## A Grand Rally of the People.

We have been requested to announce that there will be a grand Mass Convention of the friends of the People's Ticket, without regard to party, held at the Court House in Denton on Saturday November 3d—the last Saturday before the election. Eminent speakers from abroad will be present and address the people. One if not two Brass Bands, will furnish music for the occasion. This will be the last grand rally of the campaign and everybody is invited to come out and hear the naked truth about the Ring which dominates over freemen. When the arrangements are completed general notice of the meetings will be given. Meetings will be held in all the districts of the county as soon as arrangements can be made and due notice given of time and place by advertisement and handbills.

FRANCE held her elections last Sunday. This is the day the French nation has selected to choose their rulers.

AN election in Ohio on Tuesday for Governor and Legislature resulted in a complete victory for the Democrats who carried the State by about 20,000 majority. Both branches of the Legislature are Democratic. An election in Iowa on the same day for State officers resulted in the success of the Republicans by something like 30,000 majority.

JUDGE WRIGHT, a well known citizen of Washington, assaulted ex Secretary Delano on Friday last in front of the Riggs House, knocking him down with a heavy cane, and striking him once after he was down. Mr. Delano was severely, though not dangerously injured. It is understood that the difficulty is one of long standing growing out of Wright being prosecuted by the government on account of alleged fraud in connection with the India Bureau. No arrests have been made.

THE Easton *Star*, speaking of Senator Fields remarks:—"It is reported from Caroline that Mr. Fields is finding Jordan a hard road to travel this fall. His *playing Cæsar* at the nominating convention did not bring the good fruits he expected. The opposition of many leading Democrats to him cannot be overcome. He is handicapped by the Fish Commission and Board of Control and Review, and the weight on him is too much for a fat man like brother Fields to carry through the campaign. Besides, he is a dead weight on the Democratic ticket, and it is feared that he may sink it also."

The *Star* is good Democratic authority.

WE seldom notice annonymous scribblers, but a scurrillous writer in last Saturday's *Journal* immagines himself so very shrewd, and uses the word fraud so glibly, and at the same time attempts to practice a fraud upon the public, that we cannot let the opportunity pass by without exposing him to the public gaze. He is evidently ashamed of his own production and fails to hide the fraud he attempts to perpetrate. He dates his slanderous article, "Near Harmony, Oct. 10th, 1877." It is intended as a reply to an editorial in the *Union* of Oct. 11th—last Thursday. Our paper did not reach Harmony until Thursday about 10 o'clock A. M., so that the writer could not have received the *Union* on the 10th, the day before publication.—The article was not written by any one near Harmony, but by some one, *professing to be a gentleman*, residing in this place. A copy of the *Union* was obtained from this office on Wednesday evening, the 10th; the article written the same evening, bearing date one day in advance of the date of our paper. The fraud attempted to be practiced upon a citizen, residing near Harmony, is too apparent to deceive any one having one grain of good common sense. The writer is known to be an office holder and his services are properly appreciated by this community.

A WRITER in the *Journal* of last Saturday, who resides but a short distance from the *Union* office, but who dates his article near Harmony, ten miles distant, but has not the courage or manliness to use his own signature, assumes the *nom de plume* of "VINDEX," makes a personal and slanderous thrust at the editor of this paper, and at Mr. Garey, the candidate for State Senator, on the People's ticket, and either ignorantly or designedly, makes assertions which are known to every intelligent mind in this community to be false. That Mr. Garey was sued, judgment obtained, and execution issued to the Sheriff, and that the execution was satisfied, is true, but that Thos. Jarrell, David Knotts, Jas. H. Barwick and Esma Lowe, all or either of them, had to pay for Mr. Garey, from their hard earned savings, any money is not true. That either of these gentlemen were even his securities is not correct.—They were the securities of Alex. Knotts, the Sheriff of this county in 1868 and 1869, and it was because of the failure of Mr. Knotts to pay over the money collected from Mr. Garey that these securities suffered.

At that time Mr. Garey, as he has ever been, was a Democrat, while the gentlemen named above as his securities were Whigs—each of them members of the old Whig party—and it is hardly to be presumed that Mr. Garey would have passed by his own political friends and sought favors of his political opponents.

Below we append a certified copy of the judgment obtained from the Clerk's office, which speaks for itself. It is a document obtained from the official record and stamps the statements of the writer with falsehood.

