Thursday Morning April 26 1877.

THE Orphans' Court of Caroline county will meet on Tuesday 8th day of May, 1877.

The Editor's Hash.

—It is in season now to plant tom cats.

—Insane act—to use rappee snuff on oysters as a substitute for pepper.

—Our farmers are very busy in preparing the ground and planting their corn crops.

—Blackiston & Son have just received a lot of beautiful Spring goods. Call and see them.

—Since the introduction of the sewing machine, fourteen years ago, 4,000,000 have been sold.

—Caroline county School Board will meet at their office in Denton on Tuesday next, May 1st.

—Sun rises 6 minutes after 5—sets 50 minutes after 6—days length, 13 hours and 48 minutes.

—Mr. J. H. Van Gesel has just received a stock of new Spring goods. Drop in and make your purchases.

—There are only nineteen Democratic candidates for the office of Sheriff of Baltimore county and the returns are not all in yet.

—The Governor has appointed J. J. Hall, notary public at Centreville, Queen Anne's county, vice R. E. Fiddeman, resigned.

—Josh Billings' Almanac says: "About this time look out for cold weather." And it should have added—Keep Dr. Bull's Cough Syrup in readiness.

—The new hall having been completed and now ready for use, Temple Lodge, will meet in regular communication on Tuesday evening, 14th of May next.

—A new hotel is to be built at Cedar Beach on the Delaware Bay, 7 miles from Milford. This is a very pleasant place of resort in the Summer months.

—Spring lambs have got the start so far ahead of green peas the present season that they will not be apt to meet together on the tables of our citizens the present season.

—The wheat fields in this locality present a beautiful appearance, having revived rapidly in the past week under the influence of April showers and the warm sunshine.

—The bursting buds—the opening leaf—the expanding flower and earth being dressed in living green, gives indisputable evidence that spring time has come in her bloom and beauty.

—There is a place in Baltimore county called Johnnycake Town. The only question which now agitates its citizens is whether the teacher or his pupils shall sweep out the school house.

—They have a curiosity at Elkton. It is a fish with a serpent's head, an alligator's body, a monkey's hands, and a fish's tail. It was caught at Carpenter's Point fishing shore. Its a what is it?

—The most certain way to dispose of the great army of hungry office seekers who hang around the President would be to open a small-pox hospital in the east room of the Presidential mansion.

—Read the article on fourth page entitled "fish and fisheries." This subject is of great importance to a number of our citizens just at this time and this article contains some valuable suggestions.

—Persons addressing us upon business matters not connected with this office will please enclose postage stamp to pay for reply. The failure to do this will account for their not receiving a response from us.

—The many friends of Wm. Noble, Esq., ex-Sheriff of this county, will hear with regret of his indisposition. We understand that he has been suffering a month past from *Biliary Calculi*. At latest accounts he was better.

—Garden seeds are now sending the germ of the plant above the surface of mother earth, and this is a good time to administer strychnine to worthless dogs, which delight in making our gardens the special objects of their attention.

—Rev. J. W. Weston, of the Wilmington Conference M. E. Church, died in that city of Monday last of Consumption. At the recent session of the Conference he was assigned to Delaware City, but on account of ill health was compelled to resign.

—Mr. Wm. Anderson, at Harrington, has been missing eggs for some time past and his suspicions of theft being aroused, he concluded to set a trap for the supposed thief, and in broad daylight last week captured a large sized opossum. No eggs have been missing since.

—Within the past three months no less than forty tons of sassafras root has been shipped from Baltimore for Bremen and Liverpool, where it is used for medicinal purposes. This root might be made a considerable article of trade from this county, as it grows very luxuriantly on our worn-out lands.

—Miss Caroline Rouse, a sister of Mr. R. H. Rouse, formerly of this county, died suddenly in Kent county on Thursday last, in the 61st year of her age. She was the daughter of the late Chas. Rouse, was born and reared in this county, but for more than twenty-five years past had been a resident of Kent county.

—The young shade trees planted in the public square in this town last fall by Mr. J. W. Kerr, nurseryman, by order of the County Commissioners, are all living and prosperous. They have commenced leafing, and if those having charge of the grounds, will give them proper attention, and see to it that the stock running at large are kept out of the enclosure, in a few years, we will have one of the most beautiful public squares to be found on the Peninsula.

—Mrs. S. M. Norris at Easton, has just received a complete assortment of Spring millinary, to which she invites the attention of the ladies of Caroline county.

—Our business men should bear in mind that Dept. Com. of Internal Revenue, Col. L. A. C. Gerry, will visit Denton on the 18th and 19th of May next, at which time, all persons doing business requiring special tax will call on him and receive the required Stamp. He may be found at the editorial room of the *Union* office.

