—During the month of November, the Clerk of the Circuit Court for Talbot county recorded 22 deeds, 8 mortgages, 8 bills of sale, Clerk's bond, Sheriff's bond, 8 magistrate's judgments, 10 licenses to catch oysters with tongs, 2 scrape licenses, and 16 marriage licenses.

—A desperate fight took place near St. Michael's one night last week between Allen Green and Kinsey Brooks, two colored men, during which, a hammer, a club and a razor were brought into use with murderous intent. Both parties, after being patched up by a physician, escaped with their lives.

—A drove of hogs belonging to Robert Hatton, numbering thirty-one, were shipped from Easton to Philadelphia last week. They were the Berksire breed and when dressed would weigh from two to three hundred each. This shipping of live hogs to the city for slaughter is a new departure from old customs on this Peninsula.

—The Dover *Delawarean* has the following: On Wednesday last a wagon load of household goods passed through our town. They were the effects of a family from Canada en route for Salisbury, Md. They drove all the way, having been eight days on the road. This fine climate of ours is bringing into our midst a fine body of agriculturists.

—The New York one price cash clothing house of Rogers, Peet & Co., 184 West Baltimore St., Baltimore, is now offering splendid bargains in all kinds of ready made clothing. Now is the time to purchase a Christmas outfit. When you visit the city don't fail to call on this firm and select a suit.

—Mr. G. G. Green, the proprietor of Green's August Flower, manufactured at Woodbury, N. J., and which has been advertised in our columns for several years past, so his traveling agent informs us, spent $50,000 in advertising the present year and intends to invest a larger amount in the future. He declares there is no investment that pays like printer's ink.

—A case was tried before the Orphans' Court at Cambridge last week in which four oxen and a cow and calf are in dispute. One side has two lawyers employed and the other three. One of the lawyers declares that the cattle were spent the first day and if the clients don't stop their foolishness, one-half of a considerable estate will be consumed. The lawyers always get the cream.

—For the same reason that an overworked horse, or servant, or man, becomes slower and slower in every motion, action and work weakly. Liver Disease inevitably causes Constipation, and Constipation is the beginning of the decay of the physical system. Prevention is better than cure, and the timely use of Keller's Vegetable Life Drops will most certainly correct the wrong-action of the Liver, remove Constipation and restore the run-down system to full vigor.

Mitchell's American Soap.

We have refrained for the past two weeks from speaking too confidently of this soap until we had proved its qualities. We have tested it and can confidently recommend it to the public. We have used it in our office for cleansing our forms and removing ink from our rollers, and find it just the thing we have needed for some time. It cleanses them thoroughly. We have also used it for washing clothes in our family and our washerwoman declares it the best soap she has ever used. There is nothing used in making this soap that will in the least injure the finest fabric. It will not cost one cent per pound to manufacture it, and is so cheap that every family ought to have it. There are two receipts—one for soft soap and one for hard—the two receipts can be had at this office for $2.

Our Preston Letter.

December 11th, 1877.

Local items of sufficient interest to appear in type are about as scarce in this vicinity as money. A respectable dog-fight would be welcome, so fearfully dull and monotonous has this village been for the last three or four weeks.

Rev. R. D. Bradley has just completed a very tasty and commodious dwelling upon his farm near Hunting Creek. The new building is an addition to the old dwelling, which has been raised a story, and thoroughly repaired, both inside and out—new porches added, and the whole edifice neatly painted. Mr. Bradley planned or drafted the structure, and superintended the joiner's work, while the brick work and plastering was done by William K. Patchett Esq., than whom no better mechanic in his line can be found in the country; nor one more punctual or reasonable in his charges.

The members of the Preston Dramatic Association are preparing for an entertainment during Christmas week. Their selections are good and it is probable that the affair will be a decided success. The proceeds will be used to start a town library.

Little Gracie Moore, a five year old daughter of E. T. Moore, Esq., who was thought to be in a dying condition by her attending physicians, Drs. Stafford and Jefferson, on the morning of the election, has entirely recovered.

The following is a record of the owners, number and weight of heavy porkers in this locality so far as they have come to the knowledge of your correspondent:—Isaac L. Noble, 2 hogs, 487, 344; E. T. Moore, 2, 475, 414; T. F. Cot, 3, 324,316, 289; J. H. Douglass, 2, 442, 441; George Gale, 2, 382,369; Wm. W. Davis, 2, 332, 282 J. E. Douglass, 3, 416, 378, 326; J. W. Bradley, 2, 275, 260; Dr. H. F. Willis, 2, 336, 337. Joseph Harrison, J. R. Wright and [illegible] Phillips, all of whom have very [illegible]ave not yet killed. Mr. Phil[illegible]eaviest hog in this neighbor[illegible]t 50 pounds. I will give [illegible]on as I can.