STATE OF MARYLAND,

CAROLINE COUNTY, TO WIT:

I hereby certify that on the 13th day of May, 1859, a Fieric Facias was issued out of the Circuit Court for Caroline county, on judgment in said Court of the State of Maryland, against Thos. F. Garey, Ennalls Hubbard, James Hignutt and Jas. G. Redden, for the sum of $1,241 82 and costs, and that the same was returned at the March Term, 1860, thereon endorsed "satisfied in full for debt, interest and cost, as per Treasurers receipt. A. KNOTTS, Late Sheriff."

I further certify that on the 13th day of May, 1859, a Fieri Facias issued out of the said Court on one other judgment of the State of Maryland against Thos. F. Garey, James Hignutt, Ennalls Hubbard and Jas. G. Redden, for the sum of $5,519 49, and cost, and that the same was returned thereon endorsed, levied as per schedule, A. Knotts, Sheriff, Whereupon, on the 23rd day of January 1860 a Venditioni Exponas issued in the hands of the said Knotts, Sheriff, which was returned to the March Term, 1861, thereon endorsed "This claim satisfied to me in full. A. KNOTTS, Late Sheriff.

In Testimony whereof I hereto subscribe my name and my official seal (SEAL) affix, this 16th day of October, A. D., 1877.

JOHN W. TEMPLE, Cl'k.

The same writer refers to several gentlemen as to the manner which Mr. Garey treats his tenants. Of the gentlemen named but two have ever been his tenants, and they speak for themselves in a card, but not as the writer would desire. Instead of fault-finding they speak in the highest terms of Mr. Garey. A few more such witnesses called to the stand will put this meddlesome scribbler to utter route. With these facts staring him in the face he ought to hide himself, for none of his future statements will be believed. A few more such ventures and the old adage will be verified—"a liar is not to be believed tho' he speak the truth." Mr. Roe and Mr. Jewell speak for themselves. They have been asked to speak and the writer says, *"they know him."*

*For the Union.*

***To the Public.***

I notice in Saturday's Denton *Journal* a writer over the signature of "Vindex" makes an unauthorized use of my name while speaking of Mr. Thos. F. Garey, and refers to me as to the manner in which Mr. Garey treated me as his tenant. As I am called upon thus publicly to state what I know, I will endeavor to state facts. I have been acquainted with Mr. Garey from boyhood—was a tenant under him for *nine years*, and Mr. Garey always treated me in the kindest and most friendly manner—all his dealings with me have been that of a gentleman—fair, honorable and manly. He has been one of my best friends, and on numerous occasions has rendered me substantial aid. We are good friends now and I cannot immagine the object of the writer unless it be to raise strife between friends. I am a Democrat and have been for twelve years or more past—am still a Democrat—and if I live to see election day and am permitted to go to the polls, will cheerfully cast my vote for my friend Garey and do what I can to put an end to Ring rule in our county. I do this without having seen Mr. Garey or without his solicitation, deeming it my duty to correct the statements of the writer, and to disabuse the public mind in reference to any false impressions that may have been made. THOS. ROE.

Oct. 15th, 1877.

*For the Union.*

*Mr. Emerson:*—Will you allow me a little space in your paper in reply to a writer in the Denton *Journal* who has made a free use of my name to brand Mr. T. F. Garey with injustice toward me as his tenant. I wish to say that the statement is unjust and untruthful. I have been a tenant under Mr. Garey for the past twelve years, and I have always found, in all my dealings with him, that he has treated me with fairness. He has been one of my best friends, and I have never gone to him for a favor and been refused. I am a Democrat and have supported that party for more than forty years, and Mr. Garey is good enough Democrat for me to support at the coming election over Mr. Fields and his Ring. I wish further to say, as I have not seen Mr. Garey for some time past, and have had no conversation with him on the subject, that he has never at any time, attempted to influence my vote, and that I will do what I can to insure his election.

Oct. 16, '77. THOS. H. JEWELL.

Are there any others of Mr. Garey's tenants that "*Vindex*" desires to hear from?

A DEMAND FOR ARMS.—The adjutant-general of South Carolina has addressed a letter to the Secretary of War asking for six batteries of artillery, three thousand Springfield rifles, three thousand carbines, two thousand sabres and one hundred thousand cartridges, with which he proposes to drill and discipline a force of ten thousand men as conservators of the peace at present and as a reserve force of the national government in time of war.

CONGRESS assembled in extra session at Washington at noon on Monday last in obedience to the proclamation of the President. The House organized by the re-election of Mr. Randall as Speaker, Adams the present incumbent was elected Clerk, Polk, of Missouri was elected Doorkeeper, J. M. Stewart, of Virginia, was re-elected Postmaster, and Rev. Dr. Poisel, of M. E. Church South, was elected Chaplain.