—Rev. J. E. Nicholson, of the M. P. Church, will preach in the school house at Preston every Sunday afternoon at three o'clock. Subject for next Sunday afternoon — "Christ unable to save himself from death." Sunday school at 2 o'clock. Prayer meeting every Wednesday night at 7½ o'clock. All are cordially invited to attend.

—At a stated meeting of the Potter's Landing Literary Association, held on Friday evening, April 20th, the following officers were elected for the ensuing year.—E. W. Williams, President; Dr. J. W. Hignutt and Wm. M. Boynton, Vice-Presidents. Wm. M. Boynton, Treasurer and Secretary. L. L. Stevens, assistant.—Thos. Chaffinch and wife and Wm. Holbrook and wife, Librarians.

—A lady of this town last week received a letter from her aunt written in 1840—thirty-seven years ago. The great mystery is where has it been during all this lapse of time? It could have made the earth's circuit several times in these years. Since the date of the letter this lady has been twice married and has grown up sons and daughters and is the grandmother of three children.

—A correspondent of the Cecil *Whig*, writing from Cecilton says: Rev. E. P. Aldred organized the Sabbath School at St. Paul's last Sunday, by electing some very efficient officers, who, if they will perform their duties as well as they know how, the number of little Sabbath breakers would be lessened. Our Cecilton friends will find brother Aldred a live man and equal to every emergency.

—The St. Michael's *Comet* desires to know if we consider it journalistic courtesy for the Cambridge *News* to give the editorial lie to a *Comet* correspondent?—Why, certainly not. Go for him—not with your shooting iron—but with a mild and gentle reproof. Teach him better manners. Some of these editors are very impertinent fellows and ought to have the starch taken out of them.

—Denton Circuit has been favored in the appointment of Rev. J. E. Smith to pastoral labors in our midst, with one of the ablest and most eloquent divines in the Wilmington Annual Conference. His discourses are orthodox, eloquent, argumentive and full of clear and brilliant illustration. Large and attentive congregations give him their most profound attention, and hang almost spell-bound upon the theme which warms and animates the man of God.

—The entertainment given by the Denton Cornet Band at the Court House in this place on Thursday evening last, tho' not as liberally patronized as expected, was in part a success. The proceeds of the evening amounted to something over thirty-one dollars. The Band are soon to visit Federalsburg, where they will entertain the citizens of that place with choice vocal and instrumental music, assisted by the Dramatic Association in the play of "The Ticket of Leave Man."

—We have received the report of the Fish Commissioners of Maryland, but just at this time while laboring amid a dearth of the finny tribe, and the few that are offered in our market at exhorbitant prices, the report is very unsatisfactory and very uninteresting reading. The theory is all good enough and looks well on paper, but we would not give an ounce of good sound sense for a ton of fanciful theory. What the people along the Choptank now want is fish—not crude notions or illogical reasoning. They object when they ask for a fish to be given a serpent.

—Jesse Hubbard, Esq., of Hunting Creek, in the fourth District is fitting up a cemetry on his land, between Hunting Creek and Preston. The situation is a beautiful one for the purpose, being in a grove lying on the public road.—One half acre has been cleared up, a part of the ground dug out and a lot of handsome trees whitewashed. Mr. Hubbard is now building a shed 30 by 16 feet in which to conduct burial services when desired, and is also putting a substantial fence around the lot. Mr. Hubbard proposes to dispose of lots in the Cemetery when finished, and which will be opened with public religious services, of which due notice will be given. We are gratified at this exhibition of public spiritedness in our old friend, Mr. Hubbard, and we trust his example will be followed by many others.—The practice of burying our dead on farms is a relic of former times and is not suited to our present ways and ought to be abandoned. We hope a general interest will be aroused everywhere.

—Last week we gave notice that we would drop from our books the names of those of our subscribers who were more than three years in arrears, if they failed to pay up before the present issue. We have been waited upon in person and have received letters from others, stating that the scarcity of money, failure in crops, &c., has been the cause of their failure to pay, and hoping soon to meet their obligations they have asked to be continued, some of them stating that the *Union* having become a household necessity they cannot do without it. To such as have made this appeal we will continue to send the paper, but to all who have not made this special request, with fair promises to pay, they will fail in the future to get their paper.—We are sorry to be compelled to adopt this course, but in justification to ourselves we are compelled to pursue this course. Our paper, labor and various other bills have to be promptly met, hence the necessity of prompt payment on the part of those indebted to us.