"German Syrup"

No other medicine in the world was ever given such a test of its curative qualities as BOSCHEE'S GERMAN SYRUP. In three years two million four hundred thousand small bottles of this medicine was distributed *free of charge* by Druggists in this country to those afflicted with Consumption, Asthma, Croup, severe Coughs, Pneumonia and other diseases of the throat and lungs, giving the American people undeniable proof that GERMAN SYRUP will cure them. The result has been that Druggists in every town and village in the United States are recommending it to their customers. Go to your Druggist, Dr. Fisher, Chas. Stevens, Denton, Md., and J. H. Douglass, Preston, Md., and ask what they know about it. Sample bottles 10 cts. Regular size 75 cts. Three doses will relieve any case.

Astonishing Success.

It is the duty of every person who has used BOSCHEE'S GERMAN SYRUP to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported.—Such a medicine as the German Syrup cannot be too widely known. Ask your Druggist about it. Sample Bottles to try at 10 cts. Regular size 75 cts. For sale by Dr. Fisher and Chas. Stevens, Denton, Md., and J. H. Douglass, Preston, Md.

The Maryland Directory,

Being a historical and descriptive compilation of its resources and trade advantages; prominent and interesting points to tourists and pleasure seekers; towns, villages and post offices described to date; sketches of men engaged in all branches of trade, and the professions; names and addresses of merchants, manufacturers and professional men; farms and farmers, tobacco and tobacco planters in each county; price and quality of farming and other lands; kinds of fertilizers used and those best used to the soil for the growth of various crops; cleared and timbered lands; mountain, valley and river scenery; suitable points for emigrants and others to locate; mills and mill owners; country merchants and general stores; names and address of state, federal, judicial, municipal, town and county officers; hotels and summer resorts; shipping, express, postal and freight routes; taxable property and rates of taxation; newspapers, banks, bankers, incorporated companies, benevolent societies, colleges, schools, and public and private facilities for education, and such other matters of public interest as may be suggested by friends in different sections of the State, making this book, we hope, one in which all classes of our people will feel interested.

Further information will be cheerfully given, and orders for the book received, (payable when delivered) by addressing the undersigned by postal card or otherwise.

KELLER'S
ROMAN

LINIMENT.

Rheumatism.

Time and money have been wasted in futile endeavors to obtain some embrocation that would prove a cure for this excruciating disease; but all have failed except KELLER'S ROMAN LINIMENT, and that has been successful in almost every instance where it has been employed, whether such has been of the inflammatory or chronic type. In Lumbago and Sciatica it affords instant relief.

Neuralgia.

This excruciatingly painful disease is instantly relieved and rapidly cured by the continued application of this Liniment.

Toothache.

This painful and annoying complaint is instantaneously cured by the application of the Liniment.

Frosted Feet.

The Roman Liniment has proved effectual in all cases where it has been properly used. No instance is known where it has failed in giving immediate relief.

Burns and Scalds.

This Liniment has proved itself to be one of the best remedies ever used for Burns and Scalds. Its quickness in alleviating pain when applied, gives it great superiority over all other preparations.

Ulcerated Sores.

The healing and purifying qualities of KELLER'S LINIMENT render it the best article for the speedy and safe cure of ulcerated sores.

A Stitch in the Back

Is caused by a sudden wrenching of the spine, and produces violent and acute pains, making it very difficult for the person to move. It should not be neglected, as the curvature of the spine is often brought on by neglect of this common complaint.

Sore Throat and Quinsy.

The causes which usually induce Sore Throat are those which give a sudden check to perspiration, and thus obstruct Nature's regular work, quickly producing, in consequence, an inflammatory condition which, involving the tonsils, and rapidly spreading over the whole mucous membrane of the fauces will cause Quinsy.

Inflammation of the Breast.

This distressing complaint may be cured, or entirely prevented by the timely use of this remedy. It has never failed, when applied at the commencement, or before the gathering takes place.

Weakness of the Ankles and Joints.

Strains and chronic pains, cold and external injuries, are the chief causes of this complaint. The muscles are relaxed, in many cases making it difficult to move. By a free use of this Liniment a certain cure will be effected. As a

Horse and Cattle Lotion

it is invaluable to Farmers, Express Companies, Stage Proprietors, well appointed Livery Establishments, and all who own or use Horses and other Stock, immediately relieving and curing

Spavins,	Foot Rot in Sheep,
Ring Bone,	Foundered Feet,
Bruises,	Corns,
Cracked Heels,	Flesh Wounds,
Sprains,	Galls of all Kinds,
Scratches or Grease	Poll Evil,
Sores,	Splint,

And many other Diseases.

KELLER'S
Roman Liniment

Never fails to give satisfaction, and, as a domestic remedy for man and beast, it is incomparably superior to any of the so-called family liniments, salves, etc., as a single trial will convince all.