EXERCISE is absolutely essential to the healthy condition of the body, yet there are but very few forms of exercise entirely free from the liability to Sprains or extreme muscular soreness; to remove these pernicious effects of exercise, Keller's Roman Liniment is the best remedy known.

**Or Sugar-Coated, Concentrated, Root and Herbal Juice, Anti-Bilious Granules. THE "LITTLE GIANT" CATHARTIC, or Multum in Parvo Physic.**

The novelty of modern Medical, Chemical, and Pharmaceutical Science. No use of any longer taking the large, repulsive, and nauseous pills, composed of cheap, crude, and bulky ingredients, when we can, by a careful application of chemical science, extract all the cathartic and other medicinal properties from the most valuable roots and herbs, and concentrate them into a minute Granule, **scarcely larger than a mustard seed,** that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each little **Purgative Pellet** represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in drug-shops. From their wonderful cathartic power, in comparison to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect; but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized and modified, one by the others, as to produce **a most searching** and **thorough,** yet **gently and kindly operating, cathartic.**

**$500 Reward** is hereby offered by the proprietor of these Pellets, to any chemist who, upon analysis, will find in them any calomel or other forms of mercury, mineral poison, or injurious drug.

**Being entirely vegetable,** no particular care is required while using them. They operate without disturbance to the constitution, diet, or occupation. For **Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations from the Stomach, Bad taste in the mouth, Bilious attacks, Pain in region of Kidneys, Internal Fever, Bloated feeling about Stomach, Rush of Blood to Head, High-colored Urine, Unsociability and Gloomy Forebodings,** take **Dr. Pierce's Pleasant Purgative Pellets.** In explanation of the remedial power of my Purgative Pellets over so great a variety of diseases, I wish to say that **their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress.** Age does not impair the properties of these Pellets. They are sugar-coated and inclosed in glass bottles, their virtues being thereby preserved unimpaired for any length of time, in any climate, so that they are always fresh and reliable. This is not the case with those pills which are put up in cheap wooden or pasteboard boxes. Recollect that for all diseases where a **Laxative, Alterative,** or **Purgative,** is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

**They are sold by all Druggists at 25 cents a bottle.**

## WOMAN.

By an immense practice, extending through a period of years, having within that time treated many thousand cases of those diseases peculiar to woman, I have been enabled to perfect a most potent and agreeable medicine that meets the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

### Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my high appreciation of its value, based upon my own personal observation. As a close observer, I have, while witnessing its positive results in the few special diseases incident to the separate organism of woman, singled it out as **the climax or crowning gem of my medical career.** On its merits, as a positive, safe, and effectual remedy for this class of diseases, and one that will, at all times and under all circumstances, act kindly and in harmony with the laws which govern the female system, I am willing to stake my reputation as a physician. Nay, even more, so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who uses it for any of the ailments for which I recommend it, that I offer and sell it under **A POSITIVE GUARANTEE.** If a beneficial effect is not experienced by the time two-thirds of the contents of the bottle are used, I will, on return of the bottle, two-thirds of the medicine having been taken according to directions, and the case being one for which I recommend it, promptly refund the money paid for it. Had I not the most perfect confidence in its virtues, I could not offer it as I do under these conditions; but having witnessed its truly miraculous cures in thousands of cases, **I feel warranted and perfectly safe in risking both my reputation and my money on its merits.**

The following are among those diseases in which my **Favorite Prescription** has worked cures, as if by magic, and with a certainty never before attained by any medicine: Leucorrhœa, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Prolapsus, or falling of the Uterus, Anteversion and Retroversion, Bearing Down Sensations, Internal Heat, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness, and very many other chronic diseases incident to woman not mentioned here. In all affections of this nature, my Favorite Prescription works cures—**the marvel of the world.** This medicine I do not extol as a cure-all, but it admirably fulfills a **singleness of purpose,** being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.

Those who desire further information on these subjects can obtain it in THE PEOPLE'S COMMON SENSE MEDICAL ADVISER, a book of over 900 pages, sent, post-paid, on receipt of $1.50. It treats minutely of those diseases peculiar to Females, and gives much valuable advice in regard to the management of those affections.

## 100,000 MEN WANTED.

THE object of this organization is to keep the low prices *long since* established by us, down *so low* that the "weepings, wailings, and gnashing of teeth of *all* foreign competition can be distinctly heard, and to permit the troops in their march to the front to stop under the shade of the willows and regale themselves, as I have to give *a-weigh* 10 barrels of Sugar, 6 bags of Coffee, 5 barrels of Flour within the next thirty days. Come—delays are dangerous.