—A public local law for Caroline county, passed in 1876, Chap. 218, expressly forbids the hauling of any seine in the waters of the Choptank river or its tributaries after the 20th day of May in each and every year, until the 1st day of August. For every violation of the law the penalty is a fine of $10. For refusal or neglect to pay the fine the boat and seine may be seized and sold, after ten days notice, to pay fine and costs. We hope our fishermen will strictly observe the law and cease to ply their vocation after the 20th day of next month, and if there should be found any one disregarding its provisions, the officers will be derelict in duty if they do not arrest them and bring them before a justice of the peace for trial.

Going to Federalsburg.

The Denton Cornet Band, assisted by the Denton Dramatic Association will visit Federalsburg on Thursday evening May 3rd and entertain the citizens of that place with choice instrumental and vocal music. The Dramatic Association will appear in the character of the "Ticket of Leave Man." Judging from the proficiency and musical talent displayed by the Band, and having the assistance of the Dramatic Association which has acquired favorable notice at home, the citizens of the Burg may anticipate a rare treat.

A second entertainment by the Band will be given at the Court House in Denton on Saturday evening, 5th of May.

THE wonderful hen belonging to Mr. Young, near Ilchester, Howard county, continues her remarkable performances.—Between the 4th and 18th of the month, she laid 107 eggs, fifty of which were laid in four days, the 10th, 11th, 12th and 13th.

False Impression.

It is generally supposed by a certain class of citizens, who are not practical or experienced, that Dyspepsia can not invariably be cured, but we are pleased to say that GREEN'S AUGUST FLOWER has never, to our knowledge failed to cure Dyspepsia and Liver Complaint in all its forms, such as Sour Stomach, Costiveness, Sick Headache, palpitation of the Heart, low spirits, &c., &c. Out of 30,000 dozen bottles sold last year, not a single failure was reported, but thousands of complimentary letters received from Druggists of wonderful cures. Three doses will relieve any case. Try it. Sample Bottles 10 cents. Regular Size 75 cents. For sale by Dr. G. M. Fisher and Chas. Stevens, Denton, Md.

Good Advice.

Now is the time of year for Pneumonia, Lung Fever, &c. Every family should have a bottle of BOSCHEE'S GERMAN SYRUP. Don't allow for one moment *that* cough to take hold of your child, your family or yourself. Consumption, Asthma, Pneumonia, Croup, Hemorrhages, and other fatal diseases may set in. Although it is true GERMAN SYRUP is curing thousands of these dreaded diseases, yet it is much better to have it at hand when three doses will cure you. One Bottle will last your whole family a winter and keep you safe from danger. If you are consumptive, do not rest until you have tried this remedy. Sample Bottles 10 cents. Regular size 75 cents. Sold by your Druggists, Dr. G. M. Fisher and Chas. Stevens.

A TIME-HONORED SPECIFIC.—The long and successful career of Dr. WISHART'S PINE TREE TAR CORDIAL, as contrasted with the speedy collapse of nostrums devoid of efficacy which have from time to time been puffed into a brief notoriety during the twenty odd years that this celebrated medicine has been sold, affords a proof that the American public *continues* to repose its confidence in deserving articles only. The PINE TREE TAR CORDIAL has long been recognized as the leading specific for Consumption, Bronchitis, Coughs, Colds, Asthma, Diptheria, and all other diseases of the breathing organs. It is, moreover, a certain, speedy, and safe batonic remedy for Dyspepsia, Liver Disorders, Scrofulous Affections, Urinary Troubles, Gravel, Dropsy, Debility, Constipation, and Female Complaints. Constantly accumulating evidence of an unimpeachable character establishes the fact that it not only entirely eradicates the diseases to which it is adapted, but also that its action is remarkably prompt and thorough. The crucial test of experience has demonstrated its reliability in every particular. Sold by all druggists. Principal Depot, No. 916 Filbert Street, Philadelphia. [nov23-4w.

If the latter course be adopted, the following form will be deemed a sufficient compliance with the act:

Caroline County, to wit:

On this——day of——, 1877, before the subscriber a Justice of the Peace of the State of Maryland, in and for said county, personally appeared,——and declared that he intended to apply for a trader's license, under the second session of the Act of January Session, 1858, to the Clerk of the Circuit Court for Caroline county, and made oath that the amount of the stock of goods generally kept on hand by him (or by the concern in which he is engaged, in case it be a partnership;) at the principal season of sale (or if the applicant has not previously engaged in such trade,) that the amount of goods which he intends to keep, &c., does not (or will not) exceed $——

If the oath be administered before a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

The special act of 1874 forbids the sale of spirituous or fermented liquors in the districts where a majority of the legal voters decide it shall not be sold, and districts Nos. 1, 2, 3, 4 and 5, having by a vote of the people of those districts decided against its sale, no license can be granted for the sale of spirituous or fermented liquors within the limits of those districts.

THIS standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.
