepsia, Liver Disorders, Scrofulous Affections, Urinary Troubles, Gravel, Dropsy, Debility, Constipation, and Female Complaints. Constantly accumulating evidence of an unimpeachable character establishes the fact that it not only entirely eradicates the diseases to which it is adapted, but also that its action is remarkably prompt and thorough. The crucial test of experience has demonstrated its reliability in every particular. Sold by all druggists. Principal Depot, No. 915 Filbert Street, Philadelphia. [nov23-4w.

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.
